**Grand Opening of the Sugar Grove Police
Department: A New Era for Community Safety**

The excitement is building as we prepare for the grand opening of the new Sugar Grove Police Department. After months of meticulous planning, the new facility will officially open its doors on Saturday, October 17, 2026, from 10:00 AM to 2:00 PM at 10 Municipal Drive.

The event will feature a ribbon-cutting ceremony, guided tours of the state-of-the-art facility, and a unique opportunity for residents to meet the dedicated officers who serve the Village. This new space reflects the community's needs and is designed to enhance safety and services in Sugar Grove.

"We're incredibly grateful for the support of our Village Board and residents throughout this journey," said Police Chief Pat Rollins. "Our commitment was to build a space with our community in mind, and we can't wait to welcome everyone to see the new department."

For those unable to attend the main event, a pre-grand opening open house will be held on Thursday, October 15, 2026, from 5 PM to 7 PM, allowing residents to view the facility before the official celebration.

This opening marks not just the debut of a new building but the beginning of an enhanced partnership between the Sugar Grove Police Department and the community it serves. Everyone is encouraged to join in the festivities and celebrate this significant milestone.

Hankes Road Bridge Phase II Engineering

The Hankes Road Bridge Project is currently in Phase II of engineering, which involves detailed planning and preparation for the upcoming construction. During this critical phase, Sugar Grove Township and the Village of Sugar Grove are collaborating to ensure the bridge's safety and accessibility. To that end, they will jointly patch the bridge to address existing issues until construction officially begins. This proactive approach aims to maintain the bridge's structural integrity and provide a safe passage for all community users while they wait for the full-scale renovation to begin. Residents can expect updates as the project progresses and are encouraged to remain informed about any temporary changes or improvements affecting local traffic.

Village Code at Your Fingertips: Know the Rules, Plan with Confidence

Have you ever wondered about the specific rules that keep our community safe, beautiful, and running smoothly? Whether you are planning a home renovation, looking up regulations for a new business, or just curious about local ordinances, the answers are right at your fingertips.

The complete **Village of Sugar Grove Village Code** is fully accessible online for all residents and business owners.

What is the Village Code?

The Village Code is a comprehensive collection of laws, ordinances, and regulations adopted by the Village Board. It governs everything from property maintenance and zoning laws to public safety, building standards, and local licensing.

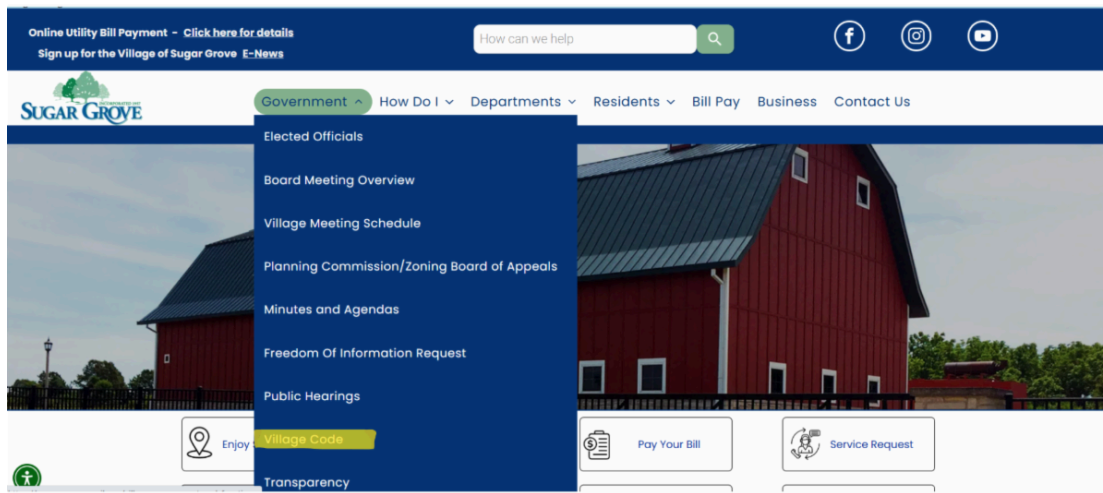

Why Access It?

Knowing where to find the Village Code can save you time and help you plan your next project with confidence. Residents frequently use it to look up:

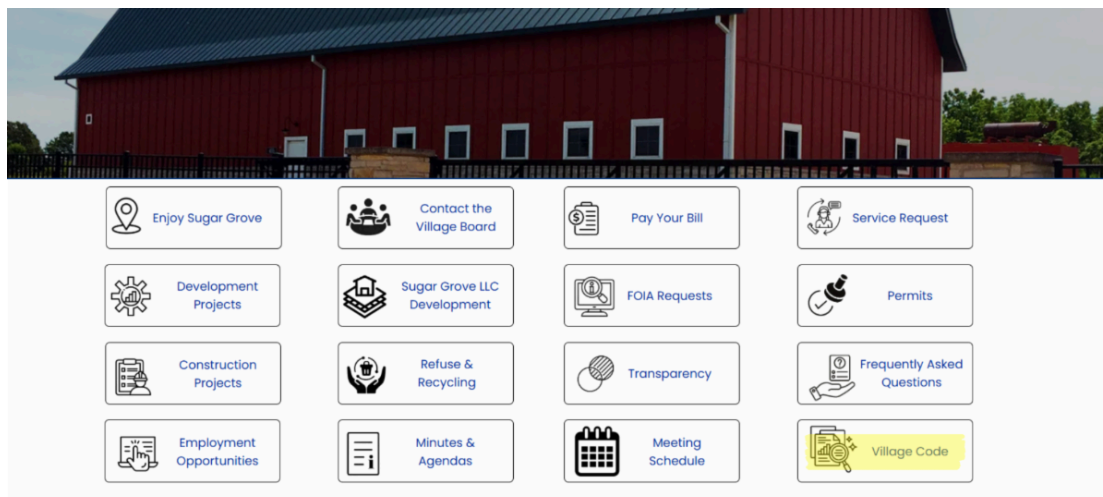

- Property Regulations: Guidelines on fences, sheds, land use, and setbacks.
- Animal Rules: Ordinances regarding pets, noise, and leash laws.
- Business Guidelines: Permitting, signage rules, and commercial zoning.

How to View the Village Code

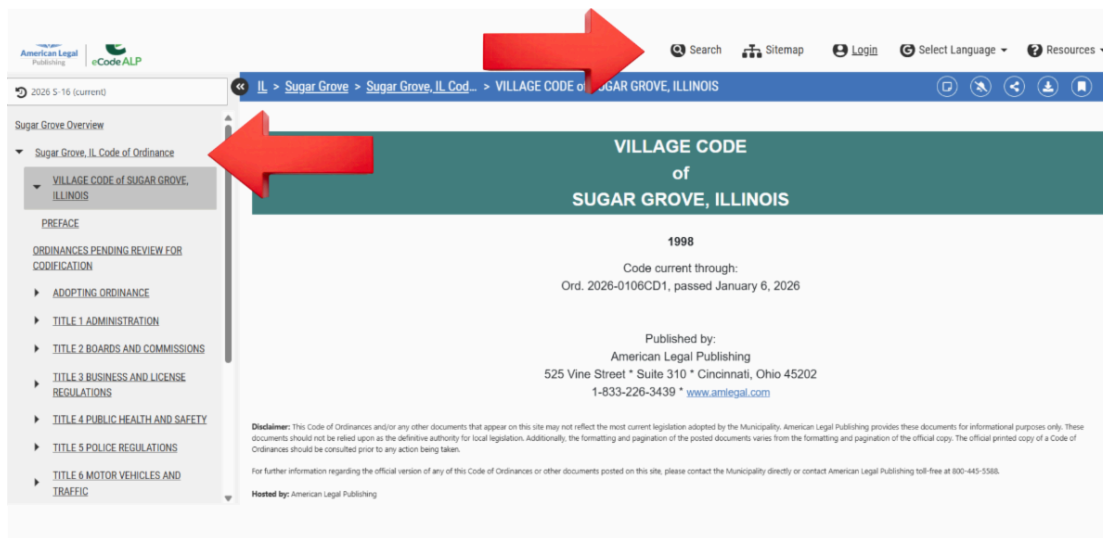

- Step 1: Visit the official website www.sugargrove.gov.
- Step 2: Navigate to the "**Government**" tab and select "**Village Code**" or select the "Village Code" quick link button on the front page of the website.

or select the "**Village Code**" quick link button on the front page of the website.

- Step 3: Browse the table of contents or use the search bar to find exactly what you need.

Staying informed helps us work together to keep Sugar Grove a wonderful place to live and work. The next time you have a question about local regulations, skip the guesswork and check the online portal! Of course, we are always available if you have questions; call 630-391-7220 or email vcclerk@sugargroveil.gov. We're happy to help.
