Next Meeting
Monday, July 14 at 6:00 pm
Sugar Grove Public Library

The Sugar Grove Beautification and Gardening Committee got off to a great start! It was fantastic to see so many enthusiastic community members come together to share their love for gardening and learn more about the Committee and native gardens.

A special thank you to Kathleen Carr for her engaging presentation on the importance of pollinator gardens. She motivated attendees to consider creating

their own gardens to attract pollinators.

We're also grateful to Midwest Groundcovers for their generous donation of Orange Butterfly Weed. This plant adds beautiful color to our gardens but also provides a vital resource for butterflies and other pollinators. 🦋

Thank you to everyone who joined us; your participation made this meeting successful!

The next Beautification and Gardening Committee meeting is scheduled for Monday, July 14, at 6:00 pm. The meeting is being held at the Sugar Grove Library.

Water Conservation Rules in Sugar Grove

To ensure that there is an adequate water supply for drinking, bathing, and fire protection this summer, all residents are encouraged to comply with the Village's water conservation ordinance. Water conservation measures are an essential first step in protecting our water supply. To view the restrictions, visit irp.cdn-website.com/.../Water-Conservation.pdf

Don't Forget the Water Conservation Rules

Water restrictions apply year-round to all properties connected to the Village of Sugar Grove Water System.
