

ROOTED + GROWING Resilient IN IMPACT

A Faithful Servant of Haiti Teen Challenge Celebrating the Life, Love, and Legacy of Manman Diela

Today, we pause with gratitude and deep affection to honor the life and legacy of our beloved Women's Center House Mother, Diela Toussaint, affectionately known as "Manman Diela".

From the very beginnings of **Haiti Teen Challenge**, Manman Diela was more than a faithful presence; she was family. Through seasons of growth, challenge, prayer, and transformation, she served with quiet strength, compassion, and unwavering dedication. Her life became a reflection of Christ's love for so many who walked through our doors.

Over the years, her journey continued at the Women's Center, where her kindness, wisdom, prayers, and motherly heart touched countless lives. To many, she was not simply a staff member or volunteer. She was "Manman" — a comforting presence, a listening ear, a steady hand, and a reminder that healing often begins with love.

While our hearts grieve her absence, we do not grieve without hope. We rejoice in the assurance that those who belong to the Lord will one day meet again in glory. The seeds she planted through her faithfulness, encouragement, and service will continue to bear fruit for generations to come.

Her legacy lives on in every restored life, every word of encouragement she spoke, every prayer she whispered, and every soul she helped guide closer to Christ.

From the Women's Center:

"Manmie Diela was a very approachable and straightforward person, a woman of prayer, full of faith and deeply devoted to God. She never missed an opportunity to testify to God's goodness in her life, and her journey truly reflected that of a servant of God."

"She had the ability to speak wisely on many subjects. She was an excellent counselor and always carried out her work with great seriousness and responsibility."

"Manmie Diela leaves a great void in the hearts of all those who had the privilege of knowing her. However, she remains present in our thoughts and hearts through the legacy she leaves behind: her courage, her wisdom and counsel, her generosity, and above all, her example as a devoted servant in the service of the Lord."

Thank you, Manman Diela, for loving so well, serving so faithfully, and leaving behind a testimony of grace that will not be forgotten.

"Precious in the sight of the Lord is the death of His saints." — Psalm 116:15

Until we meet again.

One of the greatest ways we can honor Manman Diela's memory is by continuing the mission she embraced with such faithfulness.

Every life restored, every family reunited, every young person equipped for a brighter future is part of the legacy she leaves behind.

If you would like to celebrate her life in a meaningful way, we invite you to **support the ongoing work of Haiti Teen Challenge**. Together, we can ensure that the hope she shared with so many continues to reach those who need it most.

Her work may be finished, but the impact of her life continues.
