1. Policy Statement

Ógras is committed to the protection and welfare of our members. As part of this commitment Ógras will comply with relevant legislation and recommended best practice in recruitment and selection procedures for both employees and volunteers, and will conduct Garda Vetting, where appropriate, as part of this process.

2. Purpose

The purpose of this document is to provide information and guidance on Garda Vetting procedures within Ógras.

3. Scope

This policy applies to Ógras employees and volunteers who will carry out “relevant work” with children and/or vulnerable adults as defined in the National Vetting Bureau (Children and Vulnerable Persons) Act 2012. (See Appendix). Responsibility for ensuring this policy is effectively implemented rests with Stiúrthóir Ógras. All other staff members and volunteers in Ógras are expected to facilitate and support the implementation of this policy.

4. Glossary of Terms and Definitions

Garda National Vetting Bureau (GNVB) – The Garda National Vetting Bureau (GNVB) is responsible for vetting under the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012-2016, Article 10(3) EU Directive 2011 / 93 / EU Criminal Records (Exchange of Information) Act 2019.

Garda Vetting: This is the process by which the NVB discloses details regarding “prosecutions, successful or not, pending or completed, and/or convictions” in respect of an individual and with that individual’s consent to their prospective employer and/or the organisation with which they wish to volunteer. (Please note, unsuccessful convictions may not be disclosed.)

The Youth Work Garda Vetting Consortium

AND

The **Relevant Organisation (Affiliate)** – Ógras hereafter referred to as the **Consortium Member**.

The “Consortium Member”

Is the Relevant Organisation using the services of the Registered Organisation to vet prospective employees and volunteers and to re-vet employees and volunteers, in relevant roles, every three years.

The “Vetting Act”

Refers to the National Vetting (Children and Vulnerable Persons) Act 2012-2016. 1.4 The “Data Protection Act” means the Data Protection Acts 1988, 2003, 2011, 2018.

The “Garda Vetting Officer”

Is appointed by a senior executive of Ógras to act as primary contact with the National Youth Council.. Vetting disclosures will only be communicated to the Garda Vetting Officer – Maedhbh Ní Dhónaill, Stiúrthóir Ógras

Natural Justice - There are essentially two sections to the Rules of Natural Justice, the first being derived from the Latin maxim "audi alteram partem" (let the other side be heard). This is the duty to allow persons affected by a decision to have a reasonable opportunity of presenting their case. The second part of the Rules of Natural Justice is derived from the Latin maxim "nemo iudex in causa sua" (no one can be the judge in his own cause). This gives rise to a duty to act fairly, to listen to arguments, and to reach a decision in a manner that is untainted by bias.

Child – a person under the age of 18 years.

Vulnerable Adult – a person, other than a child who – is suffering from a disorder of the mind, whether as a result of mental illness or dementia; has an intellectual disability; is suffering from a physical impairment, whether as a result of injury, illness or age, or has a physical disability, which is of such a nature or degree as to restrict the capacity of the person to guard himself or herself against harm by another person, or, that results in the person requiring assistance with the activities of daily living including dressing, eating, walking, washing and bathing.

5. Principles

Garda Vetting is just one of a number of elements that Ógras implements to ensure the protection and safety of the children and/or vulnerable adults in Ógras's care. Appropriate recruitment screening (including interviews, reference checking), child protection and health and safety procedures, etc. will be implemented along with Garda Vetting.

An individual will not work / volunteer with children or vulnerable adults in Ógras until their Garda vetting has been completed and the results conveyed to the organisation's Garda Vetting Officer by the Liaison Person.

Having a criminal record will not automatically exclude an individual from employment/volunteering. Decisions on whether to involve an individual with prior criminal convictions will take into account:

- the individual's abilities, skills, experiences and qualifications;
- the nature of the conviction and its relevance to the job;
- the length of time since the offence took place;
- the risk to the service users, employees and organisation;
- training which may have occurred since the time of the individual's offence

Ógras will employ a Natural Justice framework in dealing with any disclosures of convictions.

6. Vetting Applications Process

All vetting applications for employment/volunteer roles with Ógras shall be processed by a Liaison Person who is trained by the National Vetting Bureau in the management of Vetting applications and disclosures. Ógras has appointed the National Youth Council of Ireland (NYCI) to act as Liaison Person on its behalf.

Ógras will nominate one staff member to act as the 'Garda Vetting Officer' (GVO)– Stiúrthóir Ógras . The responsibilities of the GVO include:

- Assessing when Garda vetting is necessary for each employment position/volunteer role i.e. the role involves "relevant work" with children or vulnerable adults as specified in the National Vetting Bureau (Children and Vulnerable Persons) Act 2012 to 2016.
- Ensuring that candidates for employment positions/volunteer roles are provided with the correct Garda vetting forms and that the forms are completed accurately and in full, prior to submitting them to the Liaison Person.
- Verifying the identity of the person submitting the vetting application by checking relevant ID (e.g. passport, driving licence, proof of current address).
- Obtain an original, wet signature and ensure informed consent (confirmed by the checked tick box)
- Ensuring all personal information in relation to vetting is kept confidentially and in compliance with Data Protection legislation and best practice.
- Ógras staff / volunteers are aware of the organisation's Garda Vetting Policy.

Ógras will nominate 3 representatives from the staff / Board / Steering Committee to make up the “Garda Vetting Committee”. These will include the Chairperson, Treasurer and Secretary of the Board along with the Director of Ógras. The responsibilities of the Committee include:

7. Ensuring organisational compliance with the Garda Vetting policy

Assisting the Garda Vetting Officer to make decisions on the suitability of candidates following the disclosure of convictions via the Garda vetting process.

If the individual being vetted is over the age of 16 and under the age of 18, they are required to have a completed parent / guardian consent form which must be submitted along with their vetting application form.

Ógras will not accept historical vetting information from employment / volunteer candidates or from their previous employers / volunteer managers. Each new employer / volunteer must be vetted via the organisation’s vetting process, even if engaging an individual already vetted elsewhere. Ógras will require all of its existing staff/volunteers to be re-vetted at regular intervals of three years.

8. Vetting Disclosures Process

On return from the National Vetting Bureau the forms will be processed by the nominated Liaison Person National Youth Council of Ireland (NYCI) who will inform the Garda Vetting Officer in Ógras (Stiúrthóir Ógras) by email of the results.

The Liaison Person will pass on the form(s) with any possible or probable convictions to the Garda Vetting Officer for their consideration, and this document will be held confidentially by Ógras.

Where there are no convictions, an offer of a position of employment/voluntary role will be issued to the candidate in line with the organisation’s other screening/recruitment procedures.

Where serious convictions are disclosed, (for e.g. those itemised in 10. Circumstances for the Withdrawal of the offer to Work / Volunteer) a letter will be sent to the person asking them to attend a meeting with the Vetting Committee. This letter must not disclose the information on the returned Garda Vetting form. The purpose of this meeting is to allow the applicant (employee / volunteer) access to the information returned by the National Vetting Bureau and to give them an opportunity to explain the circumstances surrounding the conviction.

A written record of this meeting will be kept and the time, date and duration of the meeting recorded. At this meeting, Ógras will ensure that: Everyone, no matter what their history, is given fair and equal treatment and the right to state their case. Cognisance is of Repeat Offending, Restorative Justice and Rehabilitation of Offenders. A disclosure of conviction will not automatically preclude the applicant from obtaining the position in question. Cognisance is taken of the applicant’s self-disclosure or non-disclosure of a conviction at the time of the application and of their experience (work record etc.) and rehabilitation subsequent to any conviction disclosed.

Where multiple convictions are evident but may be as the result of a particular lifestyle, e.g., drug addiction, then the change in lifestyle must be taken into consideration.

Applicants who deny any convictions returned by the National Vetting Bureau will be provided with details on how to write a letter of appeal to amend their records at the National Vetting Bureau.

Applicants are informed that in the case of uncertainties their form will be returned to the National Vetting Bureau seeking clarification.

The applicants name and date of birth are clarified at the start of the meeting as mistakes may be made by the National Vetting Bureau where names and addresses are similar.

Ógras will consider each Garda Vetting disclosure returned with convictions individually and the Organisation will always treat the applicant with respect, dignity and complete confidentiality.

Ógras recognises that there are three potential outcomes of the review meeting:

- i) In line with this policy and taking all things into consideration including interview, current history and references, the applicant may be offered the position.
- ii) The applicants Garda Vetting form is returned to the National Vetting Bureau for further clarification. In which case a second review meeting may be held.
- iii) The applicant is deemed unsuitable for the position on offer by nature of their history of offences.

In each case a written explanation of the outcome will be sent to the applicant by letter. A record of this letter, including date sent must be kept. A record of any replies received and any follow-up must also be kept.

9. Confidentiality and Data Protection

All information in the vetting process will be held in a manner consistent with the organisation's confidentiality policy. Ógras also complies fully with good practice regarding the secure storage, handling and use of the National Vetting Bureau disclosures and personal vetting information as per our Data Protection Policy and our legal obligations under Data Protection Acts 1988, 2003, 2011, 2018.

10. Circumstances for the Withdrawal of the offer to Work / Volunteer

Ógras considers the following as reasonable grounds to withdraw an offer or opportunity of employment / volunteer role to an individual:

- The individual has been charged with, or convicted of a sexual offence;
- The individual has been charged with, or has a conviction for, an offence that relates to the ill treatment of a child, or a vulnerable adult;
- The individual has been charged with, or has a conviction for, the ownership, production or distribution of child pornography.

Ógras considers the following list of offences to be relevant, and each case will be considered in a case-by-case basis:

- Offences against the person, e.g. assault, harassment, coercion;
- Breaches in trust, e.g. fraud, theft, larceny;
- Offences against property e.g. arson, armed robbery;
- Domestic Violence;
- Offences against the state.

Ógras is conscious of not initiating policies that prohibit needlessly against rehabilitated individuals. Such cases will be objectively determined on a case-by-case basis in accordance with the criteria outlined under section 5 – Principles.

11. Appeal Process

While the focus is on protecting children and vulnerable adults, there are also safeguards and due processes for those being vetted, including the right to appeal. Appeals should be made in writing to the Liaison Person within 14 days of issue of the decision.
