About the program:

Date: 16 October 2025
Organized by: Department of Anesthesia Technology & Critical Care Technology
Institution: SRM Institute of Science and Technology, Trichy Campus

The **Department of Anesthesia Technology** and **Critical Care Technology**, College of Allied Health Sciences, SRM IST – Trichy Campus, successfully conducted World Anesthesia Day 2025 on **16th October 2025**. The event was celebrated with the theme **"Anaesthesiology in Health Emergencies"**

The program aimed to create awareness about the role of Anaesthesiology in Health Emergencies.

Morning Session – Offstage Competitions

Venue: 4th Floor, SRM Medical College
Time: 9:30 AM – 12:30 PM

The morning session was dedicated to a series of interactive and knowledge-gaining competitions designed around the Anesthesia theme. Students enthusiastically participated in the following events:

- **Model Presentation** – Evolution of anesthesia and advancement in anesthesia
- **Exhibition** – Evolution of anesthesia, modern anesthesia, and Anesthesia machine.
- **Reels competition** – To improve conceptual understanding of anesthesia principles through creative expression.
- **Word Search** – A quick-thinking game based on medical terms.
- **Competition** – Testing knowledge on anatomy and physiological functions of our body.

These activities encouraged active student participation and reinforced the importance of our body and anesthesia in a fun and engaging manner.

Afternoon Session – Onstage Program

Venue: SRM Auditorium
Time: 2:30 PM – 4:00 PM

The formal event began with a **Welcome Address** setting a vibrant tone for the session. Chief Guests were felicitated, followed by **lecture talks by eminent Anesthesiologist's**:

- **Dr. M M. Vijay Kanna, MD** – HOD -Department of Anaesthesiology
- **Dr. R. Kirubahar, MD** – Professor -Department of Anaesthesiology
- **Dr**. **V. Siva Prakash, MD –** Assistant Professor- Department of Anaesthesiology

The speakers delivered an insightful session focusing on:

- The **importance of Anaesthesiology during Health Emergencies** in saving lives during critical moments.
- **Real-life emergency scenarios** to demonstrate how timely intervention can significantly increase survival chances.
- Reinforcing the role of healthcare students and professionals as first responders in cardiac arrest and other emergencies.

Students and faculty highly appreciated this session, as it emphasized a **life-saving skill** that every healthcare professional should master. It was interactive, demonstration-based, and enriched with valuable clinical insights.

The event concluded with a **Prize Distribution Ceremony**, recognizing the winners of the morning competitions, and a **Vote of Thanks**.

Conclusion

The Anesthesia Day 2025 Celebration was a perfect blend of education, awareness, and engagement. It enriched students' understanding of anesthesia practice and patient safety while inspiring them to uphold professional excellence and compassion in their future careers. The department remains committed to organizing such meaningful and educational events in the years ahead.
