

ROOTED + GROWING Resilient IN IMPACT

URGENT: The Cost of Caring is Rising

Dear Friend,

Today, we face a growing challenge. The cost of caring for the men and women at Haiti Teen Challenge continues to rise, and we are currently more than **\$179,000 behind** in meeting this year's ministry needs.

Food costs alone have increased nearly **18%**, adding more than **\$16,500** in expenses through July. Fuel costs continue to climb as well. We have cut expenses wherever possible, reducing vehicle use and moving to a four-day office schedule, but there is only so much we can do.

The reality is simple:

People still need meals.

Lives still need hope.

Ministry must continue.

That's why we're asking for your help today.

Will you make an urgent gift to help provide food, shelter, discipleship, education, and the hope of a transformed life through Christ?

- **\$40 helps provide food and daily essentials.**
- **\$100 helps offset rising operating costs.**
- **\$500 helps meet critical ministry needs.**

Every gift makes a difference. Together, we can ensure that rising costs never stand in the way of changed lives. You really can help us keep moving. Your partnership helps us EQUIP men and women, MOBILIZE others around the mission, and SUSTAIN the ministry as we make room for God to TRANSFORM lives.

Won't you join us in that work?
