"The Path to Healing Our Broken Hearts"

We all have been born into a broken world and it is inevitable that we will experience the effects of that brokenness in our relationship with ourselves, others and God. Jesus was born, suffered, died and rose from the dead so that we might know and experience the freedom and joy of a more abundant life. Lent is not just about preparing to celebrate Jesus resurrection, but to prepare our hearts and souls for our own resurrection. May this parish mission be for each of us an occasion of grace, to invite the Risen Lord to bring healing to our broken hearts that we may experience more of His mercy as we journey toward Easter with hearts made whole.
