A Keepsake of Love

Precious Memories™

A Keepsake of Love

The desire to remember a lost loved one through mementoes and keepsakes goes back as far as human history. Whether it's a locket of hair, a photograph, a letter or some other personal item, we've always felt compelled to remember those who've left us with something we can see and touch long after they're gone.

Precious Memories™ are keepsakes that allow you to remember the one who has passed in a truly unique and powerful way — with a tangible imprint that captures the unique impression every life makes on our own. Captured from a biometrically scanned or inked fingerprint, handprint, or footprint, each one is both unique and everlasting - preserving in precious metal every line and contour for countless generations to come.

Any number of Precious Memories Keepsakes (including different styles and with different engravings) can be customized from the same impression.

We offer a beautiful variety of keepsakes to fit your needs and lifestyle, including:

- Pendants
- Cremation Keepsakes
- Earrings
- Armed Services Style Dog Tags
- Rings
- Tie Tacs
- Charms
