Your Funeral Director will always provide you with a clear estimate of Funeral Expenses both verbally and in writing once the Funeral Arrangements have been discussed. This price may change during the course of the arrangements if you chose to amend any details. At all times you will be kept informed of any changes to the cost.

We request for all Funeral Arrangements that payment is made in full at least 3 days prior to the funeral taking place.

We offer multiple methods of payment including cash, credit/debit card, cheque, bank transfer and funeral finance. (Subject to application)

If you are seeking assistance from the DWP to make a claim from the Social Fund please inform your Funeral Director.

If the account is being paid for directly from the deceased's bank, by a solicitor or insurance company we will require written confirmation of proof of funds. Failure to pay prior to the funeral day may result in the funeral being postponed. If you have any questions or concerns regarding payment please speak to your Funeral Director in confidence. We are here to help you.

If you fail to pay us in full on the due date we may charge you interest at a rate of 1.5% per month or part month the account is outstanding.
