Our team recently visited a family who needed assistance with a utility bill. It was late in the evening when we arrived at the family's apartment. A young mother of 4 children greeted us at the door while holding a four-month-old baby boy falling asleep in her arms. The family's 9 year old girl's eyes light up with joy as she quickly went through the emergency food basket with great delight. We spoke to her mother and learned that their finances were very tight at that time and that they needed help with the electricity because it was going to be cut off soon. She told us she went back to work at a restaurant soon after having the baby, but didn't get paid much, and neither did her husband. Her husband then came out to meet us. We told them that their bill would be paid. The husband said that after the fourth baby was born, money was very tight. In concluding the visit we asked to say a prayer and the father requested us to wait until he could bring in the boys to also pray. Two boys, 11 and 6 years old, immediately came to the kitchen and sat down, ready to pray with us. The father took the initiative and led us in a beautiful prayer.

We want to thank you, the parishioners, for your monthly donations and the food pantry contributions that you most generously and consistently provide. Works of mercy and love such as these are a circle of God's love and when we all participate, we receive God's grace that fills our hearts with great joy.

Sociedad de San Vicente de Paul

Nuestro equipo recientemente visitó a una familia que necesitaba ayuda para el pago de un recibo. Ya era muy tarde esa noche que llegamos al departamento de esa familia. Una joven madre de 4 niños nos recibió en la puerta mientras tenía en sus brazos a un bebé de 4 meses que estaba por dormirse en sus brazos. A la niña de nueve años de esta familia sus ojos se le iluminaron de gozo tan pronto que pasó por la canasta de emergencia con un gran gusto. Platicamos con su madre y nos enteramos que sus fianzas no andaban bien en esos momentos y que necesitaban ayuda con el recibo de electricidad porque estaban por desconectarles. Ella nos dijo que regresó a trabajar al restaurante inmediatamente después de tener al bebé, pero que no le pagaban bien y tampoco a su esposo. Entonces su esposo llegó a saludarnos. Le dijimos que el recibo sería pagado. El esposo dijo que después de que el cuarto niño nació, tenían muy poco dinero. Al concluir nuestra visita les pedimos que hiciéramos una oración y el esposo nos pidió que esperáramos para que los niños también rezaran, dos niños de 11 y 6 años inmediatamente llegaron a la cocina y se sentaron listos para orar con nosotros. El papá tomó la iniciativa y nos condujo en una bella oración. Queremos agradecer a los parroquianos por sus donaciones mensuales y por las contribuciones a la despensa que ustedes generosamente y consistentemente proveen. Trabajos de amor y misericordia como estos son un círculo del amor de Dios y cuando todos participamos recibimos la gracia de Dios que llena nuestros corazones con un gran gozo.
