COVID-19 VACCINE BOOSTERS

• Are COVID-19 booster shots available?
  Yes, but with limitations

• Am I eligible for a booster shot?
  If you received a Pfizer or Moderna series, you are eligible if you are:
  • 65 Years or older
  • Age 18+ and live in a long-term care setting
  • Age 18+ and have an underlying medical condition
  • Age 18+ and work or live in a high-risk setting
  
  If you received a J&J Vaccine, you are eligible if you are:
  • Age 18+

• When can I receive my booster?
  • At least 6 months after Pfizer or Moderna
  • At least 2 months after J&J

• Which booster shot should I get?
  You may have a preference, but you can get any booster shot
