

# ROOTED + GROWING Resilient IN IMPACT

## Threads of Hope: Stories Being Rewritten Hands creating, hearts restoring, lives renewed

**Matthew 25:36** *"I was in prison, and you came to visit me."*

Thanks to you, your prayers, generosity, and commitment, we continue to support these young people in their reintegration journey and have observed significant progress in their development.

Your support transforms lives and opens new opportunities for a brighter future.

### **Participant Creations**

Two of the young people we are assisting through the Prison Ministry program created two bags that reflect their identities and personal journeys.

These creations helped them develop:

- A sense of importance and self-worth, in line with Galatians 6:4: *“Each one should test their own actions. Then they can take pride in themselves alone, without comparing themselves to someone else.”*
- Creativity and personal expression, gifts to be shared with others.
- Project management skills, from idea to final creation, building confidence and motivation, reflecting the spirit of encouragement in 1 Thessalonians 5:11: *“Encourage one another and build each other up.”*

### Workshop Projects

To further support the personal and professional growth of the participants, we are exploring the creation of a workshop program that will focus on:

- Technical skills: crafts, painting, and design.
- Personal development: project management, self-confidence, and creative expression.
- Cohesion and collaboration: group work, sharing experiences, and mutual support, reflecting Ecclesiastes 4:9-10: *“Two are better than one... if either of them falls, one can help the other up.”*

These workshops will be spaces for growth, where each young person can develop skills, create, succeed, and envision a brighter future, while fostering a sense of belonging and living out biblical values of solidarity and support.

Your support enables these young people to turn their ideas into tangible achievements. We hope to continue guiding them so they can grow, create, and flourish fully, in the spirit of love, generosity, and service taught in the Bible.

Together, let us continue to believe in restoration and transformed lives!

With gratitude,
