GOOD QUESTIONS . OPEN TABLE .

**Faith & Fries**  
*Good Questions. Open Table.*

Sometimes the best conversations about life and faith don't happen in pews.  
They happen around tables.

That's the idea behind a new gathering we're launching at Community of Grace called **Faith & Fries**.

Faith & Fries is a relaxed opportunity to meet outside the church walls and talk about life, faith, and the questions many of us carry. No lectures. No pressure. Just conversation.

Each gathering begins with a simple question to spark discussion.

Our **first conversation** will center on this question:

**Does faith still matter?**

Does it matter in our daily lives?

In our communities?

In the world as it is today?

You don't have to have answers. Curiosity is welcome.

 **Thursday, March 19**

**(Monthly on the Third Thursday)**

 **7:00 – 8:30 PM**

 **Jim & Nick's BBQ, Lawrenceville**  
**(@ Webb Gin and Scenic Hwy)**

Faith & Fries is meant to be a **low-barrier gathering** — a place where people can explore faith honestly, whether you've been part of church for years or you're simply curious.

Grab some food. Pull up a chair. Join the conversation.
