DEPENDABILITY AND

Quality

Perfect Choice Exteriors has earned the reputation as one of the most trusted brands within the home improvement industry.

Each Perfect Choice Exteriors system is a reflection of our consistent quality and dedication to our customers. We are the bath remodeling company that you can depend upon for long-lasting, consistently performing products. Quick, hassle-free installations by our factory-trained and certified installation technicians make your remodeling project a breeze.

Always on top of the latest industry design trends, Perfect Choice Exteriors now offers Deco Trim Walls. Like our Reveal line, these modern inserts are laser-engraved. They come standard 20" in width and are available in three patterns: subway, 1" x 8" stacked or hexagon.

DURABILITY AND

Performance

Our bath remodeling solutions are engineered to custom-fit perfectly, perform consistently and last a lifetime.

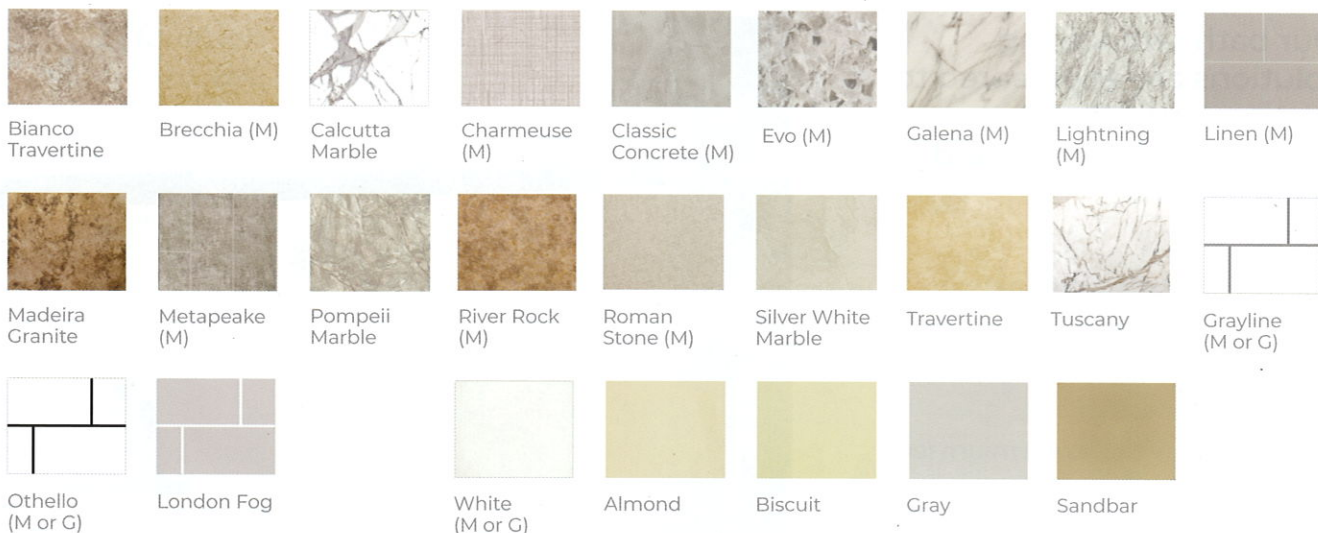

Our specially-blended, durable high-tech polymer is engineered specifically for use in the bath and shower area. Aesthetically, it provides you with the premium look of ceramic tile, granite and marble, minus the hassle, time or expense. Unlike tile, it is resistant to mold and mildew growth and is easy to clean and maintain. It also eliminates potential water penetration, making your new bath practically care-free.

Simulated Tile Wall Patterns and Decorative Trim Accents

Reveal, Othello, Grayline and London Fog Laser-Etched Tiles

Modern Accents

- Create a modern accent to your shower by inserting one of our Deco wall inserts. Available in subway, 1" x 8" stacked or hexagon pattern.
- Our contemporary Scalloped Accent Wall* provides rich textures in a wave form that enhances any smooth wall system.

Actual acrylic walls may vary from colors shown here. Othello=White face with laser-etched black substrate, Grayline has light gray grout lines. London Fog has a gray surface with white substrate. Reveal has a white substrate except for Almond=almond, Biscuit=biscuit, Gray=gray, Sandbar=sandbar. (Shown in Othello to demonstrate pattern) M=Matte, G=Gloss. NOTE: Color and pattern availability subject to change without notice.

*Scalloped Accent Walls cannot be used on plumbing walls.
