

## March 2026 Newsletter

The beginning of the new year has been a busy one for Orange City Arts! Since the clock turned to 2026, we've been hard at work planning and launching events for our community. Here are a few events we've organized since the start of the new year:

An Evening of Dance was held on January 31st, and it was an awesome way to end the month! Attendees enjoyed the talents of 4 dance studios and our 2 local high school dance teams!

Copper Street Brass joined the MOC 7th and 8th Grade Jazz Bands for a stellar performance on February 26th.

Mikaela Mackey led a fun and successful acrylic painting workshop on February 28th!

### Upcoming Events

We've got more exciting events lined up for this month and the near future:

- Acrylic Workshop #1: Make a Mug! March 21st.
- Acrylic Workshop #2: Make a Charcuterie Board! April 11th.
- Intro to Pastels Workshop. May 22nd-23rd.

Interested in signing up? Events can be found [here](#).

### Fundraising

Orange City Arts has launched 2 separate fundraisers:

- 2026 Onstage Campaign: Funds from this fundraiser will go to paying for our OnStage productions for this summer! [Click here to donate](#).

- The Wooden Shoe Project: 85 Wooden shoes will be given to local families and professional artists, who will decorate these shoes to their heart's content. The finished shoes will be used to create a single art piece, which will be displayed at the 2026 Tulip Festival and then the Dutch American Heritage Museum. This art piece is a celebration of Dutch Heritage will also celebrating our modern community! [Click here to donate](#).

We thank you for reading our first 2026 Newsletter, and hope that you will join us for the festivities to come!

Nate,
