Be Part of Buffalo's Future — Sponsor the 8th Annual TSC on TAP!

On behalf of The Service Collaborative, I'm pleased to invite you to partner with us as a sponsor of TSC on Tap 2026, taking place on Thursday, October 1, 2026 at Resurgence Brewing Company.

TSC on Tap brings together community leaders, alumni, supporters, and partners for an evening celebrating service and the individuals who are helping to strengthen Western New York. The event highlights the impact of The Service Collaborative's work while raising critical funds to sustain our programs.

Through our workforce development initiatives — including ABLE Early Childhood, Buffalo Service Corps, and YouthBuild Buffalo — The Service Collaborative helps individuals build the skills, confidence, and connections they need to pursue meaningful careers. Our programs focus on whole-person support, recognizing that workforce success requires not only training and education, but also mentorship, stability, and community.

Support from partners like you ensures that these programs can continue to create opportunities for individuals while strengthening our region's workforce and community leadership pipeline.

We would be honored to have your organization join us as a sponsor of this year's event. Enclosed you will find sponsorship opportunities that offer meaningful visibility while demonstrating your organization's commitment to building a stronger Western New York.

Thank you for considering this opportunity to invest in the work of The Service Collaborative. I would welcome the opportunity to speak with you about how your organization can partner with us for TSC on Tap 2026.

Join us on October 1 at Resurgence Brewing Company. Sponsor. Celebrate. Make a difference.

Feel free to contact me directly to sponsor TSC on TAP!
