

## **Fact Sheet**

The Cornell Scott-Hill Health Center was the first community healthcare center in Connecticut when we were founded in 1968. We are a federally qualified community health center and we serve over 52,400 patients throughout the Greater New Haven and Lower Naugatuck Valley areas each year.

We are a **Joint Commission** accredited institution which means we are held accountable to the highest standards and best practices in safe and effective care.

A former winner of the Johnson & Johnson Crystal Award, the Cornell Scott-Hill Health Center continues to achieve significant progress in the field of community health. We provide comprehensive primary care, behavioral healthcare, and dental services as well as a number of special programs. These programs include, but are not limited to:

- HIV/AIDS outreach, education and treatment to at-risk populations
- Inpatient alcohol and drug detoxification program
- Medication Assisted Treatment (MAT) for persons with Opioid Use Disorder
- Shelter for homeless people who are obtaining substance use disorder treatment
- Healthcare for homeless individuals and families
- Diabetes prevention and education
- School-based health centers
- Child and family guidance clinics
- Title X Family Planning Services
- Specialty care including Allergies, Audiology, Dermatology, Eye Clinic/Ophthalmology,
   Gastroenterology, Geriatrics, Infectious Diseases, Neurology, Orthopedics, Podiatry, Rheumatology, and Urology
- Adult and Pediatric Dental Care

**Our mission.** Cornell Scott-Hill Health Center measurably improves the health and well-being of the communities we serve by providing excellent and compassionate care, accessible to all.
