Sugar Grove Takes First Place at WATERCON for Best Tasting Water in the State

The Village of Sugar Grove, recognized for having the best-tasting water in Kane County, proudly showcased its award-winning water sample at WATERCON, a conference dedicated to celebrating water quality and conservation. After a thorough evaluation by judges, Sugar Grove's water stood out, earning the title of Best Tasting Water in the State of Illinois. This impressive achievement paves the way for participation in the national contest at the ACE Conference in Washington, D.C.

IL 47 and Park Avenue Improvement Update

All concrete work is now complete. Over the next two weeks, new signage, striping, and paving will be installed. The project is scheduled for completion on May 22. These upgrades will significantly improve safety for all Sugar Grove residents.

Arbor Day at Veterans Park

On Friday, April 24, 2026, we celebrated the future of our community by dedicating a new baby Oak tree in Veterans Park!

We were honored to have President Sue Stillwell read a special proclamation that reminded us of the importance of nurturing our local environment.

This new oak was planted to join the several majestic oak trees already in the park—some of which are over 200 years old! We are planting for the future, ensuring these magnificent trees continue to grace our park for generations to come.

A huge thank you to the Public Works Team for their hard work in preparing the site and planting.

A very special thank you to Doty Nurseries LLC for the generous donation of this Oak tree.

Why Oak Trees?

Oak trees are environmental powerhouses, supporting over 2,300 species and 200 kinds of pollinators. By planting an oak, we are strengthening our local ecosystem and providing a home for wildlife.

Veterans Park Clean Up

On April 13, 2026, the Beautification and Gardening Committee worked hard at Veterans Park, mulching, adding soil and flowers to the containers, and preparing the site for a perennial pollinator garden to be planted in June.

Thank you to all the volunteers, you made this event a success!
