9 Principles of War Retreat

The Kingdom of My heart?

It's worth fighting for & My Dad is God's Wing Man!

US Military 9 Principals of War

Our US military have 9 basic principals of war that set a proper mindset of unification with all the fighting forces used to win on the battle ground. You would be surprised that these principals are found in the Book of Nehemiah in the Bible. As you step out in life; whether building a home, business or ministry—these same basic 9 will serve you in being successful. Too many people start off strong but fail because they don't understand these Spiritual Principles.

The Kingdom of My heart?

The US Military has 9 Principles of War that has proved to be effective in carnal warfare. Surprising enough, these same principles work in Spiritual Warfare, and these principles are actually based on the Book of Nehemiah.

Nehemiah is a book on how to succeed in your endeavors of life!
