Report

Event Overview, The Office of International Affairs at SRM Institute of Science & Technology, Tiruchirappalli, organized a specialized awareness session titled "Your Pathway to the USA: Exploring Education Opportunities at Northeastern University." This initiative was designed to provide students with a strategic roadmap for pursuing higher education in the United States, specifically focusing on the academic environment and enrollment processes at Northeastern University. The event successfully aligned with the institution's commitment to SDG 4 (Quality Education) and SDG 17 (Partnerships for the Goals), reinforcing the university's mission to provide global exposure to its students.

Session Schedule and Venue The program was conducted on 10th February 2026 at 11:30 A.M. in IST 611 (6th Floor). This session served as a central platform for students across various departments to engage directly with international education experts. The venue provided an interactive atmosphere where students could gain clarity on the requirements and advantages of studying abroad.

Resource Person and Content The session was led by Ms. Kausalya Vijayamurugan, the Global Enrollment Management Officer at Northeastern University, US. As the primary resource person, she shared expert insights into the American application landscape, specialized degree programs, and the unique educational ecosystem offered by Northeastern University. The discussion focused on navigating the complexities of international admissions, understanding visa requirements, and exploring the diverse career pathways available to SRM IST students through a global academic network.
