Director Reports and Updates

- President - Megan:
 - WR Kickers Policies and Bylaws Manual
 - [2021 WRCYS \(Rapids Kickers\) Club Policy Manual](#)
 - Changes were reviewed with the members present. A final draft will be reviewed and voted on at the next board meeting.
 - Recommendations for playing time expectations
 - An issue was reported this spring of a Kickers team that used guest players for at least one game and then sat or limited play of players on the team. A question was raised whether we need to create playing time expectations.
 - CWSL rules state that guest players cannot bring the roster to more than 3 players over the number of players on the field. (ie. 7v7 with guest players can have no more than 10 on the roster for that game.)
 - It was decided not to create recommendations at this time and the Director of Coaching should address this issue if it continues to occur.
 - Randy will also review the CWSL rule with referees.
 - 3 v 3 Tournament
 - [Indoor Tournament](#)
 - Proposal for referee fees
 - U12 or under = \$10 per game, U13 and up = \$15 per game
 - Concessions in spring time
 - Rec soccer will run concessions this spring on Saturdays. They do not have enough volunteers to cover all of the hours. They approached Kickers to help run concessions and they would pay us.
 - The volunteer hours of Kickers parents would count toward non-tournament Kickers hours.
 - Chris will work with Rec to work out further details and bring further information to the next meeting.

- Review WYSA Coaching policy - additional attachment
- Coaching Contracts
 - [W Coach Agreement .docx](#)
 - What are the expectations from our Board if they are not signed?
 - A Motion made that coaches who do not sign the coaching agreement will not receive any reimbursement or stipends for the season.
