

CPR AWARENESS WEEK PROGRAM AT SRM COLLEGE OF PHYSIOTHERAPY, SRMIST, TIRUCHIRAPPALLI CAMPUS.

:17.10.2025

:11.00 to 12.00 pm

:4th floor, Techblock-1

As part of CPR Awareness Week , the **Emergency Department** from **Trichy SRM Medical College Hospital and Research Centre**, Trichy, under the leadership of **Dr. Ajith Kumar** and Team, conducted an insightful and hands-on **CPR Awareness and Training Program**. The event was organized with the aim of enhancing life-saving skills among budding healthcare professionals.

This awareness program was felicitated by Prof.Dr.V.P.R.Sivakumar, Assistant Director-FMHS ,Dean, College of Physiotherapy. The program witnessed active participation from **undergraduate and postgraduate students of Bachelor of Physiotherapy (BPT) and Bachelor of Occupational Therapy (BOT)** . Dr. Ajith Kumar and his dedicated emergency care team provided comprehensive training sessions, combining theoretical knowledge with practical demonstrations on Cardiopulmonary Resuscitation (CPR) techniques.

Participants were educated on the importance of immediate response during cardiac emergencies , the correct steps of performing CPR, and the use of automated external defibrillators (AEDs). The hands-on practice session ensured that students gained confidence and clarity in performing high-quality CPR in real-life situations.

The initiative was greatly appreciated by the students and faculty, as it emphasized the critical role of emergency preparedness in healthcare . The event concluded with a strong message of empowerment that timely action and basic life support knowledge can save lives .
