

## Homeward Staff Briefing: Age Cohorts of Individuals Served by the Greater Richmond Continuum of Care, FY2015 – 2016 to FY2024- 2025

The charts below provide a summary of different age cohorts served by homeless service providers using the Homeward Community Information System to record services. All program types were included in this data set, and the individual data is unduplicated and based on the age of the individual during the relevant fiscal year. For more information on Homeward’s data collection, please visit [www.homewardva.org/data](http://www.homewardva.org/data).

Year	0-5 years	06-17 years	18-24 years	25-54 years	55-59 years	60-74 years	75+ years	Totals
2015-2016	914	1193	701	3890	655	519	25	7897
2016-2017	1012	1266	734	4162	671	565	27	8437
2017-2018	1103	1395	756	4539	767	728	31	9319
