Meet our Apprentice Dancers

Our Apprentice Dancers are rising performers who bring enthusiasm, curiosity, and tremendous potential to the Atlantic City Ballet stage. These international artists are refining their technique, exploring their artistic voices, and gaining invaluable professional experience as they train alongside the company dancers. Guided closely by Founding Artistic Director Phyllis Papa, they learn to merge precision with expression, developing the skills that will shape their future careers in dance.

As they take part in productions ranging from beloved holiday favorites to dramatic story ballets, the apprentices contribute a vibrant energy that enhances every performance. Their hard work, determination, and growing artistry make them an essential and inspiring part of the Atlantic City Ballet family.
