

# ACADEMY

## **Academy benefits:**

- Each junior in the academy program will meet with the Academy Head Coach, Steve Prisco to discuss their own individual goals. From this meeting we can design the **Train/Coach TENNIS SYSTEM** to help you reach your personal goals.
  - We understand that each player in our program is unique and we strive to accommodate various learning styles.
  - The Academy offers an intense tactic-specific combination of fed-ball & live-ball drills, stroke analysis, supervised match play, videotaping, tennis-specific fitness and mental conditioning.
  - Supervised travel to USTA Sanctioned Tournaments. We organize transportation, lodging and on-site coaching for all our players and take them to most of the major USTA Tournaments.
- The BBC Tennis Academy is setting a new standard for tennis excellence, accomplishing this one player at a time!
