# Bethlehem Christian Families

On Saturday & Sunday May 9<sup>th</sup> & 10<sup>th</sup>, we will have a special opportunity to view products and creations in wood created by the hands of Christian artisans in and around the Holy Land region. The Rishmawi Family has been designated as the representative for these wonderful Christian artisans and has been authorized to show their olive wood carvings.

The tradition of Olive wood carvings in the Holy Land has been handed down from father to son since the 12th century.

Due to the difficulties the last few years in the Middle East, tourism has been dramatically reduced and these folks have suffered greatly.

This is causing the Christian community to immigrate to different countries leaving the Christian population at 2% today from 25% fifteen years ago.

We invite you to visit their display tables and view some of the finest handcrafts available from the Holy Land.

This Family strives to bring these fine carvings to our church.

You can view these beautiful items On-Line @ <http://www.bethlehem-art.com/>
