

NOW HIRING: SKILLED DEMOLITION WORKERS

At 204 Demolition & Salvage, we take things apart so great new things can rise in their place. We're building a team of highly skilled, safety-minded tradespeople who take pride in their work. If you are an experienced millwright, welder, fitter, fabricator, torcher, carpenter, scrap metal processor, boilermaker, ironworker, or scaffolder – we want to hear from you!

**This is not an entry-level labourer position.
We are looking for experienced workers with trade or demolition backgrounds.**

As a Skilled Demolition Worker with 204 Demolition & Salvage, you'll take on a key role in the safe and efficient completion of demolition projects. This position requires strong hands-on skills, attention to detail, and a commitment to safety. You'll work both independently and as part of a skilled, team-oriented crew to carry out complex demolition tasks that prepare sites for reconstruction and redevelopment.

Key Responsibilities

- Perform more technical tasks involving the dismantling and removal of structural elements, including steel and reinforced concrete beams, columns, and supports
- Safely operate and maintain power tools, such as breakers, cut-off saws, torches, and other handheld equipment
- Work from blueprints, site plans, or supervisor instructions to complete demolition tasks
- Assist with site preparation, including setting up barriers, signage, and protective coverings
- Follow health and safety regulations, including proper use of PPE and hazard controls
- Maintain a clean, organized, and safe work environment at all times

Qualifications & Experience

- Minimum 2 years experience in demolition, construction, related trades, or equivalent transferable skills
- Proficient in the safe use of hand and power tools
- Knowledge of material handling, rigging basics, and equipment safety
- Solid understanding of demolition methods and job-site safety
- Comfortable working in physically demanding environments
- Experience on commercial and/or industrial job sites is an asset
- Experience operating powered equipment and related certifications is an asset

Why Join 204 Demolition and Salvage

- Competitive wages based on demonstrated skill level, experience, and certifications
- Opportunities for advancement within a growing skilled trades team
- A respectful and inclusive workplace that values diverse skills and experience
- Hands-on work on diverse and challenging demolition projects across Manitoba

READY TO JOIN THE CREW?

We're looking for experienced, capable workers with proven skills. We encourage applicants with relevant experience or transferable skills to apply, even if they don't meet every requirement. When applying, please include:

- Your hands-on experience
- Equipment you've operated
- All relevant certifications
- Your wage expectations

NOW HIRING: SKILLED DEMOLITION WORKERS

**Apply now by sending your resume and any relevant certificates to hr@204demo.com.
Please include "Skilled Demolition Worker" in the subject line.**

204 Demolition & Salvage is committed to fostering a diverse and inclusive workplace that reflects the communities we serve. We welcome applications from individuals of all backgrounds, including Indigenous Peoples, racialized persons, women, persons with disabilities, and members of LGBTQ2S+ communities. Applicants are encouraged to self-declare when applying.

204 Demolition & Salvage is committed to an inclusive and accessible hiring process. If you require accommodation at any stage of the recruitment process, please let us know and we will work with you to meet your needs. All information received as it relates to accommodation will be kept confidential.
