Village of Sugar Grove and Sugar Grove Township Coordinate Short-Term Safety Measures for Hankes Road Bridge

SUGAR GROVE, Ill. (March 4, 2026) – The Village of Sugar Grove, Sugar Grove Township, and Township Road District met today and have agreed to take coordinated short-term action to address immediate safety concerns at Hankes Road Bridge.

Beginning tomorrow, weather permitting, the Village Public Works and Township Road District teams will jointly conduct pothole-filling and maintenance to improve drivability and reduce hazards for residents. In addition, the Township and Village have agreed to continue working together on a long-term solution for the future of the bridge.

“These steps reflect our shared commitment to resident safety while we continue discussing long-term solutions,” said Village President Stillwell.

The Village will continue to provide updates as additional information becomes available.
