

Note from an anonymous parishioner:

Dear Fellow Parishioners and visitors, as we celebrate the 800th anniversary of the death of our patron, St. Francis of Assisi, we are reminded that all of creation sings the glory of God-the wind through the trees, the songs of birds, and the voices of His people raised in prayer.

In that spirit we are grateful to offer a Challenge Grant toward the procurement of the pipe organ and upgraded sound system for our parish. We hope this gift will inspire others to join us so that, together, we may create an instrument whose music will lift hearts to God for generations to come.

Like the harmony found in nature, every gift-large or small-has a place in creating something beautiful. May we answer this invitation together, giving thanks for God's many blessings and leaving a legacy of faith for those who follow.
