## About the program

Physician Assistant (PA) Week celebrated the significant contributions of PAs in healthcare. This year's theme, "**Future-Ready PAs – Technology and Human Touch**" emphasize and reminder of the vital role of PAs play in patient care in the healthcare system, enhancing access to quality care and improving patient outcomes.

Here are some highlights from the day:

### Workshop on “Insulin Techniques” and “Cardiopulmonary Resuscitation (CPR)”

**Organized by College of Allied Health Sciences, SRM Institute of Science and Technology, Tiruchirappalli**

The **College of Allied Health Sciences**, SRM Institute of Science and Technology, Tiruchirappalli, through its student association **Care Crew Club**, organized a one-day workshop titled “**SERAPHINA**” on the occasion of **World Physician Assistant Week – 2025**. The event was held on **24th October 2025** at the **Medical College, 2nd Floor (LH6)**, from **9:00 a.m. to 4:00 p.m.**

The workshop aimed to enhance students’ practical knowledge and clinical skills through expert-led sessions on vital healthcare techniques. The event featured two key sessions — **Insulin Techniques** and **Cardiopulmonary Resuscitation (CPR)** — both focusing on improving emergency response and patient management efficiency among Physician Assistant students.

### Resource Persons

- **Dr. P. Manoj Kumar, M.D.** – Associate Professor, Department of General Medicine, TSRMMCH & RC
- **Mr. Imthiyas** – Sun Pharma Pvt. Ltd., Trichy

The workshop began with an inaugural address by **Dr. K. Kumar Ebenezer**, Principal, CAHS SRMIST-TRC, followed by felicitation of the resource persons. The sessions were highly interactive and informative, providing students with valuable insights into clinical practice, safety protocols, and professional competency.

Students actively participated in the demonstrations and gained hands-on experience under expert guidance. The **Insulin Techniques** session focused on correct dosage, administration routes, and patient counseling, while the **CPR demonstration** trained students on emergency cardiac care and basic life support.

## EVENTS:

In celebration of **Physician Assistant (PA) Day**, a series of exciting and educational student competitions were held to engage and inspire future healthcare professionals. These competitions not only allowed students to showcase their knowledge and skills but also provided an opportunity to learn through friendly competition and collaboration. To make the day more engaging, various student competitions were organized. These included:

- 1) **MED BINGO**
- 2) **QUIZ**
- 3) **MED RELAY**
- 4) **LUCKY CORNER**

Winners of each competition received certificates, trophies to recognize their hard work and accomplishments. Beyond the rewards, the real value lay in the opportunity for students to engage with their peers, learn new skills, and gain confidence in their abilities as future Physician Assistants. The event provided an invaluable opportunity for participants to connect with mentors, develop new relationships, and receive feedback from experienced healthcare professionals.
