

ROOF FOR A VETERAN 2026

Perfect Choice Home Solutions

This Veterans Day, Perfect Choice Home Solutions is launching **Roof for a Veteran**, a community campaign created to give back to a local veteran homeowner who truly needs a new roof.

We are asking our community to nominate veterans whose roofs are leaking, aging, failing, or no longer properly protecting their homes. After nominations are reviewed, several finalists will receive an in-person roof inspection before one veteran homeowner is selected to receive a **complete roof replacement at absolutely no cost**.

How the Recipient Will Be Selected

This is **not a random drawing or popularity contest**.

Perfect Choice Home Solutions will review nominations based on factors including the condition and urgency of the roof, the homeowner's circumstances, genuine need for assistance, and whether the home is appropriate for a complete roof replacement.

Finalists will receive an in-person roof inspection before the final recipient is selected.
