2025 Year in Review

WHILE THE NATIONS OF THE WORLD TODAY are under great stress and society struggles, we want to encourage you not to be downcast, but to **lift up your eyes to heaven!** Our Heavenly Father's plans are right on schedule for this world and the return of His beloved Son, when the kingdoms of this world will stop their nonsense, and He will reign over them forever.

In Asia we are seeing the kingdom of God rise in some places like Myanmar, Indonesia, and parts of India, with multitudes of people from unreached groups embracing the Gospel for the first time in history.

FRONT COVER: After 200 years of little progress, hardship and misery in war-torn Myanmar has humbled many people and caused the Gospel to explode among the 38 million ethnic Burmese people. Thousands of new believers across the country are renouncing idolatry, giving their lives to the Lord Jesus Christ, and being baptized.

In other countries, including China, the Church has been forced into a defensive posture by dramatic societal changes and persecution, but they are awaiting a time when they will again see powerful revival sweeping the land.

At the beginning of 2026, we give thanks for the opportunity to once again serve the Lord Jesus in Asia. **We greatly appreciate the prayers, encouragement, and support of Christians around the world** who have been led by the Holy Spirit to join hands with us. **Together**, we are helping many who have never heard the Gospel become aware of the incredible salvation the Son of God has won for them.

We invite you to **join us** on this journey as we continue to march forward, serving the Church in Asia. ☺

“The seventh angel sounded his trumpet, and there were loud voices in heaven, which said: ‘The kingdom of the world has become the kingdom of our Lord and of his Messiah, and he will reign for ever and ever’....

‘We give thanks to you, Lord God Almighty, the One who is and who was, because you have taken your great power and have begun to reign.’”

(Revelation 11:15-17)

BACK COVER: Those who prefer big church buildings and structured religious services may struggle with the reality of how revival spreads in many parts of Asia. In these pictures you will find a new believer being baptized in a way you may never have envisaged before! Asian Christians are highly adaptable, and they do whatever it takes to reach the lost and advance the kingdom of God, one life at a time.

Projects Supported in 2025

In the remainder of this newsletter we present our Annual Report, detailing the help *Asia Harvest* provided to the Body of Christ throughout Asia in 2025.

It has been a privilege to serve the Lord for another year. We feel greatly blessed to be a link in the chain that resulted in many people coming to know Him.

Last year, more than 530,000 Christian families were strengthened by God's Word through our *Asia Bible Fund*, while the 1,963 evangelists we supported led a total of 248,000 people to Christ among 1,305 different tribes and ethnic groups.

For more than 35 years, our strategy has been to operate with as few overhead expenses as possible, so that resources will reach the hands of frontline workers who need them the most—the Asian Christians we are honored to assist and serve.

We thank everyone who prayed for and supported our work last year.

Without your vital partnership none of these things would have occurred.

Our annual financial statements are independently audited and are available for anyone to view on our website. **We thank God that last year we were able to send out substantially more project money than we received.** Our operating costs are fully covered by non-project donations, and from income generated by book sales.

Asia is home to many groups where people have no access to God's Word, sometimes for decades. The **Asia Bible Fund** provides the Scriptures in numerous languages throughout China, Southeast Asia, the Indian subcontinent, and elsewhere.

In 2025, we printed and distributed **530,925** Bibles in **30** languages through the Asia Bible Fund. This works out to 1,455 Bibles per day, or **61** each hour throughout the year (one per minute).

For many people groups, it was the **first time in history** they had Scripture in their language. Many Bibles were the answer to years of prayer by desperate Christians who were hungry for God's Word but unable to access it.

Please pray for this project and for all who are involved. In 2025 we printed Bibles in the following **54** Asian languages, which was easily the record for the most different languages we have provided in a year:

Reaching Asia's Precious Children for Jesus

In addition to our normal activities of helping train Sunday school teachers and printing children's Bible storybooks and other materials, in 2025 we helped rescue many children who were at risk of being trafficked into prostitution, the drug world, and other crimes.

The faces of thousands of children now shine with love and the presence of God. We have assisted Christian families in getting free of debt and have provided food, medicine, and other essentials to help them get back on their own feet.

These precious children now have a bright future and hope instead of darkness and despair.

THE CHILDREN'S FUND

The *Asian Workers' Fund* is constantly expanding, and new workers are being recruited. We invite you to support one or more Asian missionaries with a gift of \$25/month each. A laminated prayer card is sent to every supporter of the project.

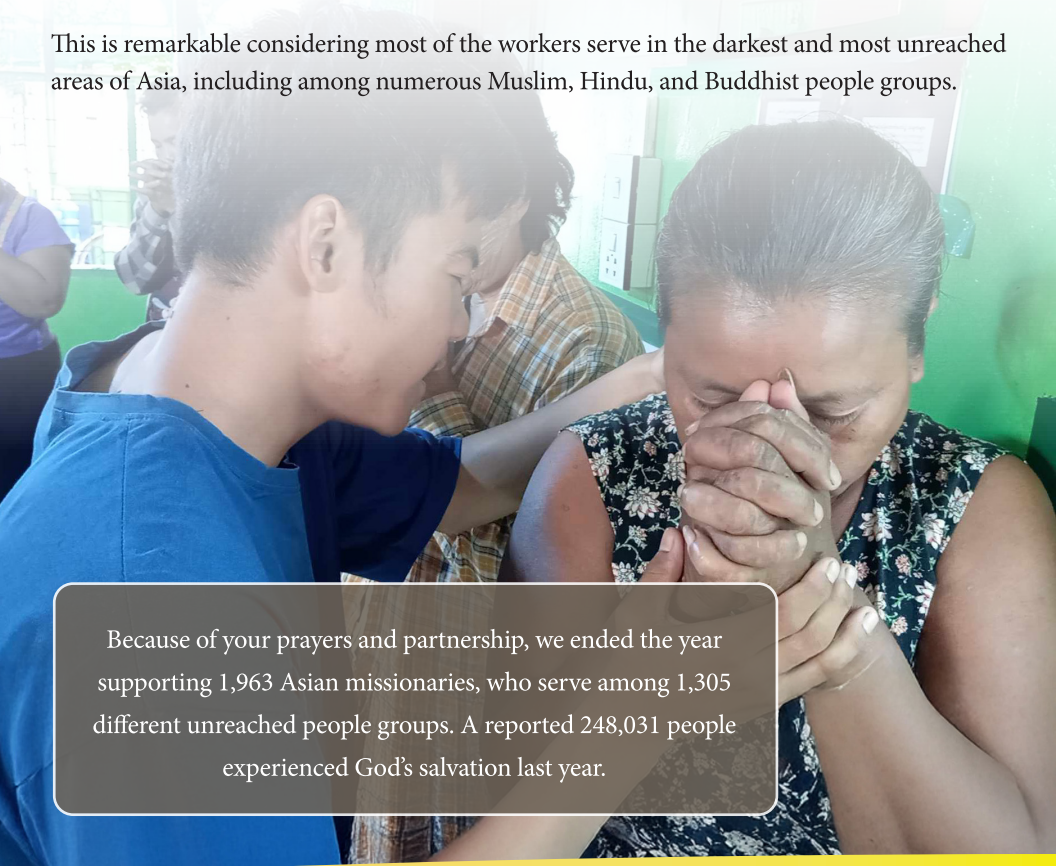

ASIAN WORKERS' FUND

Partnering with Pioneer Asian Evangelists

The *Asian Workers' Fund* supports Asian evangelists who are working among people groups that have never heard the Gospel. These workers encounter many hardships but have persevered, and are now seeing breakthroughs among many groups.

In 2025, those we support through this project reportedly led just under **a quarter of a million (248,031) people to salvation in Jesus Christ** (an average of 126 per worker). A total of **over 1.9 million** conversions have been reported since this project began. Hallelujah!

This is remarkable considering most of the workers serve in the darkest and most unreached areas of Asia, including among numerous Muslim, Hindu, and Buddhist people groups.

Because of your prayers and partnership, we ended the year supporting 1,963 Asian missionaries, who serve among 1,305 different unreached people groups. A reported 248,031 people experienced God's salvation last year.

Equipping Believers for Effective Service

MINISTRY TRAINING FUND

Thanks to your support we have helped the Asian Church train and equip 82,094 believers to effectively serve God, including 35,826 in 2025.

The *Ministry Training Fund* helps the Asian Church disciple and train believers to be effective ministers of the Gospel among the unreached. Often, Asian missionaries live in remote places and are only able to assemble a few times a year for ministry and leadership training. We cover travel, food, and other expenses associated with these gatherings. **To train each worker costs an average of \$50.** This project gives great impetus to our other projects, as those being trained become more effective evangelists, disciple-makers, Bible teachers, and children's ministers.

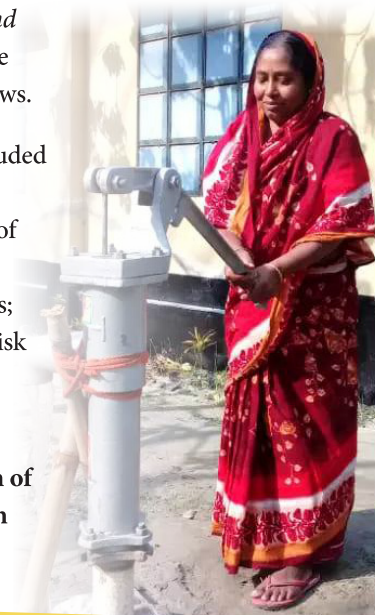

Transforming Lives From Ashes to Beauty

PERSECUTION & RELIEF FUND

We were privileged to help meet the physical and spiritual needs of thousands of people through the *Persecution & Relief Fund* last year. The Gospel is always shared with those who receive assistance, including hundreds of lepers, orphans, and widows.

The myriad of ways this project assisted people in 2025 included providing relief after floods, earthquakes, and other natural disasters; meeting the ongoing physical and spiritual needs of hundreds of lepers; providing dozens of motorcycles and bicycles for evangelists; the construction of fresh-water wells; funding sewing centers and vocational training for girls at risk of being trafficked; and holding medical clinics for the sick and impoverished.

Last year, thousands of people were added to the kingdom of God after they saw the love of Jesus demonstrated through the selfless acts of God's servants.

You can help support these dedicated workers for \$25 per month each. A prayer card and occasional updates are sent to all regular supporters of this project.

LIVING MARTYRS' FUND

**BECAUSE OF YOUR PARTNERSHIP WE ARE
CURRENTLY SUPPORTING 1,123 LIVING MARTYRS**

They and their families face extreme poverty and hardship. Through a gift of \$25 per month you can help support one of these living martyrs.

TCF

THROUGHOUT ASIA SO FAR**

The Children's Fund introduces children to Jesus in India, China, Vietnam, Indonesia, and a host of other Asian countries.

It costs an average of just \$10 to help reach a child for Christ.

PRF

PERSECUTION & RELIEF FUND

TRANSFORMING LIVES FROM ASHES TO BEAUTY WITH GOD'S LOVE

Over the years Asia Harvest has provided assistance to the victims of natural disasters that have struck Asia. In addition to providing aid through medicine, tents, blankets, food and water, rebuilding homes etc., the Christians we partner with take every opportunity to share the Gospel, and many people have come to know Jesus Christ.

This project also provides physical and spiritual relief to Christian lepers, communities and families throughout Asia who are in desperate need.
