

ROOTED + GROWING Resilient IN IMPACT

📷 No Photos! Just God at work! 📷

Confession time: I am one of those people who rarely ends up with photo mementos of events. Why? Because I'm such an "in the moment" person that I often forget to capture or record what's happening! A former Prime Minister of Haiti once said, *"When you don't hear from me, it's because I am working."* While it became a tongue-in-cheek meme at the time, that line has stuck with me since.

And when you *do* hear from me, it's often with the same reminder: **God is at work — because He truly is!**

Just look at the last two weeks alone:

- September 18 – A beautiful joint chapel service between Haiti Teen Challenge and Minnesota Adult & Teen Challenge.
- Women's Center – The purchase of a much-needed facility that will bless and empower countless women.
- September 28 – The official launch of our Prison Ministry, bringing hope and dignity behind bars.
- ...and a couple more exciting updates!

So, you can expect a few "rapid fire" messages from me in the coming weeks — each one further affirmation that God is indeed working at Haiti Teen Challenge and moving powerfully in Haiti!

Looking forward to sharing more with you — stay tuned! 🙌

Blessings!
