

**PARTICIPATION REPORT: NCNIT–2026**

**College of Allied Health Sciences (CAHS) – SRMIST, Tiruchirappalli**

### **1. Executive Summary**

A delegation from the Department of Medical Imaging Technology, College of Allied Health Sciences (CAHS), SRMIST, Tiruchirappalli, participated in the **4th National Conference of NITTE Imaging Technology (NCNIT–2026)**. The event, held on February 7th and 8th, 2026, in Mangaluru, served as a premier platform for academic exchange, research presentation, and professional networking in the field of Radiologic Sciences.

### **2. Event Overview**

- **Event Name:** NCNIT–2026 (4th National Conference of NITTE Imaging Technology)
- **Dates:** 7–8 February 2026
- **Location:** KSHEMA(NITTE), Deralakatte, Mangaluru
- **Organizers:**
  - Department of Medical Imaging Technology, NITTE Institute of Allied Health Sciences
  - Department of Radiodiagnosis & Imaging, K.S. Hegde Medical Academy
  - In association with the Indian Society of Radiographers and Technologists (ISRT)

### **3. Delegation Details**

The CAHS–SRMIST delegation consisted of:

- **Students:** 28 B.Sc. Medical Imaging Technology Students (II & III Year).
- **Faculty Members:** 2 Lecturers.

The participation of such a significant number of students underscores the institution's commitment to exposure-based learning and research excellence.

### **4. Academic Contributions**

The SRMIST team demonstrated high levels of academic rigor through various competitive and invited categories.

#### **4.1 Student Presentations**

The students showcased original research and clinical case studies through two primary mediums:

- **Oral Presentations:** 9 students presented and demonstrated their ability to communicate complex imaging concepts effectively.
- **E-Poster Presentations:** 12 digital posters were presented, covering a wide array of technological advancements and diagnostic protocols in imaging.

#### **4.2 Faculty Engagement**

The faculty members represented the institution at a academic level:

- **Invited Guest Speaker:** One faculty member was invited to deliver a guest lecture, sharing expert insights with the national audience.
- **Proffered Paper:** One faculty member presented an oral research paper, contributing to the academic discourse among peer educators and professionals.

### 5. Significance and Impact

The participation in NCNIT–2026 provided several key benefits to the CAHS–SRMIST community:

- **Knowledge Acquisition:** Students gained insights into the latest trends in Medical Imaging Technology and Radiodiagnosis.
- **Professional Networking:** The delegation interacted with experts from NITTE, K.S. Hegde Medical Academy, and ISRT, building bridges for future collaborations.
- **Research Visibility:** By presenting 21 distinct student works and 2 faculty papers, SRMIST Tiruchirappalli established its presence as a research-centric institution in the allied health domain.

### 6. Conclusion

The active involvement of 30 members from CAHS–SRMIST at a national-level conference is a testament to the department's growth. The college continues to foster an environment where students and faculty are encouraged to step beyond the classroom and contribute to the national scientific community.
