Keep It Light—Psalm 23

How you pack your backpack will make or break your trip.

What we pack in our Spiritual backpack will make or break our trip as well. In fact this is even more important. Psalm 23 teaches us why it's important to pack light, and what is not really important for the journey

Journey of Desire:

A. What do we want to pack?

B. Are you afraid of leaving something out?

C. Are we packing properly for our final destination?
