## URGENT REQUEST FOR PRAYER

God's holy people,

I am sending this request to you because I know you stand with me and your brothers and sisters in Haiti. We are facing an intense spiritual battle. Our struggle is not against flesh and blood, but against the powers of this dark world and our most powerful weapon is prayer. So I am asking for you to **earnestly pray for Haiti**.

This is a very difficult week in Haiti. The suffering of the Haitian people is increasing every day. Thousands in and around Port Au Prince have been forced to leave their homes because of the gangs. Many women and children are sleeping in the streets without protection, food or water.

Pray for the gang members. Most of these young men are caught up in this chaos because they see no other way. They are being used and manipulated by others seeking power. Pray for their hearts to be changed and for them to know that only Jesus can set them free.

Please pray for the security forces. Pray that they will stay resolved and steadfast in their mission as they deal with the tragic passing of one of their own, (a 26 year old Kenyan). Pray for their protection and that they will have the support they need.

Pray for Godly leadership in Haiti. Pray that amongst the leaders, the Prime Minister and Transition Presidential Council (CPT), there will be confession, forgiveness, reconciliation and justice so that peaceful dialogue can begin.

Pray for unity and that the Church will be the "hands and feet" of Jesus to the vulnerable and lost Haitians who have fled their home and are living on the streets.

Pray for Haiti Teen Challenge and Rendezvous Christ Church as we partner with other churches and ministries to bring supplies and help to those most vulnerable.

I am convinced your prayers protect us and enable us to keep going. I continue to believe that our battle is great because God will be victorious and that Haiti will be a witness to the world for HIS GLORY.

Julio
