

ROOTED + GROWING Resilient IN IMPACT

Missing!

I am asking for your **urgent prayers** for Miché ("meeshay") D'or, a graduate of the 21st promotion of Haiti Teen Challenge, who received a full scholarship from HTC to study mechanics at the Diesel Institute. Miché has been reported missing. At this time, details are limited, but we are standing in faith and trust in the Lord for his safety and swift return.

Every day here is a battle. Our graduates and staff face violence, displacement, and the threat of false accusations. We are asking you to cry out to our Father with us, **"No more, No more, No more!"** No more violence for these young men and women. No more sorrow for the nation of Haiti ."

The enemy is fighting hard, but when we pray and work together, God is able to accomplish infinitely more than we might imagine. In fact, 2 Corinthians 12:9 says, "His power works best in weakness."

Thank you for holding on to these truths with us. May the peace of Christ cover these incredible men and women, and may God guide our every effort to locate Miché.

In faith,
Pastor Julio Volcy
President & CEO
Haiti Teen Challenge

*"For the eyes of the Lord are on the righteous,
and His ears are open to their prayers." – 1 Peter 3:12*

Thank you!
**Your help makes an immediate and eternal difference,
and shows these young men and women they are worth fighting
for.**
