TIM JOHNSON: A LIVING LEGEND IN GOSPEL MUSIC BRINGS HIS GIFT TO SUMMER FEST

Performing Live at the Wonderland Mall Summer Festival | July 25–27

By B.R.E.A.D. Magazine Staff

When **Tim Johnson** takes the stage at this year's **Summer Festival at Wonderland Mall**, audiences can expect more than just a performance — they can expect a worship experience led by one of gospel music's most seasoned and anointed ministers of music. From his humble beginnings in **New Britain, Connecticut**, Tim Johnson's journey has been guided by a divine calling and fueled by unmatched talent. A gifted **keyboardist, songwriter, producer, and vocalist**, Johnson began playing at age seven and never looked back. Now, with over **40 years of ministry and music** under his belt, he remains a powerful force in gospel and worship music both in the U.S. and abroad.

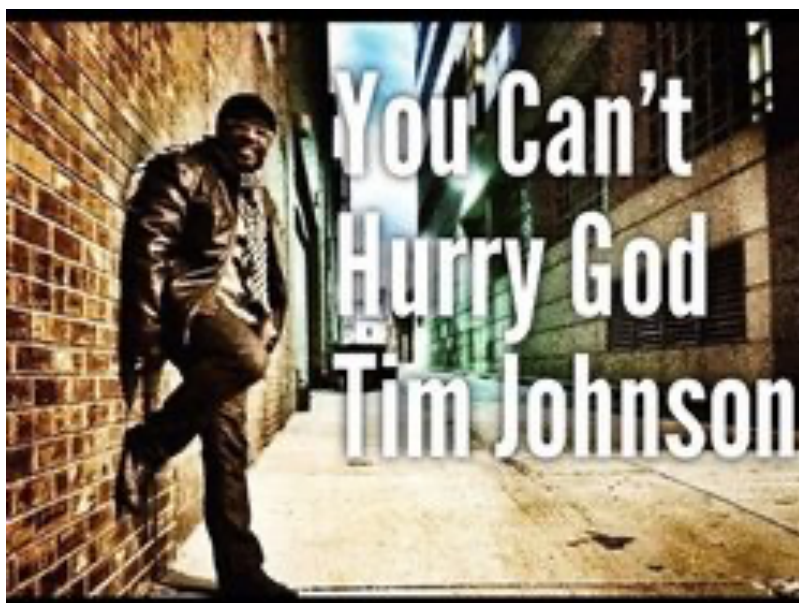

Minister Johnson's contributions to music have earned him widespread recognition and acclaim. He has been nominated for **multiple Dove Awards** for projects such as *Get Up, There's a Lifting of the Hands, Jubilee, and Awesome God*. His impact stretches beyond the stage — the **City of San Antonio** has twice honored him for his **community service and philanthropic efforts**, and he received the **Black Achievement Award for Arts** in 2001 and the **Gospel Trailblazer Award** in 2019.

Over the years, he's played alongside legends such as **Mary Mary, Kirk Franklin, Israel and New Breed, Donald Lawrence, Pastor Donnie McClurkin, Kenny Rogers, Kenny Loggins**, and even toured with **The Gap Band**. As a producer, he collaborates with **multi-Grammy and Dove award-winning producer Tommy Sims**, and he continues to deliver Billboard-charting gospel music, including his recent hit "**Your Grace**."

A GLOBAL MINISTRY WITH LOCAL ROOTS

Though Tim's work has taken him around the globe — from the U.S. to **Israel and Africa** — his heart has remained rooted in ministry. His journey includes pivotal seasons in **Longview, TX**, under the leadership of **Bishop Noel Jones**, and in **San Antonio**, where he served as both Minister of Music and Praise & Worship Leader.

Today, Tim continues his musical and ministry journey through his company, **Timstrel Music LLC**, where he writes, teaches, and produces original compositions for national acts and ministries alike. He serves as Organist at **St. Macedonia Baptist Church** and was recently awarded an honorary **Ph.D. in Worship Arts & Ministry Leadership** from **Harvest Christian University** in Dallas, TX.

REV. JAMES ROBINSON: HONORING A LEGACY OF LOVE, LEADERSHIP & SERVICE

**Celebrating 22 Years of
Community Impact at the
Summer Festival at Wonderland
Mall**

This July, as music fills the air and the community gathers at **Wonderland Mall** for the highly anticipated **Summer Festival**, one name will be honored above all: **Reverend James Robinson**. Known across San Antonio as a champion for the underserved, a passionate man of faith, and the Founder and President of **Gospel Vision Music Ministry**, Rev. Robinson is being recognized for over **22 years of service** and his extraordinary impact on more than **1.5 million people**.

From food drives to spiritual outreach, Reverend Robinson has become a symbol of unwavering compassion and purposeful action — and **Summer Fest**, presented by **Boss Stuff Auctions**, is proud to pay tribute to his lifelong dedication to others.

A MISSION ROOTED IN LOVE

Reverend Robinson's story is inseparable from the legacy of his late mother, **Verna Mae "Mama" Boone**, who spent 50 years feeding the homeless and caring for San Antonio's most vulnerable—often under bridges and with little more than faith to guide her. “Even when times were tough for us, she showed me that there were always people who had it worse, and it was our responsibility to help them,” he once recalled.

That spirit of selfless giving lives on through Robinson's work. Whether organizing massive food distributions, hosting back-to-school supply drives, or preparing San Antonio's largest **Thanksgiving turkey giveaway**, his mission has remained the same: **to serve with love**.

FROM THE PULPIT TO THE PARKING LOT

In 2024, Rev. Robinson is setting his sights on breaking records — and making history — with a goal to distribute **1,500 turkeys** and full Thanksgiving meals to families in need at **Comanche Park**. Backed by a coalition of nonprofits, first responders, and local sponsors like **Restaurant Depot**, **Certified Collision**, and **Astound Broadband**, this event represents more than just charity — it's a **city-wide act of compassion**.

This kind of impact doesn't happen overnight. From weekly food distributions to organizing school supply giveaways benefiting over 1.5 million children over 21 years, Reverend Robinson continues to walk in his calling — even when resources are tight. His efforts have also led to recognition by local governments and organizations, but for Robinson, it's not about awards; it's about **honoring Christ through service**.

A WELL-DESERVED CELEBRATION AT SUMMER FEST

On **July 25–27**, the community will come together to **celebrate this servant leader** in grand fashion at the **Summer Festival at Wonderland of the Americas Mall**. In between powerhouse performances by artists like **Devsoul, Tim Johnson & The Fellas, Willinda Franklin, Brian Mitchell, and J Pow Pow & the Funk Band**, the festival will pause to honor Rev. Robinson for his 22-year journey of changing lives.

This moment of recognition is not just for Reverend Robinson — it is for **everyone who has been fed, encouraged, clothed, and uplifted** through his work. As thousands gather to enjoy music, fellowship, and fun, they will also celebrate a man whose ministry has been a lifeline for so many.

✨ ONLY WHAT YOU DO FOR CHRIST WILL LAST

Rev. James Robinson's life is a living example of his ministry's core message: *"To God Be The Glory. Only what you do for Christ will last."*

Whether through a hot meal, a kind word, or a public celebration, his work continues to reflect the love and leadership passed down from Mama Boone — and it's clear that her spirit still guides every turkey, every hug, every prayer, and every act of service.

Keep 100% of Your Rights

Get Paid From Every Play: Why Registering Your Music Matters

If your music is out in the world—streaming, spinning, or syncing—then it's already making money. But if you haven't properly registered your music, **most of that money isn't coming to you.** In the U.S., different types of royalties are

collected by different organizations. To get paid, you need to register with a Performing Rights Organization (for radio and live plays), The MLC (for streaming mechanicals),

SoundExchange (for digital radio), and a publishing administrator if you want to catch everything else—including international revenue. Copyright registration seals your ownership and gives you legal protection.

The time to register your music is **before** it's released. Once it hits platforms, the clock starts on royalty collection—and missing that window could mean missing income forever.

Registering your music ensures you collect *every dollar your song earns*, protects your rights, and positions your catalog as a true business asset. At Royalty Notes, we help artists turn their creativity into revenue—because if it plays, it pays.
