## **ARTICLE II. PURPOSE AND INTENT**

The Subdivision, as initially planned, is intended to be a single-family, residential development that is planned to feature residential uses and Townhomes. This Declaration shall serve as the means by which design, maintenance and use of the Property, and additional property made a part of the Subdivision, will be established.

## **ARTICLE III. PROPERTY SUBJECT TO RESTRICTIONS**

### **A. Property Initially Encumbered**

The Property that is initially encumbered by this Declaration and is therefore a part of the Subdivision is more particularly described on the Plat. Owners of the Property are Members of the Association and have executed this Declaration.

### **B. Annexation of Additional Property**

Without the joinder of any other Owners or Members, the Declarant reserves the exclusive right for twenty-five (25) years following the recording of this Declaration to annex any additional property into the Subdivision. Such annexation will be accomplished by the execution and filing for record of a Supplemental Amendment or Annexation Agreement setting forth the land being annexed and/or the specific restrictions relating to such property, if different. Any Supplemental

Amendment or Annexation Agreement may contain Assessments, covenants, conditions, restrictions, and easements which apply only to the real property annexed and/or may create exceptions to, or otherwise modify, the terms of this Declaration as they may apply to the real property being annexed in order to reflect the different or unique character and/or intended use of such real property.

The right of the Declarant to annex land under this Section shall automatically pass to the Association upon the expiration of the twenty-five (25) year term granted above.

C. Deannexation of Property

During the Development Period, the Declarant, without the joinder of any other Owners or Members, may deannex from the Subdivision any property owned by the Declarant. During the Development Period, property not owned by the Declarant may be deannexed with the prior written consent of the Declarant and the Owner thereof.

**ARTICLE IV. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS**

A. Eligibility

Eligibility to vote or serve as a director or officer of the Board, after the expiration of the term of the initial Board, shall be predicated upon that person being a Member of the Association. Nothing contained herein creates a fiduciary duty owed by the Board to the Members of the Association.

B. Membership

Declarant and every record Owner shall be a Member of the Association, excluding therefrom persons or entities holding an interest in the land merely as security for the performance of an obligation (such as a mortgagee, or holder of any other lien against property), unless that holder of the security interest foreclosed and thereby became the Owner of the Lot(s).

Membership is appurtenant to and runs with the land. Membership is not severable as an individual right and cannot be separately conveyed to any party or entity. Any one (1) Owner shall have no more than one (1) Membership in the Association. All duties and obligations set forth in this Declaration are the responsibility of each Member. No waiver of use of rights of enjoyment created by this Declaration shall relieve Members or their successors or assigns of such duties or obligations. Mandatory membership shall begin with the execution of this Declaration and pass with title to the land (regardless of any method of conveyance) to any subsequent grantee, successor, or assignee of Members. Members in Good Standing shall have the right to the use and enjoyment of the Common Area in the Subdivision. Owners who are not Members in Good Standing may be prohibited from utilizing Common Areas in the Subdivision.

C. Voting Rights

The Association shall initially have two (2) classes of membership, being Class A Members and Class B Members, as follows:

1. Class A Membership

Class A Members shall be all Members with the exception of Class B Members, if any. Each Class A Member's voting rights shall be based on the number of Lots owned and shall be determined as follows:

One (1) vote shall be granted to Class A Members for each Lot owned.

Multiple Owners of any single Lot must vote in agreement (under any method they devise among themselves), but in no case shall such multiple Owners cast portions of votes. The vote attributable to any single Lot must be voted in the same manner (i.e., all Owners of the Lot for, or all Owners of the Lot against, a particular issue) but in no event can there be more than one Class A vote cast per Lot.

2. Class B Membership

Class B Members shall be the Declarant and any entity upon which Declarant, in its sole discretion, may confer Class B status in the Association. Declarant shall be entitled to three (3) times the total number of votes allocated to Class A Members. The Declarant's Class B Membership shall terminate upon the earliest to occur of the following:

- a. When Declarant no longer owns any real property within the Subdivision;  
or
- b. Such time as Declarant, in its sole discretion, so determines, provided however, that Declarant may assign its rights in whole or in part, permanent or temporary, at any time.

Declarant shall have the continuing right, at any time prior to the termination of Declarant's Class B Membership, without the joinder or consent of any other Owner, entity, lender, or other person, to confer Class B status in the Association on any Owner (with such Owner's consent), solely with respect to voting rights and/or Assessments (the "Conferral"). Provided, however, any such Conferral of Class B status does not have to be uniform as to all Class B Members. Declarant shall evidence such Conferral of Class B status by filing in the Official Public Records of Smith County, Texas, an instrument specifying the name and address of the party upon which Class B status has been conferred, setting forth a legal description for all of the real property to which such Class B conferral applies, and setting forth the terms of such Conferral. The Class B status so conferred by Declarant shall terminate and such Owner shall become a Class A Member of the Association, upon the earliest to occur of the following:

- a. Termination of Declarant's Class B status in the Association, as provided herein; or

- b. A material violation by such Class B Member of any terms and conditions of the Conferral which has not been cured after the Class B Member has received notice of such violation and has failed to cure such violation; or
- c. Expiration of the term of the Conferral, if any, provided in the Conferral.

Declarant shall retain the authority to appoint two-thirds (2/3) of the members of the Board of Directors of the Association until such time as Declarant no longer owns any portion of the Property.

Upon termination of Declarant's authority to appoint two-thirds (2/3) of the members of the Board of Directors of the Association, any remaining Class B Members shall be converted to Class A Members and elections shall be held to elect the members of the Board of Directors of the Association (who must be Members of the Association) pursuant to the provisions of the Certificate of Formation and the Bylaws of the Association. In the event Class B Membership terminates pursuant to the above provisions, and thereafter additional property is annexed into the jurisdiction of the Association, which results in the Declarant owning property in the Subdivision, only Declarant's Class B Membership shall be restored (no other previously designated Class B membership shall be restored), until it again terminates as specified in (1), (2) or (3) above. Notwithstanding anything contained herein to the contrary, the Declarant may assign, temporarily or permanently, all or a portion of its rights as Declarant to any person(s).

D. Voting Procedures

Class A and Class B members shall exercise their votes as set out in the Dedicatory Instruments.

E. Right to Appoint/Elect Board of Directors

Declarant shall retain the authority to appoint all members of the Board until the 10<sup>th</sup> anniversary of the date this Declaration was recorded in the Official Public Records of Smith County, Texas. At such time, at least one-third (1/3) of the Board members (who must be Members of the Association) must be elected by the Owners other than the Declarant, as set forth in the Bylaws. Thereafter, Declarant shall retain the authority to appoint the remaining two-thirds (2/3) of the members of the Board until such time as Declarant no longer owns any portion of the Property. The Declarant may assign the Association its authority to appoint some or all (as applicable) members of the Board, with such assignment evidenced by an instrument recorded in the Official Public Records of Smith County, Texas.

Upon termination of Declarant's authority to appoint two-thirds (2/3) of the members of the Board, any remaining Class B Members shall be converted to Class A Members and elections shall be held to elect the members of the Board (who must be Members of the Association) pursuant to the provisions of the Certificate of Formation and the Bylaws of the Association. In the event Class B Membership terminates pursuant to the above provisions, and thereafter additional property is annexed into the jurisdiction of the Association, which results in the

Declarant owning property in the Subdivision, only Declarant's Class B Membership shall be restored (no other previously designated Class B Membership shall be restored), until it again terminates as specified above. Notwithstanding anything contained herein to the contrary, the Declarant may assign, temporarily or permanently, all or a portion of its rights as Declarant to any person(s).

#### **ARTICLE V. EFFECTIVE DATE OF DECLARATION**

This Declaration shall be effective as of the date this document is recorded in the Official Public Records of Smith County, Texas.

#### **ARTICLE VI. USE RESTRICTIONS**

Notwithstanding anything contained herein to the contrary, the provisions of this Article VI, "Use Restrictions" shall apply only to Lots and Townhomes unless other portions of the Property are specifically included in said provisions.

##### **A. Single Family Residential Use Permitted; Leasing**

Lots within the Subdivision may only be used exclusively for single-family residential use. The term "single-family residential use" as used herein refers not only to the architectural design of the Townhome but also to the permitted number of inhabitants, which is limited to a single family, as defined below. Furthermore, "single-family residential use" means the use of and improvement to a Lot with no more than one Townhome designed and used for living, sleeping, cooking, and eating therein. As used herein, the term "single-family residential use" specifically prohibits, without limitation, the use of a Lot for an apartment, multi-family dwellings, a garage apartment, or any other apartment or for any multi-family use, vacation rental by Owner, boarding house, "Airbnb", bed and breakfast, or for any business, professional, or other commercial activity. In no case may a Lot contain more than one Townhome. No building, Outbuilding or portion thereof may be constructed or used for income property or such that Occupants would occupy less than the entire Lot and/or Townhome.

No Townhome may be occupied by more than one single family. By way of illustration, the following is an example of an approved single family:

##### **RESIDENT 1 AND RESIDENT 2 RESIDE IN TOWNHOME.**

Additional approved residents are:

- a) children of either or both residents;
- b) no more than a total of 2 parents of the residents;
- c) one unrelated person; and
- d) one household employee.

It is permitted for Owners to lease a Townhome in the Subdivision, so long as Occupants are leasing the entire Lot, Townhome, and improvements thereon. No fraction or portion of any Townhome may be leased or rented. "Leasing" for purposes of this Declaration, is defined as occupancy of a Townhome for single-family residential use by any person other than the Owner, for which the Owner receives any consideration or benefit, including, but not limited to, a fee,

service, gratuity, or emolument. Provided, however, "leasing" for purposes of this Declaration does not include vacation rental by Owner, boarding house, "Airbnb", or bed and breakfast, as such uses are strictly prohibited and are considered to be a business use. Leasing a Townhome for single-family residential use will not be considered a "business" (as set forth in detail hereinafter), provided that the Owner and any other Owners with whom such Owner is affiliated do not collectively lease or offer for lease more than one Townhome at any time. This provision does not preclude the Association or an institutional lender from leasing a Townhome upon taking title following foreclosure of its security interest in the Townhome or upon acceptance of a deed in lieu of foreclosure.

All leases must be in writing and will contain such terms as the Board may prescribe from time to time. All leases will provide that they may be terminated in the event of a violation of the Declaration or the Dedicatory Instruments by an Occupant or Occupant's family, and the Board, in its sole discretion, may require termination by the Owner and eviction of the Occupant in such event. Rental or lease of the Lot and Townhome will not relieve the Owner from compliance with this Declaration or the Dedicatory Instruments. The Board has the authority to adopt rules and/or a policy regarding the leasing of Lots and Townhomes within the Subdivision. The primary term of each Lease must be at least twelve (12) months, and the tenants must intend to make the Lot and Townhome their primary residence.

It is not the intent of this provision to exclude from a Lot any individual who is authorized to so remain by any state or federal law. If it is found that this provision is in violation of any law, then this provision will be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

#### B. Non-Permitted Uses

1. No trade or business may be conducted in or from any Townhome or Lot, except such use within a Townhome where (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Townhome; (b) the business activity conforms to all governmental requirements and other Dedicatory Instruments applicable to the Property; (c) the business activity does not involve visitation to the Townhome or Lot by clients, customers, suppliers, or other business invitees or door-to-door solicitation of Occupants of the Subdivision; and (d) the business activity is consistent with the residential character and use of the Property, does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Subdivision, as may be determined in the sole discretion of the Board. The uses set out in this Section 1 (a) through (d) are referred to singularly or collectively as an "Incidental Business Use." At no time may an Incidental Business Use cause increased parking or traffic within the Subdivision. Any increased parking or traffic within the Subdivision as a result of an Incidental Business Use will be deemed to be a Deed Restriction Violation. A day-care facility, home day-care facility, church, nursery, pre-school, beauty parlor, or barber shop or other similar facility, vacation rental by Owner, boarding house, "Airbnb", or bed and breakfast are expressly prohibited and are not considered to be an Incidental Business Use.

The terms "business" and "trade" as used in this provision are construed to have their ordinary, generally accepted meanings and include, without limitation, any occupation, work or activity undertaken on an ongoing basis that involves the manufacture or provision of goods or services for or to persons other than the Occupant's family, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does not generate a profit; or (iii) a license is required therefor. This Section does not apply to any activity conducted by the Declarant, or by a Builder with approval of the Declarant, with respect to its development and sale of the Property. Garage sales, attic sales, moving sales, or yard sales (or any similar vending of merchandise) conducted on any Lot more than once per year will be considered business activity and therefore prohibited. The Association may, but is not required to, adopt rules and regulations regarding such sales. Notwithstanding anything contained herein to the contrary, estate sales are expressly prohibited.

2. No vehicles displaying signs or advertising will be permitted to be parked within Public View in the Subdivision, other than service vehicles contracted by Owners to perform specific services. No vehicles with more than two axles will be permitted to be parked or stored for a period in excess of twelve (12) hours per week in the Subdivision, without prior written permission of the Board, whose approval may be issued or withheld at its sole and absolute discretion.

3. No livestock, domestic or wild animals, nor plants or crops may be raised on any Lot, or any portion of the Property for the purpose of breeding or selling same, whether for profit or not. Exchange of such animals, plants, or produce for anything of value to the seller will constitute a sale of the merchandise and therefore prohibited under this provision.

#### C. Animals and Pets

No animals, livestock, including swine or poultry of any kind, shall be raised, bred, or kept on any portion of the Subdivision, except that dogs, cats, or other usual and common household pets, not to exceed a total of two (2) pets, may be permitted on a Lot or in a Townhome. The foregoing limitation on number of pets shall not apply to hamsters, small birds, fish, or other constantly caged animals kept inside the Townhome, nor shall it apply to require the removal of any litter born to a permitted pet prior to the time that the animals in such litter are three (3) months old. No pets are permitted to roam free. No animals or pets shall be kept, bred, or maintained for any commercial purpose. Dogs and cats shall at all times whenever they are outside a Townhome and/or fence, be confined on a leash which must be held by a responsible person. The Association shall in no way be liable for damages related to an animal that escapes the fenced area of Lot. Each Owner is responsible for promptly notifying the Association of an alleged defect in a fence on an Owner's Lot.

#### D. Antennas

No exterior antennas, aerials, satellite dishes, or other apparatus for the reception of television, radio, satellite, or other signals of any kind shall be placed, allowed, or maintained

upon any portion of the Subdivision, including any Lot, which is visible from any street, Common Area, or other Lot unless it is impossible to receive signals from another location. In that event the receiving device may be placed in a visible location as approved by the ARC. The ARC may require as much screening as possible while not substantially interfering with reception. No satellite dishes shall be permitted which are larger than one (1) meter in diameter. No exterior antennas, aerials, satellite dishes, or other apparatus which transmit television, radio, satellite or other signals of any kind shall be placed, allowed, or maintained upon any portion of the Property. The Declarant, by promulgating this Section, is not attempting to violate the Telecommunications Act of 1996 (the "1996 Act"), as same may be amended from time to time. This Section shall be interpreted to be as restrictive as possible while not violating the 1996 Act.

In the event that it is impossible to receive a signal from a non-visible location, the installation of antennas shall be subject to rules and regulations which may be promulgated by the Board setting out preferred alternate locations for antennas.

Declarant and the Association shall have the right, without the obligation, to erect an aerial, satellite dish, or other apparatus (of any size) for a master antenna, cable, or other communication system for the benefit of all or any portion of the Subdivision, should any master system or systems require such exterior apparatus.

E. Basketball Goals and Backboards

During the Development Period, no basketball goal, net and/or backboard may be kept, placed, or mounted upon any Lot or kept, placed, attached, or mounted to any fence or Townhome. If any basketball goal, net and/or backboard is placed within the Subdivision in violation of this Declaration, the Association or its agents shall be authorized to exercise its Self Help remedy, as set forth in this Declaration, to bring the Owner's Lot into compliance with this provision. After the expiration of the Development Period, the Board may adopt rules and regulations permitting basketball goals.

F. Drilling

No drilling or related operations of any kind shall be permitted upon, under, on or in any Lot, nor shall any wells, tanks, tunnels, mineral excavations, or shafts be permitted upon or in any Lot, including water wells for potable or non-potable uses.

G. Exterior Seasonal Decorations

The display of exterior seasonal decorations, by way of illustration but not limited to lights, banners, flags, wreaths, shall be subject to reasonable rules and regulations promulgated by the Board. Such rules may address the appearance and length of time of such display. Such display shall be maintained and kept in good condition at all times. If any exterior seasonal decorations are placed, or remain, within the Subdivision in violation of this Declaration or the Dedictory Instruments, the Board or its agents shall be authorized to exercise its Self Help remedy, to bring the Owner's Lot into compliance with this provision.

#### H. Flags and Flagpoles

The size, number, and placement of flagpoles, and the display of flags within the Subdivision, shall be subject to any applicable Guidelines, rules or policies adopted by the Board. The Declarant, by promulgating this Section, is not attempting to violate any local, state, or federal law. This Section shall be interpreted to be as restrictive as possible while not violating any laws of the State of Texas and/or the United States of America.

#### I. General Nuisances

No portion of the Subdivision shall be used, in whole or in part, for the storage of any personal property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, animal, or material be kept upon any portion of the Subdivision that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, comfort, or serenity of the Owners and/or Occupants of surrounding Lots and users of the Common Areas.

No noxious, illegal, or offensive activity shall be carried on upon any portion of the Subdivision, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any portion of the Subdivision. There shall not be maintained any plants, animals, device, or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Subdivision. No outside burning of wood (except for wood burned in approved outdoor fire pits and fireplaces), leaves, trash, garbage, or household refuse shall be permitted within the Subdivision. No speaker, horn, whistle, bell or other sound device, except alarm devices used exclusively for residential monitoring purposes, shall be installed or operated on the Property, unless required by federal, state or local regulation. The use and discharge of firecrackers and other fireworks is prohibited within the Subdivision.

It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her Lot. The pursuit of hobbies or other visible activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles, and use of commercial equipment, tools, and similar mechanical devices, that might tend to cause disorderly, unsightly, or unkempt conditions, may not be pursued or undertaken on any part of the Subdivision. Notwithstanding the above, the disassembly and assembly of motor vehicles to perform repair work may be permitted provided such activities are not conducted on a regular or frequent basis and are either conducted entirely within an enclosed garage or, if conducted outside, are completed within twelve (12) consecutive hours.

Notwithstanding anything contained herein to the contrary, the Association shall have the right but not the obligation to enter upon any Common Area and/or street right-of-way and remove signs not authorized by the Board in advance, and/or to regulate (including, but not limited to, the prohibition of) street vending and similar non-approved activities.

No portion of the Subdivision shall be used, in whole or in part, in a way that creates a nuisance within the Subdivision. Activities or conditions constituting a nuisance are incapable of exhaustive definition which will fit all cases, but they can include those activities and conditions that endanger life or health, give unreasonable offense to senses, or obstruct reasonable use of property. Those activities or conditions that cause minor and/or infrequent disturbances resulting from ordinary life activities within a deed restricted community are not intended to constitute a nuisance. Whether such activity or condition constitutes a nuisance will be determined by the Association. The Association may adopt rules or policies to further define what constitutes a nuisance, as warranted.

J. Generators

The size, number, placement, and other characteristics of standby electric generators within the Subdivision are subject to any applicable Guidelines, rules or policies adopted by the Board.

K. Monuments and Fences

The Declarant and the Association, including their respective designees, are hereby granted an easement to place, maintain, and repair a monument or marker within the Subdivision.

Unless otherwise set forth herein or in another Dedicatory Instrument, the Association is responsible for the maintenance, repair and/or replacement of all fences installed by the Declarant, unless damage to such fence is caused by the negligence or intentional act of an Owner or Occupant of a Lot, in which case any repair or replacement and the cost of same shall be the obligation of the Owner. Any Owner who wishes to alter any portion of a fence must obtain prior written approval by the ARC.

L. Outbuildings

Outbuildings shall not be constructed or placed on a Lot within the Subdivision without the prior written approval of the ARC. Reasonable Guidelines may be established from time to time addressing factors including, but not limited to, the appearance, type, size, quality, and location of Outbuildings on a Lot.

M. Outside Storage and Trash Collection

No equipment, machinery, or materials of any kind or nature shall be stored on any Lot forward of the fence at the front wall of the Townhome situated thereon, unless the equipment, machinery, or materials is being used temporarily (not more than one week) and is incident to repair or construction of the Townhome. All equipment, machinery, and materials shall be properly stored out of sight of every other Lot immediately after use of such item, and all trash, debris, excess, or unused materials or supplies shall likewise be disposed of immediately off of the Lot, or stored out of view until trash collection occurs.

Trash may only be placed outside for collection the evening before collection. Trash receptacles must be approved by the City of Tyler. Such trash must be contained to protect from animals or spillage and trash cans must be removed from sight the same evening of collection. No outdoor incinerators shall be kept or maintained on any Lot.

N. Parking and Prohibited Vehicles

No commercial vehicles or non-motorized vehicles, by way of example and not limitation, tow trucks, plumbing or similar service type vans or trucks, boat, trailer, marine craft, recreational vehicle, camper rig off of truck, hovercraft, aircraft, machinery, or equipment of any kind may be parked or stored on any part of any Lot, easement, or right-of-way, unless such vehicle or object is completely concealed from Public View inside a garage or enclosure approved by the ARC.

Passenger automobiles, passenger vans, motorcycles, or pick-up trucks that: (a) are in operating condition; (b) are qualified by current vehicle registration and inspection stickers; (c) are currently licensed and in daily use as motor vehicles on the streets and highways of the State of Texas; (d) do not exceed eighty inches (80") in height, or one hundred inches (100") in width; and (e) have no advertising or signs located thereon, may be parked in the driveway on a Lot; however, no vehicle may be parked so as to obstruct or block a sidewalk or be parked on a grassy area, or may be stored in Public View. The restriction concerning advertising and signs does not apply to any vehicles, machinery, or equipment temporarily parked and in use for the construction, repair, or maintenance of a Townhome in the immediate vicinity. Stored, as used in this Section, shall mean the parking of a vehicle for the shorter of: (i) seventy-two (72) consecutive hours or (ii) seven (7) days in any calendar month, whichever occurs first.

Vehicles to be parked on a Lot must meet the restrictions of this Declaration and the Dedicatory Instruments, and at all times be operable (unless otherwise completely concealed in an enclosed garage), have current license tags, current state inspection stickers, and comply with current mandatory insurance under the laws of the State of Texas. Any vehicle not in daily use as a motor vehicle on the streets and highways of the State of Texas and not in compliance with the foregoing shall be considered stored on the property and such storage is strictly prohibited unless same is completely concealed in an enclosed garage. A vehicle that cannot physically fit within the designed garage of the Townhome with the door closed will be construed as a vehicle not incident to residential use of a Lot. Additional rules and regulations for the use, maintenance, and parking on private and/or public streets may be promulgated by the Board.

Recreational vehicles, such as mobile homes, motor homes, campers, and boats are not considered vehicles incident to the residential use of a Lot and therefore are not permitted to be parked or stored outside of the garage or ARC approved enclosure on a Lot for any period of time greater than twenty-four (24) hours.

Parking of any vehicle other than in a driveway, within an enclosed garage of a Townhome, or other paved area provided for parking is expressly prohibited. Parking on the Private Drive creates traffic problems and impedes access for emergency vehicles and is, therefore, strictly prohibited.

A guest of an Owner or Occupant may park in the Parking Areas for a period not to exceed twenty-four (24) consecutive hours during not more than five (5) days in a thirty (30) day period. No Owner or Occupant may park a vehicle in the Parking Areas, other than temporarily to retrieve mail.

Notwithstanding anything contained herein to the contrary, the Board may promulgate parking rules which may change the dimensions of permitted vehicles and/or the length of time for temporary parking or storage of vehicles. If there is a conflict between this Section and parking rules promulgated by the Board, the parking rules shall control.

O. Play Structures

Play Structures (as defined herein) shall not be constructed or placed on a Lot within the Subdivision without the prior written approval of the ARC. Guidelines may be established from time to time regarding play forts, playhouses, swing sets, and other recreational equipment ("Play Structures"), taking into account such factors including but not limited to the overall height, size, location, and number of Play Structures placed on a Lot. In setting the Guidelines, factors including but not limited to the size and configuration of the Lot, the location of the Lot in the community, the location of the Play Structure on the Lot, the type of fencing on the Lot and visibility of the Play Structure from streets, other Lots, or the Common Areas may be taken into account.

P. Screening

No Owner or Occupant of any portion of the Property shall permit the keeping of articles, goods, materials, utility boxes, refuse, trash, storage tanks, or like equipment on the Property which may be considered a nuisance or hazard in the sole discretion of the Board. Air conditioners, utility boxes, garbage containers, antennas, to the extent reasonably possible and pursuant to the terms set forth herein, or like equipment, shall not be kept in Public View and must be placed in a location first approved in writing by the ARC. Such screen shall be of a height at least equal to that of the materials or equipment being stored, but in no event shall such screen be more than six feet (6') in height. Added screening must also be provided to shield such stored materials and equipment from grade view from adjacent Townhomes or Common Area. Utility boxes must be screened so that they are not visible from the street and as may be set out in the Guidelines. A combination of trees, hedges, shrubs, or fences should be used as screening material, as same may be set out in the Guidelines. All screening designs, locations, and materials are subject to prior written ARC approval. Any such screening installed must be maintained in a clean and neat manner at all times and may not detract from the appearance of the Subdivision.

Q. Signs

No sign or emblem of any kind may be kept or placed upon any Lot or mounted, painted, or attached to any Townhome, fence, or other improvement upon such Lot so as to be visible from Public View except the following:

1. For Sale Signs. An Owner may erect one (1) sign on his Lot, not exceeding 2'x3' in area, fastened only to a stake in the ground and extending not more than three (3') feet above the surface of such Lot advertising the property for sale.

2. Political Signs. Pursuant to Texas Elections Code §259.002, or its successor statute, political signs are approved as temporary signage on Lots for all local, state, or federal election purposes, provided that they meet the following criteria:

- (a) Maximum sign size cannot exceed 4 feet by 6 feet.
- (b) Signs must be ground mounted. No sign can be mounted on any exterior part of the dwelling, garages, patios, fences or walls.
- (c) Signs may be posted not more than 90 days prior to the election and must be removed within 10 days after the election.
- (d) Signs may not contain roofing material, siding, paving materials, flora, one or more balloons or lights, or any other similar building, landscaping, or nonstandard decorative component.
- (e) No sign can be attached in any way to plant material, a traffic control device, a light, a trailer, a vehicle, or any other existing structure or object.
- (f) No sign may involve the painting of architectural surfaces.
- (g) No sign may threaten the public health or safety or violate a law.
- (h) No sign may contain language, graphics, or any display that would be offensive to the ordinary person.
- (i) No sign may be accompanied by music or other sounds or by streamers or is otherwise distracting to motorists.
- (j) Political signs are prohibited on any Common Area or facilities owned by the Association, including any street right-of-way or utility easements.
- (k) Only one sign per candidate or ballot item shall be allowed.

3. School Spirit Signs. Signs containing information about one or more students residing in the Townhome and the school they attend shall be permitted so long as the sign is not more than 36" x 36" and is fastened only to a stake in the ground. There may be no more than one sign for each student residing in the Townhome, and said signs may not be displayed more than ten (10) days in any calendar month, for more than three (3) months in a calendar year.

4. Security Signs/Stickers. Signs or stickers provided to an Owner by a commercial security or alarm company providing service to the Townhome shall be permitted so long as the sign is not more than 8" x 8" or the sticker is no more than 4" x 4". There shall be no more than one sign and no more than six (6) stickers located on the windows or doors. Stickers shall also be permitted upon windows and doors for a "Child Find" program or a similar program sponsored by local police and/or local fire department.

All signs and emblems within the Subdivision are subject to Guidelines that may be promulgated by the Board and/or the ARC.

A Builder and/or the Declarant may place certain information and advertising signs on Lots without the prior permission of the ARC, so long as such signs are similar to those listed as acceptable for Builder use in the Guidelines, and so long as such signs do not otherwise violate this Declaration.

If any sign is placed within the Subdivision, including but not limited to the streets, street rights-of-way, and Common Areas, in violation of this Declaration or the Dedicatory Instruments, the Board or its agents shall have the right but not the obligation to enter upon any Lot, street, street right-of-way, or Common Areas and remove and/or dispose of any such sign violation, and in doing so shall not be subject to any liability for trespass, other tort or damages in connection with or arising from such entry, removal and/or disposal nor in any way shall the Association or its agent be liable for any accounting or other claim for such action.

Guidelines may be established from time to time addressing the display of signs, including but not limited to billboards, posters, school activities, political signs, security signs/stickers and advertising devices within the Subdivision. The right is reserved by Declarant to construct and maintain, or to allow Builders to construct and maintain signs and other advertising devices on land they own and on the Common Area as is customary in connection with the sale of developed tracts and newly constructed residential Townhomes. In addition, the Declarant and the Association shall have the right to erect and maintain directional and informational signs along the streets within the Property and identifying signs and monuments at entrances to the Subdivision.

R. Swimming Pools/Spas

No above ground swimming pools are permitted. All swimming pools and spas require prior written approval by the ARC as set forth herein.

S. Tree Removal

No trees greater than three (3) caliper inches to be measured at a point six (6) inches above grade shall be removed, except for diseased or dead trees and trees needing to be removed to promote the growth of other trees or for safety reasons, unless approved in writing by the ARC. In the event of an intentional or unintentional violation of this Section, the violator may be required to replace the removed tree with one (1) or more comparable trees of such size and number, and in such locations, as the Board may determine necessary, in its sole discretion, to mitigate the damage.

T. Window Air Conditioning Units

No window or wall type air conditioners shall be permitted to be used, placed, or maintained on or in any building on the Lots, with the exception that window or wall type air conditioners shall be permitted for the benefit of a garage if such air conditioning unit is located at the rear of the garage unit and is screened from Public View. All window air conditioning units require prior written ARC approval as set forth herein.

All livings areas within the home, including any room additions, must be centrally air-conditioned, unless otherwise approved by the ARC. Units that are alternatives to centrally air-conditioned units must be screened from Public View and will require ARC approval.

U. Wind Turbines

No device used to convert wind into energy, including by way of illustration and not limitation, wind turbines, wind pumps, wind chargers and windmills, shall be permitted to be used, placed, or maintained in any location within the Subdivision. Provided, however, this provision does not apply to Common Areas within the Subdivision. The Board shall have the sole discretion to determine what devices are prohibited pursuant to this provision.

V. Window Treatments

Within three (3) months of occupying a Townhome, an Owner shall install appropriate window treatments in keeping with the Community Wide Standard. Appropriate window treatments would include, by way of illustration and not limitation, curtains and draperies with backing material of white, light beige, cream, light tan, or light gray; blinds or miniblinds of the same colors or natural wood; and/or shutters of the same colors or natural wood. No other window treatment color may be visible from the exterior of the Townhome. The Board shall have the sole discretion to determine what window treatments are appropriate.

Expressly prohibited both before and after the initial three (3) months of occupancy are any temporary or disposable coverings not consistent with the Community Wide Standard, such as reflective materials, newspapers, shower curtains, fabric not sewn into finished curtains or draperies, other paper, plastic, cardboard, or other materials not expressly made for or commonly used by the general public for window coverings in a residential subdivision of the same caliber as the Subdivision.

## ARTICLE VII. COMMON AREA

The Board, subject to the rights of the Members set forth in this Declaration and any amendments or Supplemental Amendments thereto, shall be responsible for the exclusive management and control of the Common Area, if any, and all improvements thereon and shall keep it in good, clean, attractive, and sanitary condition. No Owner or Occupant may appropriate any portion of the Common Area or any improvement thereon for his or her own exclusive use. Any Owner or Occupant that causes damage to the Common Area shall be financially responsible for said damage. The cost of repair, if not timely paid by the Owner (subject to any notice that may be required by law), shall be assessed against the Owner's Lot and secured by the continuing lien set forth in this Declaration.

The Declarant, and its designees, may transfer or convey at any time to the Association interests in real or personal property within or for the benefit of the Subdivision, and the Association is hereby obligated to accept such transfers and conveyances, even if such transfer or conveyance occurs after the termination of the Development Period. Such property may be improved or unimproved and may consist of fee simple title, easements, leases, licenses, or other

real or personal property interests. Real property transferred to the Association by the Declarant, or its designees, may be transferred via a deed without warranty; provided, however, the property shall be transferred free and clear of all liens and mortgages at the time of such transfer. Upon the Declarant's written request, the Association shall reconvey to the Declarant any unimproved real property that the Declarant originally conveyed to the Association for no payment, to the extent conveyed in error or needed to make minor adjustments in property lines or accommodate changes in the development plan.

Owners hereby covenant (i) not to possess any Common Area in any manner adverse to the Association, and (ii) not to claim or assert any interest or title in any Common Area. Owners hereby waive their right to adversely possess any Common Area, and hereby acknowledge and agree that any claim of adverse possession by an Owner of any Common Area shall be void.

## **ARTICLE VIII. NOTICES AND EASEMENTS**

### **A. Easements for Common Area**

There is reserved for the benefit of Declarant, the Association, and their designees, a perpetual, non-exclusive right and easement of access and encroachment over Common Areas in order to enter upon and across such portions of the Property for the purpose of exercising rights and performing obligations under this Declaration. All persons entitled to exercise these easements shall use reasonable care in, and repair any damage resulting from, the intentional exercise of such easements. Nothing herein shall be construed to make Declarant or any other person or entity liable for damage resulting from flood due to hurricanes, heavy rainfall, or other natural disasters.

There is further reserved for the Declarant, the Association and/or their designees an easement for the over spray of herbicides, fungicides, pesticides, fertilizers, and water over portions of the Subdivision located adjacent to the Common Area.

### **B. Easements to Serve Additional Property**

The Declarant and Association, including their duly authorized agents, representatives, and employees, designees, successors, assignees, licensees, and mortgagees, shall have and there is hereby reserved an easement over the Common Areas for the purposes of enjoyment, use, access and development of any annexed property. This easement includes but is not limited to a right of ingress and egress over the Common Areas for construction of roads and for tying in and installation of utilities on any annexed property.

Declarant agrees that if an easement is exercised for permanent access to any annexed property and such property or any portion thereof is not made subject to this Declaration, the Declarant shall enter into a reasonable agreement with the Association to share the cost of maintenance to any access roadway serving the property. Such agreement shall provide for sharing of costs based on the ratio that the number of Townhomes or buildings on that portion of the property that is served by the easement and is not made subject to this Declaration bears to the total number of Townhomes and buildings within the Subdivision.

C. Utilities and General

There are hereby reserved unto Declarant, so long as the Declarant owns any Property, the Association, and the designees of each (which may include, without limitation, Smith County and any utility companies) access and maintenance easements upon, across, over, and under all of the Property to the extent reasonably necessary for the purpose of replacing, repairing, and maintaining any or all of the following which may exist now or in the future: cable television systems, master television antenna systems, monitoring and similar systems, roads, walkways, bicycle pathways, wetlands, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewers, meter boxes, telephone, gas, and electricity, and for the purpose of installing any of the foregoing on Property that Declarant owns or within easements designated for such purposes on recorded plats of the Property. Notwithstanding anything to the contrary herein, this easement shall not entitle the holders to construct or install any of the foregoing systems, facilities, or utilities over, under or through any existing Townhome; any damage to a Lot resulting from the exercise of this easement shall promptly be repaired by, and at the expense of, the person or entity exercising the easement. The exercise of this easement shall not unreasonably interfere with the use of any Lot.

Without limiting the generality of the foregoing, there are hereby reserved for the local water supplier, electric company, cable company and natural gas supplier easements across all the Common Areas for ingress, egress, installation, reading, replacing, repairing and maintaining utility meters boxes, installation equipment, service equipment, and any other device, machinery or equipment necessary for the proper functioning of the utility; however, the exercise of this easement shall not extend to unauthorized entry into the Townhome on any Lot, except in an emergency. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Property, except as may be approved by the Board or Declarant.

D. Private Drive

There is hereby created a nonexclusive perpetual reciprocal easement in favor of the Declarant, the Association, and all Owners and Occupants for purposes of vehicular and pedestrian ingress and egress to, from, over and across entrances and Private Drive in the Property, but not for parking, occupancy, recreation, or any other use. The Declarant, and after the expiration of Class B Membership, the Board, retains the right to exclude property, or portions thereof, from this reciprocal easement for such purposes as the Board determines.

E. Easements for Encroachment and Overhang

There shall be reciprocal appurtenant easements for encroachment and overhang (as well as an easement for repair and maintenance of any such encroachment and overhang) as between each Townhome and such portion or portions of the Common Area adjacent thereto, or as between adjacent Townhomes due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than three (3) feet, as measured from any point on the common boundary between each Townhome and the adjacent portion of the Common Area or

as between adjacent Townhomes, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association. The easements for encroachment and overhang also include and allow for drainage from any overhang on to adjacent Townhomes.

F. Notice of Industrial Use of Adjacent Property

Owners are advised that property near or adjacent to the Subdivision may be used for industrial purposes including but not limited to an asphalt plant. Owners and Occupants hereby agree to hold harmless the Declarant and the Association and release them from any liability for claims of damage or injury related to the existence, operation, or use of such adjacent property. Each Owner and Occupant acknowledge and understand that the Association, its Board, and the Declarant do not have the ability to control the use of such adjacent property and are in no way liable for any nuisance or noise related thereto. Each Owner and Occupant further acknowledge that neither the Association, its directors, officers, managers, agents, or employees, nor Declarant or any successor declarant have made representations or warranties, and any Owner or Occupant has not relied upon any representations or warranties, expressed or implied, relative to the use of the adjacent property.

## **ARTICLE IX. DEED RESTRICTION ENFORCEMENT**

A. Authority to Promulgate Rules, Policies and Guidelines

The Board has the authority, without the obligation, to promulgate, amend, cancel, limit, create exceptions to, and enforce reasonable rules, policies, and Guidelines, including but not limited to rules and policies concerning the administration of the Property, the enforcement of the Dedicatory Instruments, the use and enjoyment of the Property, limitations on the use of the Common Area, establishing and setting the amount of fines for violations of the Dedicatory Instruments and all fees and costs generated in the enforcement of the Dedicatory Instruments. Such rules, policies, and Guidelines shall be binding upon all Owners and Occupants, if any. The rights and remedies contained in this Article are cumulative and supplement all other rights of enforcement under applicable law.

B. Attorney's Fees and Fines

In addition to all other remedies that may be available, after giving notice and an opportunity to be heard as may be required by Chapter 209 of the Texas Property Code, as same may be amended, the Association has the right to collect attorney's fees and/or fines as set by the Board from any Owner that is in violation of the Dedicatory Instruments, any applicable Supplemental Amendment or amendments, any Guidelines, or any other rule or regulation promulgated by the Board pursuant to the provisions set forth herein. Said attorney's fees and fines shall be added to the violating Owner's Assessment account and shall be secured by the continuing lien on the Lot.

### C. Remedies

Every Owner shall comply with all provisions of the Dedicatory Instruments. Failure to comply shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, maintainable by the Association. In addition, the Board has the authority, but not the obligation, to enforce the covenants, conditions and restrictions contained in the Dedicatory Instruments, and to regulate the use, maintenance, repair replacement, modification, and appearance of the Subdivision, and may avail itself of any and all remedies provided in the Dedicatory Instruments and local, state, and federal law. Notwithstanding anything contained herein to the contrary, the Board shall have no duty, legal or otherwise, to institute legal or other proceedings on behalf of or in the name of an Owner.

The decision to pursue enforcement action in any particular case shall be left to the Board's discretion. Without limiting the generality of the foregoing sentence, the Board may determine that, under the circumstances of a particular case:

- (i) the Association's position is not strong enough to justify taking any or further action;
- (ii) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or
- (iii) that it is not in the Association's best interests, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action.

Such decision shall not be construed a waiver of the Association's right to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any Dedicatory Instrument.

### D. Enforcement by Owners

Each Lot Owner is empowered to enforce the covenants, conditions and restrictions contained in the Dedicatory Instruments; provided, however, no Owner shall have the right to enforce the lien rights retained in this Declaration in favor of the Association and/or other rights, regarding Assessments, retained by the Association.

### E. Self Help

"Self Help" shall mean the authority, but not the obligation, of the Association, upon approval of not less than a majority of the Board members, to enter upon a Lot and cause to be performed any of the Owner's maintenance and repair obligations, or acts required by that Owner to bring his/her Lot into compliance with the Dedicatory Instruments, if said Owner fails to perform same after written demand from the Board. In exercising its Self Help remedy, the Association shall not be subject to any liability for trespass, other tort or damages in connection with or arising from such exercise of Self Help, or in any way shall the Association or its agent be liable for any accounting or other claim for such action. The Association has the right, but not the

obligation, to enter into any Lot for emergency, security, and safety reasons, and to inspect for the purpose of ensuring compliance with the Dedicatory Instruments, which right may be exercised by the Association's Board, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in the case of emergency situations, and as otherwise specified herein, the Association must give the violating Owner notice as may be required by law, of its intent to exercise Self Help.

Subject to any notice that may be required by law, any costs incurred by the Association in the exercise of its Self Help remedy are the personal obligation of the person or entity who was the Owner of the Lot at the time when the Self Help costs were incurred. Subject to any notice that may be required by law, the costs incurred by the Association in exercising its Self Help remedy, which costs may include by way of illustration and not limitation, the actual costs incurred by the Association and an administrative fee set by the Board, may be charged to the subject Owner's Assessment account and are secured by the continuing lien created herein.

## ARTICLE X. ARCHITECTURAL RESTRICTIONS

**NOTE WELL:** The provisions of this Article are broad and sweeping and an extremely wide range of activities are regulated hereby. Owners are advised to review this Article and the Guidelines carefully to ensure that they comply with all of the requirements before commencing any work or engaging in any activity on or in connection with their Lot or Townhome to ensure they comply with all of the provisions set forth herein and in the Guidelines. Work commenced, performed, or completed without prior approval as required herein, in the Guidelines, or otherwise in violation of the terms of this Declaration, the Guidelines, or applicable law may subject the Owner of the Lot to substantial costs, expenses, fees, and penalties, which may be in addition to a requirement that the Lot and/or Townhome be restored to its original condition. Construction may not be commenced until prior written approval is received from the ARC.

### A. Architectural Review Committee - "ARC"

The ARC shall be a committee of the Board. The initial ARC shall be composed of the individuals designated as the initial members of the Board as set forth in the Association's Certificate of Formation; provided however, the Declarant shall have the sole authority to designate all members of the ARC who need not be members of the Board. One member of the ARC may be designated as the representative to act on behalf of the ARC. During the Development Period, the Declarant reserves the right to appoint replacements as necessary by reason of resignation, removal, or incapacity. The Declarant shall retain the right of ARC appointment and removal until the first to occur of the following:

1. the Declarant no longer owns any portion of the Property, or
2. the Declarant so desires to relinquish its authority over ARC appointment.

At such time, the Board of the Association shall have the right to replace such ARC members by duly appointing Owners who are Members in Good Standing with the Association,

provided that such appointments are in compliance with Section 209.00505 of the Texas Property Code or its successor statute. The Board reserves the right to appoint replacements as necessary by reason of resignation, removal, or incapacity. Such removal and/or appointment shall be at the sole authority and discretion of the Board and the Board shall have the right to review any action or non-action taken by the ARC and shall be the final authority.

At any time prior to the happening of (1) or (2) above, the Declarant may, without obligation, assign to the Board, or such other person the Declarant deems appropriate, all or a portion of Declarant's ARC rights and/or the responsibility for review and approval of modifications to existing Townhomes.

Guidelines may be promulgated and amended by the Declarant during the Development Period. After the expiration of the Development Period, Guidelines may be promulgated and amended by the Board. Provided however, any such amendments shall not be applied retroactively to reverse a prior approval granted by the ARC or the Board to any Owner. Guidelines may be modified or amended as deemed necessary and appropriate for the orderly development of the Subdivision, including, but not limited to, those portions of the Guidelines regarding workmanship, materials, building methods, observance of requirements concerning installation and maintenance of public utility facilities and services, and compliance with governmental regulations. Subject to the provisions herein, there shall be no limitation on the scope of amendments to the Guidelines, and such amendments may remove requirements previously imposed or otherwise make the Guidelines less restrictive. The rules, standards, and procedures set forth in the Guidelines, as same may be amended from time to time, shall be binding and enforceable against each Owner in the same manner as any Dedicatory Instrument. Further, different Guidelines for additional property that may be annexed into the Property may be promulgated.

The ARC shall have the authority, but not the obligation, to delegate review and approval or denial of plans for modifications of existing improvements within the Subdivision to a Modifications Committee. The members of the Modifications Committee shall be appointed, and may be removed, by the Declarant during the Development Period, and thereafter by the Board. A denial by the Modifications Committee, if it is created, may be appealed to the ARC.

**B. ARC Approval Required**

No buildings, additions, modifications (including tree removal) or improvements shall be erected, placed, or performed on any Lot until the construction plans and specifications including, but not limited to, the site plan, design development plan, and exterior plan have been submitted in duplicate to and approved in writing by the ARC as hereinafter provided. Builders may submit their design plans as master design plans, which plans shall include all specifications, including specifications as to brick color and paint color that may be used when building each design. In the event the ARC fails to approve such plans and specifications within thirty (30) days after the receipt thereof, they shall be deemed to be disapproved. In no case may construction begin prior to approval of plans by the ARC. If plans are disapproved, no construction can commence until revised plans are submitted and approved by the ARC. The Board has the right to establish and charge a review fee, to be paid at the time of submittal of plans and any revisions. If a fee is set

and not paid, the thirty (30) day-time period set out herein shall not begin to run until the fee is paid.

The ARC is hereby vested with the right, but not the obligation, to refuse to review a request for an improvement or modification, or to deny such a request, if the Owner requesting same is not a Member in Good Standing. The Board, on behalf of the ARC, may retain and/or delegate review of plans and specifications to a designated AIA architect or other such person or firm as may be designated by the Board, experienced or qualified to review same, who may then render an opinion to the ARC or Board. Approval of plans and specifications shall not cover or include approval for any other purpose and specifically, but without limitation, shall not be construed as any representation as to or responsibility for the structural design or engineering of the improvement or the ultimate construction thereof.

The Board shall have the authority hereunder to require any Owner or Owner's agents or contractors to cease and desist in constructing or altering any improvements on any Lot, where such actions have not first been reviewed and approved, constitute a violation of the Dedictory Instruments or any other documents promulgated by the Board pursuant to the provisions set forth herein. Written notice may be delivered to the Owner, or any agent or contractor with apparent authority to accept same, and such notice shall be binding on Owner as if actually delivered to Owner. The violating Owner shall remove such violating improvements or sitework at its sole expense and without delay, returning same to its original condition or bringing the Lot into compliance with the Dedictory Instruments and any plans and specifications approved by the ARC for construction on that Lot. If an Owner proceeds with construction that is not approved by the ARC, or that is a variance of the approved plans, the Association may assess fines as provided for herein, and may continue to assess such fines until ARC approval is granted or the violation is removed. This Declaration is notice of such liability for violation and Owners hereby agree to bear the cost and expense to cure any violations according to this provision, regardless of the substantial cost, time or loss of business involved. Each Owner acknowledges that it may not always be possible to identify objectionable features of proposed construction or alteration of improvements until such construction and/or alteration is completed, in which case it may be unreasonable to require changes to the improvements involved; however, the ARC may refuse to approve similar proposals in the future.

The Board or its agents or assigns shall have the right, but not the obligation, to enter any Lot to determine if violations of this Declaration, the Guidelines, or any other Dedictory Instrument exist. In so doing, the Board or its agents or assigns shall not be subject to any liability for trespass, other tort or damages in connection with or arising from such entry nor in any way shall the Association or its agent be liable for any accounting or other claim for such action.

The ARC shall have the right to set reasonable time constraints for both the commencement and completion of construction, which constraints shall be no less than ninety (90) days to commence construction and no more than nine (9) months to complete construction. If construction fails to start before the designated commencement date or is not completed before the designated completion date the plans shall be deemed not approved. Plan approval shall be effective for twelve (12) months after issued by the ARC. If no construction has been commenced

within the twelve (12) month period after ARC approval, the plan approval shall expire, and plans must be re-submitted prior to commencement of construction.

C. Building Setbacks

No Townhome or other structure (including any protrusion from same) shall be erected nearer to any street or property line than as established herein, in a Supplemental Amendment, in the Guidelines or the applicable plat or other Dedicatory Instrument. In the event there is a conflict between the Guidelines, this Declaration, any other documents imposed upon the Property that contain a setback requirement, and the applicable plat, the more restrictive will control. Notwithstanding anything to the contrary herein, in no case shall any setback on any Lot be less than the width of any easement existing on a Lot, as shown on the applicable plat. All Townhomes shall be oriented to the front of the Lot. All Lots shall have a minimum rear setback of the width of any easement. Setbacks for Townhomes are as established in the Guidelines, this Declaration, or the Plat. The footprint of a Townhome as originally constructed may not be increased in size.

D. Landscaping

All open, unpaved space on the front and sides of a Lot shall be planted and landscaped. Landscaping in accordance with the plans approved by the ARC must be installed prior to occupancy of any Dwelling constructed on the Property. Any significant changes in the existing landscaping on any Lot must have prior written approval from the ARC. Notwithstanding anything contained herein to the contrary, landscaping minimum standards may be established in the Guidelines. The ARC shall have discretion to determine if, as, or when the landscaping on a Lot does not meet the minimum standards established in the Guidelines.

E. Grading and Drainage

Topography of each and every Lot must be maintained with proper grading and drainage systems such that runoff of water (rain or other precipitation, or manmade irrigation) does not cause undue erosion of the subject Lot itself or any other Lots, whether adjacent to the subject Lot or not, or to the Common Areas. Owners causing (either directly or indirectly) erosion or other incidental damage to personal or real property due to inadequate or defective grading or drainage measures on their own Lot, or because of excess runoff shall be liable to all such damaged parties for the replacement, repair and/or restoration of such damaged real or personal property. Owners shall be responsible for ensuring that all local, state, and federal rules and regulations regarding drainage and run-off are met. Box culverts and other drainage improvements may be installed on some Lots by Declarant and, if installed, shall be maintained by the Association. An Owner may not block or otherwise adversely affect drainage in the Subdivision.

F. Temporary Structures

Temporary structures may only be erected on undeveloped Property by Builders with the prior written approval of the ARC, or the Declarant. By way of illustration and not limitation, temporary structures may include construction trailers and temporary construction debris receptacles. All temporary structures shall be maintained in good condition and all construction

debris shall be contained to the site. Time limitations for such structures are limited to the period of active and exclusive construction and sales within the Subdivision.

G. Garages

Townhomes must at all times have an attached garage capable of housing two (2) vehicles. Garages are required to maintain fully operational overhead doors which are in good condition at all times. No garages may be used for or converted to a living area.

H. Size Requirements

All Townhomes must contain a minimum of 1,200 square feet and a maximum of 2,000 square feet of living area which shall not include porches, garages, or non-airconditioned areas. Specific square footage requirements that correlate with the number of bedrooms in a Townhome may be set forth in Guidelines.

Notwithstanding anything contained herein to the contrary, the Declarant hereby reserves the unilateral right to develop the Subdivision, and/or any additional property which may be subjected to this Declaration, in any manner consistent with residential use, including but not limited to Townhomes which may contain higher or lower square footage in other portions of the Subdivision.

I. Maximum Height and Roof

All Townhomes shall be single-story and shall have a maximum height of twenty-eight feet (28') when measured from finished floor to the highest point on the roof. Roofing material shall be composition shingles, and the roof pitch shall be 7/12.

J. Mailboxes

Mailboxes shall be community cluster mailboxes, which shall be location on Common Area and maintained by the Association. Individual mailboxes on a Lot are not permitted.

K. No Additions

Modifications or additions to the structure or roof of a Townhome are prohibited. This shall include, without limitation, patio roof extensions or porch swings installed on structural beams.

## ARTICLE XI. VARIANCES

The Board, or its duly authorized representative, may authorize variances from compliance with any of the architectural provisions of this Declaration or Dedictory Instruments, unless specifically prohibited, including restrictions upon height, size, placement of structures, or similar restrictions, when circumstances such as topography, natural obstruction, hardship, aesthetic, or environmental considerations may require. Such variances must be evidenced in writing, must be approved by at least a majority of the Board, and shall become

effective upon execution. The variance must be signed by a member of the Board and recorded in the Official Public Records of Smith County, Texas. If such variances are granted, no violation of the covenants, conditions, or restrictions contained in this Declaration and/or the Dedicatory Instruments shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration and/or the Dedicatory Instruments for any purpose except as to the particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all applicable governmental laws and regulations.

No granting of a variance shall be relied on by any Member or Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Declaration and/or the Dedicatory Instruments. Action of the Board in granting or denying a variance is a decision based expressly on one unique set of circumstances and need not be duplicated for any other request by any party or the same party for any reason whatsoever.

Notwithstanding anything contained herein to the contrary, during the Development Period, the Declarant shall have the unilateral right to grant a variance of any of the covenants, conditions and restrictions contained herein so long as the variance is in keeping with the aesthetics of the Subdivision.

## ARTICLE XII.        LIMITATION OF LIABILITY

NEITHER DECLARANT, THE ASSOCIATION, THE ARC, THE BOARD, NOR ANY OF THE RESPECTIVE OFFICERS, AGENTS, MANAGERS, PARTNERS, DIRECTORS, SUCCESSORS OR ASSIGNS OF THE ABOVE, SHALL BE LIABLE IN DAMAGES OR OTHERWISE TO ANYONE WHO SUBMITS MATTERS FOR APPROVAL TO ANY OF THE ABOVE-MENTIONED PARTIES, OR TO ANY OWNER AFFECTED BY THIS DECLARATION BY REASON OF MISTAKE OF JUDGMENT, NEGLIGENCE, OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL, DISAPPROVAL, OR FAILURE TO APPROVE OR DISAPPROVE ANY MATTERS REQUIRING APPROVAL HEREUNDER. APPROVAL BY THE ARC, THE BOARD, OR THE ASSOCIATION, OR ANY OF THEIR RESPECTIVE OFFICERS, PARTNERS, DIRECTORS, AGENTS, MANAGERS, SUCCESSORS OR ASSIGNS, IS NOT INTENDED AS ANY KIND OF WARRANTY OR GUARANTEE AS TO THE INTEGRITY OR WORKABILITY OF THE PLANS NOR THE CONTRACTORS USED.

## ARTICLE XIII.        ASSESSMENTS

### A.        Creation of the Lien and Personal Obligation of Assessments

The Owners of any Lot, by virtue of ownership of Property within the Subdivision, covenant and agree to pay to the Association all applicable assessments and any fines, penalties, interest and costs as more particularly set forth in this Declaration and any Supplemental Amendment, including but not limited to the following:

1.        Annual Assessment
2.        Special Assessment

### 3. Capitalization Fee

The Annual Assessment, Special Assessment, and Capitalization Fee (each defined hereinafter) and any other assessment or charge set forth in this Declaration or a Dedicatory Instrument (collectively the "Assessment"), together with attorney's fees, late fees, interest, and costs shall be a charge and continuing lien in favor of the Association upon the Lot against which each such Assessment is made. Each such Assessment, together with attorney's fees, late fees, interest and costs, shall also be the personal obligation of the person or entity who was the Owner of the land at the time when the Assessment became due. No diminution or abatement of Assessments or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or the Board under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association. The obligation to pay Assessments is a separate covenant on the part of each Owner of a Lot.

## B. Annual Assessments

### 1. Purpose

The Lots within the Subdivision shall be subject to the "Annual Assessment". Annual Assessments levied by the Association shall be used for any legal purpose for the benefit of the Subdivision as determined by the Board and, in particular, may, by way of example and not limitation or obligation, include maintenance, repair, or improvement of the exterior of any building or Townhome as permitted by this Declaration, any Common Area, sidewalks, pathways, fountains, parkways, esplanades, setbacks and entryways, patrol service, street cleaning, street lighting, mosquito control, landscape architecture, greenbelts, fences or walls, regulatory signage or directional signage, signalization, special pavement markings, entrances and entrance monuments, public or private art or sculptures, other services as may be in the Property's and Owners' interest and all buildings, services, improvements and facilities deemed necessary or desirable by the Board in connection with the administration, management, control or operation of the Subdivision.

The Association may, in its sole discretion, give one or more of the purposes set forth herein preference over other purposes, and it is agreed that all expenses incurred and expenditures and decisions made by the Association in good faith shall be binding and conclusive on all Members. Esplanades, setbacks, and entryways that are not contained in any Common Area may be included in the Association's maintenance if, in the sole discretion of the Board, the maintenance of such areas benefits the Association's Members. Such shared agreements for maintenance and improvement shall require the consent of a majority of the total number of directors of the Association. Additionally, Annual Assessments levied by the Association may be used, in the sole discretion of the Association, to pay the Association's fair allocation for costs related to the participation in any agreement with other property owners' associations or with owners or operators of nearby property for the benefit of Association Members, such as to consolidate services,

reduce costs, and provide consistency and economy of scale. Approval to enter such agreements shall require a majority vote of the Board, and the Board may act unilaterally to negotiate, execute, modify, or terminate such contractual arrangements.

2. Creation

Payment of the Annual Assessment shall be the obligation of each Owner, subject to the provisions below, and shall constitute a lien on the Lot(s), binding and enforceable as provided in this Declaration.

3. Rate

The amount of the Annual Assessment will be established by the Board of Directors of the Association. There shall be three rates of Annual Assessment, based on the size of an Owner's Townhome, as described on Exhibit "A", attached hereto and incorporated herein. The three rates shall be identified as the Azalea Rate, the Bradford Rate, and the Dogwood Rate.

Declarant shall elect annually to pay the deficit between the total approved operating budget for the year less the total amount due by Class A Members (the "Deficit"), or elect to pay Annual Assessments, so long as there is a Deficit, at the rate of fifty percent (50%) of the amount assessed Class A Members for each Lot owned. Notwithstanding anything contained herein to the contrary, the Declarant is hereby vested with the authority, without the obligation, to elect to pay the lesser of the options set forth in the previous sentence, even if the option selected results in the Declarant owing nothing. The Declarant's obligation to fund the deficit shall automatically terminate without further action or consent by any party, when Declarant no longer owns a Lot. Declarant is required to provide written notice to the Board each year by September 1<sup>st</sup> of the elected option. Failure to provide such notice will result in Declarant being billed in the manner of the last option taken by Declarant. If no option has ever been taken by Declarant, then Declarant shall be billed the difference between the total approved operating budget for the year less the total amount due by Class A Members. Notwithstanding the foregoing, all funds paid by the Declarant to the Association shall constitute a loan by the Declarant to the Association, secured by a lien in favor of the Declarant for such amount.

A Builder shall be responsible to pay fifty percent (50%) of the applicable Annual Assessment of other Lot Owners, for the period of time that the Builder owns a Lot, provided that, a Builder shall not be obligated to pay any portion of the Annual Assessment until a Townhome is completed and a certificate of occupancy is issued by the City of Tyler. Notwithstanding anything contained herein to the contrary, any Lot being used by Declarant or Builder as a model home or sales office Lot shall not be subject to any Assessments created herein. Upon conveyance of such model home or sales office Lot to a purchaser, said Lot shall thereafter be subject to all Assessments and charges provided for in this Declaration and as secured by the lien created herein.

4. Commencement

For purposes of calculation, the initial Annual Assessment for a Lot shall commence on the date of closing.

5. Proration

An Owner's initial Annual Assessment, calculated on a monthly basis shall be paid for the first month at closing, regardless of the number of days remaining in that calendar month.

6. Levying of the Assessment

The Annual Assessment shall be levied at the sole discretion of the Board. The Board may elect to make the Annual Assessment payable other than annually. The Board has discretion as to whether the payment period (semi-annually, quarterly, or monthly) is to be applied uniformly as to all Owners or in a customized manner as to a particular Owner(s). The Board shall determine the due date and delinquency date attached to any such payment period. The Board shall determine the sufficiency or insufficiency of the then-current Annual Assessment to reasonably meet the expenses for providing services and capital improvements in the Subdivision and may, at its sole discretion and without a vote by the Members, increase the Annual Assessment in an amount up to fifteen percent (15%) annually. The Annual Assessment may only be increased by more than fifteen percent (15%) annually if such increase is approved by Owners of a majority of the Lots present, in person or by proxy, at a meeting called for said purpose at which a quorum is present in person or by proxy. The Annual Assessment shall not be adjusted more than once in a calendar year nor shall any increase be construed to take effect retroactively, unless otherwise approved by Owners of a majority of the Lots subject to such Annual Assessments present at a meeting called for said purpose at which a quorum is present in person or by proxy.

Annual Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price and method of payment differentials. The Board may require advance payment of Annual Assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment.

C. Special Assessment

In addition to the Annual Assessment authorized above, the Association may levy a "Special Assessment" applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, modification, repair or replacement of a capital improvement in the Common Area, or any unbudgeted expenses or expenses in excess of those budgeted, unusual, infrequent expense benefiting the Association, provided that any such Special Assessment shall have the approval of both (i) the Owners of a majority of the Lots present at a meeting duly called for this purpose at which a quorum is present in person or by proxy; and (ii) the written approval of the Declarant during the Development Period. Such Special Assessments

will be due and payable as set forth in the resolution authorizing such Special Assessment and shall be levied only against those Owners subject to the Annual Assessment as set forth hereinabove and shall be prorated in accordance therewith. The Association, if it so chooses, may levy a Special Assessment against only those Lots benefited by or using the capital improvement for which the Special Assessment is being levied. Special Assessments shall be due upon presentment of an invoice, or copy thereof, for the same to the last-known address of the Owner. Declarant shall not be obligated to pay Special Assessments.

D. Capitalization Fee

Each purchaser of a Lot within the Subdivision, other than the Declarant, hereby covenants and agrees to pay to the Association a capitalization fee, which shall be an amount equal to twenty percent (20%) of the then-current Annual Assessment (the "Capitalization Fee"), unless otherwise determined by the Board. Such Capitalization Fee shall be payable to the Association at the closing of the transfer of title to a Lot and shall not be prorated. The Capitalization Fee is in addition to, not in lieu of, the monthly payments of the Annual Assessment and will not be considered an advance payment of any portion of the Annual Assessment. The payment of the Capitalization Fee is secured by the continuing lien set forth herein and shall be collected in the same manner as Assessments.

The transferring Owner shall notify the Association's Secretary, or managing agent, of a pending title transfer at least seven (7) days prior to the transfer. Such notice shall include the name of the purchaser, the date of title transfer, and other information as the Board may require.

E. Collection and Remedies for Assessments

1. The Assessments provided for in this Declaration, together with attorneys' fees, interest, late fees, and costs as necessary for collection, shall be a charge on and a continuing lien upon the land in favor of the Association against which each such Assessment is made. Each such Assessment, together with attorney's fees, interest, late fees, and costs, shall also be the personal obligation of the Owner of the Lot at the time the Assessment became due.
2. Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) eighteen percent (18%) or (ii) the maximum non-usurious rate of interest. No Owner may waive or otherwise escape liability for the Assessments provided for in this Declaration by reason of non-use or abandonment.
3. In order to secure the payment of the Assessments hereby levied, a lien is hereby created in favor of the Association and shall run with title to each Lot in the Subdivision, which lien may be foreclosed upon by the Association pursuant to the laws of the State of Texas; each Owner grants a power of sale to the Association to sell such property upon default in payment by any amount owed. Alternatively, the Association may judicially foreclose the lien or maintain an action at law to collect the amount owed.

4. The President of the Association, or his or her designee, is hereby appointed Trustee to exercise the Association's power of sale. Trustee shall not incur any personal liability hereunder except for his or her own willful misconduct.

5. Although no further action is required to create or perfect the lien, the Association may, as further evidence give notice of the lien, by executing and recording a document setting forth notice that delinquent sums are due the Association at the time such document is executed and the fact that a lien exists to secure the repayment thereof. The failure of the Association to execute and record any such document shall not, to any extent, affect the validity, enforceability, or priority of the lien. If required by law, the Association shall also give notice and an opportunity to cure the delinquency to any holder of a lien that is inferior or subordinate to the Association's lien, pursuant to Section 209.0091 of the Texas Property Code, or its successor statute.

6. In the event the Association has determined to foreclose its lien provided herein, and to exercise the power of sale hereby granted, such foreclosure may be accomplished pursuant to the requirements of Sections 209.0091 and 209.0092 of the Texas Property Code by first obtaining a court order in an application for expedited foreclosure under the rules adopted by the Supreme Court of Texas. Notwithstanding anything contained herein to the contrary, in the event that the laws of the State of Texas are changed to no longer require a court order in an application for expedited foreclosure, the Association may pursue foreclosure of its lien via any method established herein, including but not limited to nonjudicial foreclosure, as may be permitted by the then-current law, without the necessity of amending this Declaration.

7. At any foreclosure proceeding, any person or entity, including but not limited to the Declarant, Association, or any Owner, shall have the right to bid for such Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period such foreclosed Lot is owned by the Association following foreclosure, (1) no right to vote shall be exercised on its behalf; and, (2) no Assessment shall be levied on it. Out of the proceeds of such sale, there shall be paid all expenses incurred by the Association in connection with such default, including attorneys' fees and trustee's fees; second, from such proceeds there shall be paid to the Association an amount equal to the amount of Assessments in default inclusive of interest, late charges and attorneys' fees; and, third, the remaining balance, if any, shall be paid to such Owner. Following any such foreclosure, each Occupant of any such Lot foreclosed on and each Occupant of any improvements thereon shall be deemed to be a tenant-at-sufferance and may be removed from possession by any lawful means.

F. Subordination of the Lien to Purchase Money Mortgages

The lien for Assessments, including interest, late charges, costs, and attorney's fees, provided for herein shall be subordinate to the lien of any purchase money mortgage on any Lot. The sale or transfer of any Lot shall not affect the lien. The sale or transfer shall not relieve such Lot from lien rights for any Assessments thereafter becoming due. Where the mortgagee holding a purchase money mortgage of record or other purchaser of a Lot obtains title pursuant to

foreclosure of the mortgage, it shall not be liable for the share of the Assessments or other charges by the Association chargeable to such Lot that became due prior to such acquisition of title. However, from the date of foreclosure forward, such Assessments shall again accrue and be payable to the Association.

G. Notice of Delinquency

When the Association or its agent or designee gives a written notice of the Assessment to any Owner who has not paid an Assessment that is due under this Declaration, such notice will be mailed to the Owner's last known address. The address of the Lot shall be presumed to be the address for proper notice unless written notice of another address has been provided by the Owner to the Association.

#### ARTICLE XIV. GENERAL MAINTENANCE

A. Diminution of Hazards

To the extent necessary to prevent pest infestation, diminish fire hazards and/or diminish hazards caused by structural damage, the Association shall have the right, but not the obligation, through its agents, contractors and/or employees, to enter any unoccupied Townhome or other improvement located upon such Lot, without notice to take the action necessary to prevent such pest infestation, diminish such fire hazards or diminish hazards caused by structural damage at the Owner's expense. Any such expenses, including administrative fees set by the Board, incurred by the Association shall be secured by the continuing lien created herein. The cost, including administrative fees set by the Board, of such hazard diminution shall be the personal obligation of the Owner of the Lot on which it was performed and shall become part of the Assessment payable by the Owner and secured by the lien retained herein. Alternately, the Association or any Owner of a Lot may bring an action at law or in equity to cause the Owner to bring said Lot into compliance with these restrictions.

B. Liability, Cost and Approval

Neither the Association nor its agents, contractors, or employees shall be liable, and are expressly relieved from any liability, for trespass or other tort in connection with the performance of its maintenance, landscaping, or other work authorized in this Declaration.

C. Standard of Maintenance

All maintenance, whether the obligation of the Association or an Owner, shall be performed consistent with the Community-Wide Standard.

#### ARTICLE XV. ASSOCIATION'S MAINTENANCE OBLIGATIONS

A. Authorization and Easement for Association Maintenance

The Association or its agents shall be authorized to enter upon any Lot to perform its obligations or exercise its rights created hereunder, and in doing so shall not be subject to any liability for trespass, other tort, or damages in connection with or arising from such entry and maintenance, nor in any way shall the Association or its agents be liable for any accounting or other claim for such action. Furthermore, in the event an Owner fails to fulfill his/her maintenance obligations set forth herein in a manner consistent with the Community Wide Standard and satisfactory to the Board, the Board, after notice as may be required by law setting forth the action intended to be taken by the Association and after approval by a majority vote of the Board, shall have the right, but not the obligation, through its agent, contractors and/or employees, to enter upon said Lot to exercise its Self Help remedy to bring the Owner's Lot into compliance with the Dedicatory Instruments. Each Owner hereby grants to the Association an easement over and across such Owner's Lot and/or Townhouse, as applicable, for the purpose of such maintenance.

The Association is hereby granted a perpetual non-exclusive easement to the extent necessary for the right to enter upon a Townhome and/or Lot in order to perform its obligations or exercise its rights created hereunder. Said easement shall be over, across, under, and upon the Townhome and/or Lot, as applicable. If it becomes necessary for the Association to enter into a Townhome to perform its obligations or exercise its rights created hereunder, the Board, except in the case of an emergency and to the extent practicable, shall give the affected Townhome Owner(s) fifteen (15) days written notice setting forth the action intended to be taken by the Association. Such entrance by the Association shall not be withheld by the affected Townhome Owner(s).

Any maintenance, repair, or replacement that is not specifically assigned to the Association herein, shall be the responsibility of the Owners. The scope of such maintenance, repair and replacement obligations shall always be subject to the budgetary constraints of the Association.

B. Maintenance on Townhomes

The Association shall maintain, repair, and replace the roofs and the exterior building surfaces of the Townhomes so as to maintain uniformity of appearance as to all the Townhomes, as follows:

- (i) *Roofing and Roof systems:* repair, maintenance, and/or replacement of the roofs within the reasonable discretion of the Association, acting by and through its Board of Directors. The "roofs" as used herein shall be deemed to constitute only the exterior surfaces of the roof constituting the roofing shingles, the underlay beneath the shingles, the decking materials, the flashing and any guttering attached to the roofing eaves, plumbing and HVAC penetration vents, and roof jacks. The Association shall not have any responsibility to maintain, repair, or replace any trusses, beams or any portion of the structure supporting the roof. If any of such items which are the responsibility of the Owner require repair or replacement, and the Owners(s) of the Townhome fails or refuses to repair or replace same, the Association shall have the right, but not the obligation to do so and 110% of the cost of such repair and/or replacement shall be billed against the

respective Townhome(s) for which work is performed, such bill to be due upon receipt and if not timely paid, such bill shall be assessed as a reimbursement assessment against such Townhome(s), which reimbursement assessment shall be secured by a lien against such Townhome(s) as herein provided. The Association, its Board of Directors, officers or agents shall not be responsible or liable to any Owner or Occupant for any damage to the interior of the Townhomes or contents thereof (including the attic space) resulting from roof leaks or water penetration unless same has resulted from the willful acts or gross negligence of the Association. In no event shall the Association be liable for repair or replacement of any consequential or incidental damage to the interior of the Townhome(s) which may result, whether foreseen or unforeseen, from the Association's repairs and/or activities.

(ii) *Exterior building surfaces and foundation:* repair, maintenance and/or replacement of the exterior building surfaces and foundation within the reasonable discretion of the Association, acting by and through its Board of Directors. Exterior building surfaces shall be deemed to be the building components which constitute the most outward portion of the building exterior, whether wood or HardiePlank (or similar material), exterior siding, brick, stucco, and related exterior trim, including the painting (if applicable) of the foregoing materials. Other than the foundation, the Association shall not have any responsibility to maintain, repair, or replace any portion of the structure of the respective Townhomes (including studs within the walls), or any insulation materials whatsoever. If any of such items, which are the responsibility of the Owner, require repair or replacement, and the Owners(s) of the Townhome fails or refuses to repair or replace same, the Association shall have the right, but not the obligation to do so and 110% of the cost of such repair and/or replacement shall be billed against the respective Townhome(s) for which such work is performed, such bill to be due upon receipt and if not timely paid, such bill shall be assessed as a reimbursement assessment against such Townhome(s), which reimbursement assessment shall be secured by a lien against such Townhome(s) as herein provided. The Association, its Board of Directors, officers or agents shall not be responsible or liable to any Owner or Occupant for any damage to the interior of the Townhome or contents thereof resulting from any water leaks or penetration unless same has resulted from the willful acts or gross negligence of the Association. In no event shall the Association be liable for repair or replacement of any consequential or incidental damage to the interior of the Townhome which may result, whether foreseen or unforeseen, from the Association's repairs and/or activities. Notwithstanding the foregoing, the Association's obligations related to exterior building surfaces and foundation shall not apply in the event damage to such items is caused by an Owner, Occupant or guest.

(iii) *Exterior Doors, Garage Doors, Windows, and Fixture:* The Association shall have the obligation to paint the exteriors of the exterior doors and garage doors and exterior window trim in connection with the repainting of the exteriors of the Townhomes; provided that, the Association's obligation shall only apply to painting as part of routine maintenance and not damage caused by an Owner, Occupant or guest. Further, Owners shall always be responsible to replace or repair the exterior doors, garage doors, and windows (and all related hardware or fixtures relating thereto) at the Owner's

sole cost and expense. If, during the performance of its maintenance or repair responsibilities, it becomes apparent to the Association that a specific door, window, or garage door is in need of repair or replacement, the Owner shall be so notified and shall be required to repair or replace same in a timely fashion so as to allow the Association the ability to complete its exterior maintenance responsibilities and painting. If such Owner fails or refuses to repair or replace same, the Association shall have the right, but not the obligation to do so and 110% of the cost of such repair and/or replacement shall be billed against the respective Townhome for which work is performed, such bill to be due upon receipt and if not timely paid, such bill shall be assessed as a reimbursement assessment against such Townhome, which reimbursement assessment shall be secured by a lien against such Townhome as herein provided.

C. Other Possible Association Responsibilities

The Association also has the right (but not the obligation) to perform other maintenance items for the Townhomes, as determined in the sole discretion of the Board. The Board of the Association may, at some future date, decide to perform other maintenance items for the Townhomes and/or the Townhome Lots which could result in an increase in Assessments.

The Association shall also have the right but not the obligation, to maintain property not owned by the Association where the Board has determined that such maintenance would benefit all Owners. Except as otherwise provided herein, all costs associated with maintenance, repair and replacement of the Common Area and /or other property as determined by the Board, shall be a common expense to be allocated among the Townhomes as part of the Assessments.

The Association will only perform maintenance and repairs described in this Article XV to the extent it has reasonable access. If reasonable access is blocked or denied, the Association will not perform such maintenance and repairs, however the assessments of any Owner whose Townhome does not allow reasonable access will not be reduced. Further, it shall be the obligation of such Owner or Occupant of the Townhome blocking access to perform such maintenance and repairs, at its sole cost and expense.

D. Grass

The Association shall mow, edge, and remove grass clippings on the front, side, and rear yards of a Lot on a schedule that is determined by the Board in its sole discretion. . An Owner must permit unrestricted access to fenced portions of a Lot so routine yard maintenance may be performed. Owners may not embellish the landscaping, grass, and vegetation on a Lot without the prior written approval of the ARC. The Association's obligation to maintain does not include hanging baskets or potted plants located on the Lot or Townhome. It is currently planned that the Association will mow and edge on a regular basis as needed (the "Yard Maintenance"). The Association has the sole discretion to determine the timing of providing the Yard Maintenance. The Association's obligation related to Yard Maintenance does not include the obligation to replace dead or diseased landscaping, grass, or vegetation. If an Owner fails or refuses to replace same, the Association shall have the right, but not the obligation to do so and 110% of the cost of such repair and/or replacement shall be billed against the respective Townhome for which work

is performed, such bill to be due upon receipt and if not timely paid, such bill shall be assessed as an Assessment against such Townhome, which Assessment shall be secured by a lien against such Townhome as herein provided.

E. Fences

The Association shall repair, maintain, and replace, in the reasonable discretion of the Board, fences along the Lot lines that form the boundary between two Lots, or between a Lot and a Common Area. In addition, the Association shall repair, maintain, and replace, in the reasonable discretion of the Board, fences located around the perimeter of the Subdivision. There is no requirement that a fence be replaced with the materials as originally constructed, and the replacement materials shall be determined at the discretion of the Board. An Owner must promptly notify the Association of any defective or damaged portion of a fence.

The Association shall give the Lot Owners at least twenty-four (24) hours written notice prior to exercising its right of entry as set out herein. Notwithstanding anything contained herein to the contrary, written notice of the Association's intent to enter upon a Lot shall not be required in the event of an emergency. Lot Owners hereby agree to hold harmless the Declarant and the Association, and their respective directors, officers, agents, successors and assigns, and release them from any liability for the placement of, construction, design, repair, maintenance and replacement of fences, and agree to indemnify the parties released from any damages they may sustain. Owners further grant an easement to the Declarant and the Association for any incidental noise, lighting, odors, parking and/or traffic, which may occur due to the existence, installation, maintenance, repair, and/or replacement of fences.

The Association's maintenance obligation of fences extends only to normal wear and tear of such fencing. Any damage caused to such fences by an Owner or Occupant that is beyond normal wear and tear will be repaired by the Association at the Owner's expense. The Board has the sole discretion to determine what constitutes normal wear and tear. In exercising its obligations set forth herein, the Association shall not be subject to any liability for trespass, other tort, or damages in connection with or arising from such exercise of its obligations set forth herein, nor in any way shall the Association and the ARC, or their agents, be liable for any accounting or other claim for such action. Further, in exercising its obligations set forth herein, the Association is not liable for any loss or damage to landscaping (soft or hardscape) that encroaches upon a fence and/or any existing materials that are affixed to a fence in violation of this provision, including but not limited to any decorations or other personal items of an Owner or Occupant.

Such structural items shall include, by way of illustration and not limitation, the walls, studs, framing, roof structure, walkways, sidewalks, driveways, patios, and the like. If any of such items which are the responsibility of the Owner require repair or replacement, and the Owner(s) of the Townhome fails or refuses to repair or replace same, the Association shall have the right, but not the obligation to do so and 110% of the cost of such repair and/or replacement shall be billed against the respective Townhome(s) for which such work is performed, such bill to be due upon receipt and if not timely paid, such bill shall be assessed as an Assessment against such Townhome(s), which Assessment shall be secured by a lien against such Townhome(s) as herein provided. The Association, its Board, officers, or agents shall not be responsible or liable to any Owner (or the Owner's tenant or other occupant) for any damage to the interior of the Townhome or contents thereof resulting from any water leaks or penetration unless same has resulted from the willful acts or gross negligence of the Association. In no event shall the Association be liable for repair or replacement of any consequential or incidental damage to the interior of the Townhome which may result, whether foreseen or unforeseen, from the Association's repairs and/or activities.

D. Irrigation Systems

As provided in Article XV, Section F, above, the Association shall maintain all irrigation systems in the Subdivision. Notwithstanding the foregoing, an Owner is responsible for all repair costs resulting from damage to the irrigation system caused by an Owner, Occupant or their guest.

The Association shall perform the Yard Maintenance as set forth in Article XV, Section D, above. The Association's obligation related to Yard Maintenance does not include the obligation to replace dead or diseased landscaping, grass, or vegetation, which is the responsibility of each

Owner. Owners may not embellish the landscaping, grass, and vegetation on a Lot without the prior written approval of the ARC.

If an Owner fails or refuses to replace dead or diseased landscaping, grass, or vegetation, the Association shall have the right, but not the obligation to do so and 110% of the cost of such repair and/or replacement shall be billed against the respective Townhome for which work is performed, such bill to be due upon receipt, and if not timely paid, such bill shall be assessed as an Assessment against such Townhome, which Assessment shall be secured by a lien against such Townhome as herein provided.

Utilities which service more than one Townhome must be maintained, repaired, and replaced by the Association.

#### G. Other Items

The Owner of each Townhome is also responsible for the cleaning, repair and replacement of all entry doors and hardware, garage doors and hardware, all window glass, window frames, light fixtures and light bulbs, the HVAC system serving the Townhome, as well as any lines pipes, ducts, and wall penetration, and any other item that is not specifically identified as Association responsibility. The Owner is also responsible for 100% of the interior of the Townhome.

Owners' maintenance shall be performed consistent with the Dedicatory Instruments and Community Wide Standard. In the event that the Board determines that (a) any Owner has failed or refused to discharge properly his/her obligations with regard to the maintenance, repair, or replacement of items for which s/he is responsible hereunder; or (b) that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, and is not covered or paid for by insurance, in whole or in part, then, in addition to the enforcement and self-help remedies set forth herein, the Association may turn said matter over to its attorney for further handling. The Association may perform the repair, replacement or maintenance and shall, except in the event of an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement, at Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) calendar days after receipt of the Association's notice, within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within said ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement and shall bill the Owner

110% of such cost and expenses, such bill shall be due upon receipt, and if not timely paid, such bill shall be added to and become a part of the Assessment to which such Owner is subject and shall be supported by the lien created herein against the Townhome.

## **ARTICLE XVII. PARTY WALLS**

### **A. General Rules of Law to Apply**

Each wall built as a part of the original construction of a Townhome which shall serve and separate any two (2) adjoining Townhomes shall constitute a party wall and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

### **B. Sharing of Repair and Maintenance**

The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners served by the party wall in equal proportions.

### **C. Damage and Destruction**

If a party wall is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner served by the party wall may restore it, and the other Owner or Owners served by the party wall shall thereafter contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule or law regarding liability for negligent or willful acts or omissions.

### **D. Weatherproofing**

Notwithstanding any other provision of this Section, to the extent that such damage is not covered and paid by the insurance provided for herein, an Owner who by his negligent or willful act causes any party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

### **E. Right to Contribution Runs with Land**

The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the Townhome Lot and shall pass to such Owner's successors, heirs or assigns.

## **ARTICLE XVIII. INSURANCE AND CASUALTY LOSSES**

### **A. Insurance**

The Board or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Area and for all buildings containing Townhomes, fences, and any other improvements that the Association has the obligation to maintain, repair, or replace. This insurance shall cover loss or damage by fire or other hazards,

including extended coverage, vandalism, and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Each Owner should obtain insurance to cover the contents of its respective Townhome, as well as all insurable improvements that the Owner has the obligation to maintain, repair or replace. It is also highly recommended that each Owner obtain insurance to cover floods and the deductible amount on other policies.

The Board shall obtain a general liability policy covering the Association for all damage or injury caused by the negligence of the Association or any of its Directors or agents, and, if reasonably available, directors' and officers' liability insurance. Each Owner should obtain insurance to cover general liability within its respective Townhome or on its Lot.

Premiums and deductibles for all insurance which it is the obligation of the Association to provide shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

In addition to the other insurance required by this Section, the Board may obtain, if and to the extent necessary, a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds. The amount of fidelity coverage shall be determined in the directors' best business judgment. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

#### B. Damage and Destruction

a. In General. Immediately after the damage or destruction by fire or other casualty to all or any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

b. Repair and Reconstruction. It shall be the Owner's obligation to have repaired or reconstructed any damage or destruction to their Townhome.

If the damage or destruction for which the Association's insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners for the deficiency. Additional Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from the Association's insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit

of the Association; provided that the Owner and mortgagee of any Townhome for which proceeds are received agree to the distribution as their interest may appear.

## **ARTICLE XIX. MODIFICATION AND TERMINATION OF COVENANTS**

### **A. Amendment by Declarant**

In addition to specific amendment rights granted elsewhere in this Declaration, until termination of the Development Period, the Declarant may unilaterally amend this Declaration and any Supplemental Amendment for any purpose; provided, however, any such amendment shall not adversely affect the title to any Lots unless the Owner shall consent thereto in writing.

After the expiration of the Development Period, the Declarant may unilaterally amend this Declaration and any Supplemental Amendment at any time without the joinder or consent of any Owners, entity, Lender, or other person to amend this Declaration and any Supplemental Amendment if such amendment is (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on Lots; (c) required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the Lots; (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on Lots; or (e) for the purpose of clarifying or resolving any ambiguities or conflicts herein or in any Supplemental Amendment, or correcting any inadvertent misstatements, errors or omissions herein or in any Supplemental Amendment; provided, however, any such amendment shall not adversely affect the title to any Lots unless the Owner shall consent thereto in writing.

Any amendment to the Declaration or a Supplemental Amendment made by Declarant shall be recorded in the Official Public Records of Smith County, Texas, whereupon to the extent of any conflict with this Declaration or Supplemental Amendment, and any amendment thereto, the more restrictive provision shall control.

Any amendment made by the Declarant shall become effective upon recording unless otherwise specified in the amendment.

### **B. Amendment by Owners**

During the Development Period, this Declaration may be amended, modified, or terminated by the approval of Owners of a majority of the Lots and the written consent of the Declarant. After the termination of the Development Period, approval by the Owners of a majority of the Lots shall be required to amend, modify, or terminate this Declaration; provided however, any such amendment must be approved in writing by the Association. Upon approval of the Owners, as set out above of said amended declaration or amended supplemental amendment (as evidenced by the President's or Vice-President's signature) the amended declaration or amended supplemental amendment shall be recorded in the Official Public

Records of Smith County, Texas, whereupon to the extent of any conflict with this Declaration and any amendment thereto, the more restrictive provision shall control. For purposes of this Section, the approval of multiple Owners of a Lot may be reflected by the signature of any one Owner of such Lot.

Notwithstanding anything contained herein to the contrary, the Association shall be entitled to use any combination of the following methods to obtain approval of the Owners for an amendment to the Declaration:

1. by written ballot or electronic ballot, as same may be established by the Board, that states the substance of the amendment and specifies the date by which a written or electronic ballot must be received to be counted;
2. at a meeting of the Members of the Association, if written notice of the meeting stating the purpose of the meeting is delivered to the Owners of the Lots; such notice may be hand-delivered to the Owners, sent via regular mail to the Owner's last known mailing address, as reflected in the Association's records, or via email to the Owner's email address as reflected in the Association's records;
3. by door-to-door circulation of a petition by the Association or a person authorized by the Association; and/or
4. by any other method permitted under this Declaration or applicable law. Any limitation of amendment to the Declaration related to said Property may not limit the rights of the Declarant pertaining to the Declaration as otherwise herein reserved. Particularly reserved to the Declarant is the right and privilege of Declarant to designate the use and architectural restrictions applicable to any portion of the Property, as provided herein; and such designation, or subsequent change of designation, shall not be deemed to adversely affect any substantive right of any existing Owner.

#### **ARTICLE XX. ALTERNATE DISPUTE RESOLUTION**

It is the intent of the Association and the Declarant to encourage the amicable resolution of disputes involving the Subdivision and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, the following dispute resolution procedures control and attempt to resolve all claims, grievances or disputes involving the Subdivision, including, without limitation, claims, grievances, or disputes arising out of or relating to the interpretation, application, or enforcement of the Dedicatory Instruments.

##### **A. Dispute Resolution**

Except as otherwise provided herein, no judicial or administrative proceeding between any of the following entities or individuals shall be commenced until the parties have submitted to non-binding mediation: Owners; Members; the Board of Directors; officers in the Association; or the Association.

Disputes between Owners that are not regulated by the Declaration shall not be subject to the dispute resolution process or binding arbitration, as described below.

B. Outside Mediator

In a dispute between any of the above entities or individuals, the parties must voluntarily submit to the following mediation procedures before commencing any judicial or administrative proceeding. Each party will represent himself/herself individually or through an agent or representative or may be represented by counsel. The dispute will be brought before a mutually selected mediator. Such mediator will either be an attorney-mediator skilled in community association law, a Professional Community Association Manager as certified by the Community Associations Institute, or a Certified Property Manager as certified by the Institute of Real Estate Managers. In order to be eligible to mediate a dispute under this provision, a Mediator may not reside in the Subdivision, work for any of the parties, represent any of the parties, nor have any conflict of interest with any of the parties. Costs for such mediator shall be shared equally by the parties. If the parties cannot mutually agree upon the selection of a mediator after reasonable efforts (not more than thirty (30) days), each party shall select their own mediator and a third will be appointed by the two selected mediators. If this selection method must be used, each party will pay the costs of their selected mediator and will share equally the costs of the third appointed mediator. If a party refuses to participate in the mediation process described herein after good-faith efforts are made by the opposing party to schedule such meditation, the party who acted in good faith may proceed with judicial or administrative remedies.

C. Mediation is Not a Waiver

By agreeing to use this Dispute Resolution process, the parties in no way waive their rights to extraordinary relief including, but not limited to, temporary restraining orders or temporary injunctions, if such relief is necessary to protect or preserve a party's legal rights before a mediation may be scheduled.

D. Binding Arbitration

In the event mediation is not successful to resolve a dispute described in this Article XX, Section A, above, such dispute shall be resolved by binding and mandatory arbitration based on the following terms: (a) the arbitration shall be decided by one arbitrator and shall be held in Smith County, Texas. The parties shall choose a mutually acceptable arbitrator. In the event the parties cannot agree on the selection of the arbitrator, each party shall choose an arbitrator, and those two arbitrators shall agree upon the appointment of a third arbitrator who shall be the sole arbitrator; (b) the fees for the arbitration shall be shared equally by the parties and reimbursed to the prevailing party by the non-prevailing party, and such fees shall be consistent with fees currently charged by arbitrators in Smith County, Texas without regard to the amount in controversy; and (c) a final binding award by the arbitrator shall be made within thirty (30) days from the date of the first notice of the dispute unless extended by mutual agreement or good reason by the arbitrator. All decisions by the arbitrator shall be final, and any judgment upon the aware rendered by the arbitrator may be confirmed, entered, and enforced in any court having proper jurisdiction. Notwithstanding anything contained in this subpart D, a party may file an

application for a court order before arbitration proceedings begin, including a party's request for injunctive relief related to the subject matter of the controversy in order to maintain the status quo of the parties pending the arbitration.

E. Assessment Collection and Lien Foreclosure

The provisions of this Declaration dealing with Alternate Dispute Resolution, including binding arbitration, shall not apply to the collection of assessments and/or the foreclosure of the lien by the Association as set out in the Declaration.

**ARTICLE XXI. GENERAL PROVISIONS**

B. Compliance with Laws

At all times, each Owner shall comply with all applicable federal, state, county, and municipal laws, ordinances, rules, and regulations with respect to the use, occupancy, and condition of the Lot and any improvements thereon. If any provision contained in this Declaration or any supplemental declaration or amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

J. Current Address and Occupants

Owners are required to notify the Association in writing of their current address if other than the physical address of the Lot at all times. NEITHER SHALL THE ASSOCIATION, ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, OR EMPLOYEES, DECLARANT OR SUCCESSOR DECLARANT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY LOT, AS APPLICABLE, ACKNOWLEDGE THAT

Neither the Declarant, nor the Association, guarantee or represent that any view over and across the Lots or open space within the Subdivision will be preserved without impairment. The Declarant and the Association have no obligation to relocate, prune, or thin trees or shrubs or other landscaping. The Association has the right, without the obligation, to relocate, prune, thin, or add trees and other landscaping or improvements to the Common Area. There are no express or implied easements for view purposes or for the passage of light and air. No Owner has the right to object to the construction of improvements on any adjacent or nearby Lot, or the Common Area, based on the impact of such improvements on the Owner's view.

M. Video, Data, Alarm System Monitoring, and Communication Service Agreements

Subject to the approval of the Declarant during the Development Period, the Association has or may hereafter enter into an agreement with a service provider for the provision of cable television, alarm system monitoring, and/or other communication services in order to obtain access to benefits and services for the benefit of Owners and Townhomes located in the Subdivision. Payment for services and benefits provided pursuant to video, data, alarm system monitoring, and/or communication service agreements executed pursuant to this provision will be made from Assessments levied and collected by the Association pursuant to the authority granted herein, and such Assessments shall be supported by the lien created herein. While Owners are free to obtain the same or similar services from a provider of their choice, no Owner may avoid paying any portion of Assessments levied based on non-use of video, data or communication services provided and paid for by the Association with Assessments.

N. Occupants Bound

All provisions of the Dedicatory Instruments applicable to the Property and Owners, shall also apply to all Occupants of any Lot or Townhome. Every Owner must cause all Occupants to comply with the foregoing, and every Owner is responsible for all violations, losses, or damages caused by an Occupant, notwithstanding the fact that such Occupant is jointly and severally liable and may be sanctioned for any violation. In addition to all other remedies available to the Association in the event of a violation by an Occupant, the Association may require that the Occupant be removed from and not be allowed to return to the Subdivision and/or that any lease, agreement, or permission given allowing the Occupant to be present be terminated.

O. Transfer of Title; Resale Certificate; Certificate of Compliance

1. Transfer of Title. Any Owner, other than the Declarant, desiring to sell or otherwise transfer title to his or her Lot shall give the Board at least seven (7) days prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The person, other than the Declarant, transferring title shall continue to be jointly and severally responsible with the person accepting title for all obligations of the Owner, including Assessment obligations, until the date upon which the Board receives such notice, notwithstanding the transfer of title.

Upon acceptance of title to a Lot, the new Owner of the Lot shall pay to the Association an administrative fee to cover the administrative expenses associated with updating the Association's records, which administrative fee is supported by the lien created herein. Such fees shall be in such amount as permitted by law and as the Board may reasonably determine necessary to cover its costs, including but not limited to, and fees charged by a management company retained by the Association for updating its records.

2. Resale Certificate. No Owner, other than the Declarant, shall transfer title to a Lot, together with the improvements thereon, unless and until he or she has requested and obtained a resale certificate signed by a representative of the Association as described in Chapter 207 of the Texas Property Code, or its successor statute ("Resale Certificate") indicating, in addition to all other matters described in Chapter 207, the information required in Section 5.012 of the Texas Property Code.

The Association may charge a reasonable and necessary fee as allowed by law to prepare, assemble, copy, and deliver a Resale Certificate and accompanying information and any update to a Resale Certificate, which charge is supported by the lien created herein.
