About the program

College of Allied Health Sciences, Faculty of Medicine and Health Science, SRMIST, TRC, Department of Physician Assistant, Care Crew Club organized Guest Lecture on behalf of "World Tuberculosis Day 2025" With the theme "Yes! We can End TB: Commit, Invest, Deliver" for Allied Health Sciences students on 28.3.2025 on 10 am -1.00 pm at SRM Auditorium.5

Speaker: Dr.S. Savithri MBBS, DTCD, Deputy Director of Medical Service (TB), Tiruchirappalli.

The purpose of the program is to raise awareness Our guest speaker delivered a comprehensive and engaging lecture that covered various aspects of TB, including its history, symptoms, diagnosis, treatment, and prevention.

The World Tuberculosis Day programme was a resounding success, with attendees praising the informative and engaging lecture.

Here are some highlights from the day:

Guest Lecture: The lecture, entitled "Awareness on tuberculosis", was delivered by Dr.S. Savithri MBBS, DTCD., a renowned physician who brought a wealth of knowledge and experience to the table. The guest lecture served as a powerful reminder of the ongoing global struggle against TB and the importance of continued education, innovation, and collaboration. It provided attendees with both critical information and inspiration to take action in their communities and healthcare settings.

EVENTS:

In celebration of World Tuberculosis Day, a series of exciting and educational student competitions were held to engage and inspire future healthcare professionals. These competitions not only allowed students to showcase their knowledge and skills but also provided an opportunity to learn through friendly competition and collaboration. To make the day more engaging, various student competitions were organized. These included:

- 1) PHOTOGRAPHY CONTEST - TB THROUGH YOUR EYES
- 2) REELS CHALLENGE - END TB

Winners of each competition received certificates, trophies to recognize their hard work and accomplishments. Beyond the rewards, the real value lay in the opportunity for students to engage with their peers and learn new skills. The event provided an invaluable opportunity for participants to connect with mentors, develop new relationships, and receive feedback from experienced healthcare professionals.
