WELCOME

Welcome to the new All Shires Foods Catalogue.

Our Catalogue is organised into four clear categories — **Chilled, Ambient, Frozen and Non Food** — making it easier than ever to find exactly what you need.

At All Shires Foods, we are proud to be a thriving, independent food wholesaler offering a wide range of high-quality products at competitive prices. What truly sets us apart is our commitment to exceptional customer care — we go the extra mile so you can confidently focus on your business.

As part of our ongoing growth, we've recently refreshed our brand to reflect our modern, forward-thinking approach. We've also invested heavily in new vehicles and infrastructure to ensure we continue to deliver the reliability and flexibility our customers depend on.

Our dedicated Sales team is always on hand to support you throughout your foodservice journey. For additional convenience, our 24/7 answerphone service allows you to place orders at any time, for next-working-day delivery.

We operate from a modern, purpose-built distribution centre in Nottingham, supplying customers across the surrounding counties. As our customer base expands, so does our delivery area — so if you're outside the region and looking for a trusted supplier, we'd be delighted to discuss how we can help. Depending on your location, we offer up to **five deliveries per week, Monday to Friday**, with a minimum order value of **£50** and **no delivery charges**. Customers placing smaller orders can take advantage of our convenient click-and-collect service via our App or website.

With more than **2,500 products** — and new, innovative additions arriving regularly — we stay ahead of market trends to ensure you always have access to the latest and best options. And if there's something you can't find in our Catalogue, please let us know; we're always happy to help find what you need.

Thank you for choosing All Shires — **your dedicated foodservice partner.**

The perfect indulgent combination

A modern twist on the classic bacon buttie

Spicy Chilli Bacon Naan

Smoked back bacon
encased in a warm naan
with lashings of spiced chilli
jam. It's seriously good.

“Your bacon is just brilliant, so tasty and the quality is great. In fact, I would say it’s the best bacon around. Just outstanding. 10 out of 10!”

Know your allergens

All food businesses are legally required to let their customers know if any of their dishes or items contain one or more of the 14 major food allergens. This can be done via labelling or menus, but the information must be clear.

Cereals Containing Gluten

Wheat, rye, barley and oats are often found in foods containing flour, some baking powder, batter, breadcrumbs, cakes, couscous, meat products, pasta, pastry, sauces, soups and some fried food.

Sesame
