### PARISH VISION STATEMENT:

St. Martin de Porres Parish is a faith community gathering at our worship sites, St. Columba (Caledonia), St. Mary of the Assumption (Scottsville), and St. Vincent de Paul (Churchville), striving to live the sacramental life together through vibrant liturgical worship, loving service, and life-long faith formation for spiritual growth. Through wise use of our gifts, leadership, and shared resources, we are one community of Catholics worshipping our God, Father, Son and Holy Spirit. ## Sacrificial Giving ~

### St. Martin de Porres Parish

Due to early submission for the July 4th holiday, numbers were not available and will be printed in the next bulletin. Thank you for your patience and understanding.

The Church today relies on our generosity to carry out its mission. Are we, as Christian stewards, making a prayerful and well thought out sacrificial gift to the Lord of the first fruits of our labors, or do we give only what is left of our funds?

### Did You Know.....

You can help us protect the environment and create funding for our Youth Ministry programs? You can recycle your printer ink cartridges, cell phones, digital cameras, GPS devices, camcorders and other portable electronics. Just leave them in your parish office and we'll take care of the rest! At St. Columba, there is a box in the vestibule and at St. Mary's the box is located in the office! St. Vincent's box is in the hallway.

### EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

If you had \$100 to give away, to whom would you give it? Perhaps you would choose someone you love. How about someone on the street at a corner stoplight? You could really make someone's day if you gave it to them as a tip after a modestly priced meal. There are so many possibilities. No matter to whom you give the \$100, you are certainly being generous. No one can debate that.

Let's say you have narrowed it down to two different people. You know both of these people, and you suspect each person would be equally grateful. Does it make a difference who you give the money to in the end? What if I told you that one of the individuals just got a big raise at work, and the other person is at risk of having their water turned off because they have been late paying their bill. Does it make a difference now?

Discernment should always be an important part of any good steward's way of life. If we give simply for the sake of giving, that may not always be the best use of our gifts. In order to gain the most fruit from the seeds we plant, we must plant wisely. All we have been given has value, and we need be good caretakers of it all. If you ever do find yourself with \$100 to spare, be sure to carefully consider all the options and make the wiser choice. In the meantime, pray for wisdom and reflect on how to best use all you have been given for the sake of the Kingdom of God.

-Tracy Earl Welliver, MTS

## From the Desk of Father Carlos

Dear Friends,

It has been now two weeks since I came to St. Martin de Porres Parish and I want to let you know how joyful and comfortable I feel being among you. My deepest gratitude to all of you, parishioners, staff members, volunteers, liturgical ministers for the warm welcome, for your kindness and support as I make the transition.

I understand changes in life are challenging, it takes a while to adjust ourselves to a new administration and leadership. It is certainly a tremendous change in my life and priestly ministry. I have been a parochial vicar for 10 years and I never had to deal with finances, building reparations, hiring employees; I was just assisting pastors in celebrating the sacraments, evangelization and whatever they needed from me. Now, it's time to take charge and assume more responsibilities, and honestly, I really feel excited and enthusiastic about it. I trust that the Lord will guide me and help me be the pastor you need for the time I will be with you. Therefore, don't be afraid or shy to reach out to me, I want to get to know you better and help you grow in your relationship with Jesus Christ.

Please, continue to pray for me, for the whole parish, and let us allow God to do his Will in our life and direct our journey of faith.

God bless you all,

Over the Jubilee Year we will explore the themes of Hope, Pilgrimage, and Jubilee, always ending with a question for you to consider over the week.

In today's Gospel Jesus sends his disciples out two-by-two in order to prepare the towns for his arrival. This journey gives us a glimpse into pilgrimage. Where Jesus says to bring no money bag, no sack, no sandals, we see that simplicity is key to being open to where Jesus is calling us.

**Ponder Point:** When have things gotten in the way of your openness to God's call and direction? How could you simplify and quiet the noise that distracts from God?
