Emerald Crossing VBS

Missions Moment

Bonnie and Tim Weaver are heading back to Zambia!

The Weavers have travelled to the village of Ndola the past two summers and have built such great relationships with the people there. It has been a gift it is to invest in this community year after year. Along with the essential medical services their missions team offers, Tim and Bonnie will be putting on VBS for the kids over there--songs, stories, and games just like you're doing this week!

The Weavers have come up with a few fun items they hope to bring over to Zambia this summer and we are so excited to partner with them by covering the cost.

Here's the goal:
\$800.00

This will be used to purchase a portable basketball hoop, coloring books, and copies of the book of Psalm for the kids.

This week at Emerald Crossing, we're learning that God is our Good Shepherd who cares for us and provides for us.

What a blessing it is to be a vehicle for His care and provision in the village of Ndola.

Consider giving!
