

# ROOTED + GROWING Resilient IN IMPACT

## Giving of Thanks for Freedom

---

As we enter this season of Thanksgiving in the United States, our hearts are full.

We pause to thank God for His faithfulness and to thank *you*—our donors, partners, and friends—whose generosity makes this ministry possible. Your prayers, encouragement, and sacrificial giving continue to open doors that only God can open.

This year, we have a special reason to give thanks. Through the work of our newly launched Prison Ministry, a 26-year-old young woman (\*\*name withheld for security reasons\*\*) who had been incarcerated for over 17 months without hope finally walked out of prison—free.

Our team advocated for her case, prayed with her, stood by her family, and witnessed God move in a powerful way. Today, she has returned home, reunited with her loved ones, and we have provided her with the resources she needs to begin her journey of restoration! Glory to God!

Her story is one of many reminders that **your support changes lives**. When you give, you are not simply funding a program—you are helping men and women encounter dignity, hope, and the transforming love of Jesus Christ.

As we look ahead to the end of the year, we invite you to partner with us once again. Your Thanksgiving gift—large or small—will help us continue expanding the Prison Ministry, support our students in the Men's and Women's Centers, strengthen our teams on the ground, and reach even more individuals with the Good News.

If the Lord places it on your heart, please consider making a special donation today.

Together, we can continue to witness testimonies like hers—lives redeemed, families restored, and hope reborn.

HAPPY THANKSGIVING!
