HOW THE PLANS WORK

The \$25 acceptance fee is non-refundable and is collected at registration, separate from the installment plan. The remaining program balance is divided into the plan's installments, each due the **last day of the month**, beginning **May 31, 2026**.

PLAN LENGTH BY PROGRAM

8-Month Plan (May – December): All FAL, EDP/N1, NAL, and SEFPL programs.

7-Month Plan (May – November): MLS Next, GA Aspire (U12 and Senior Academy).

Pay-in-Full: Available for any program as a single payment of the annual fee.

NOTES

Installment amounts are exact to the cent; the first installment carries any rounding remainder so the schedule totals the exact program balance. Annual fees already include the \$400 City of Coral Springs RFP Compliance Fee, less the Springs Soccer Club subsidy applied to every family. Financial aid is available.
