Mass Intentions		God's Ways are Different From Our Own
Monday, September 21st 7:35am Rosary 8:15am Mary Elizabeth Angert		Though we can never fully comprehend the perfection of God and His ways, Sacred Scripture reminds us that God's ways are often very different from our own. In our First Reading from Isaiah, the Lord declares, "My thoughts are not your thoughts, nor are your ways my ways." As His disciples, we are called to see life from God's perspective, using our time, talents, and treasure with eternity in mind. In today's Gospel, Jesus illustrates this divine perspective through the parable of the workers in the vineyard. Some labor all day, while others are called only near the end of the day. Yet the landowner gives each worker the same wage. Those who worked the longest grumble because they are thinking according to human standards rather than God's generosity. The same temptation can affect us. We may compare ourselves to others and wonder whether everyone else is contributing as much as we are at home, in our parish, or in our community. Instead, we should remember what a privilege it is to have been invited into the Lord's vineyard. Living the stewardship way of life fills our lives with meaning, purpose, and lasting joy. May we thank God each day for calling us to share in His work. -copyright: Catholic Stewardship Consultants, www.CatholicStewardcraft

From the Desk of Father Justin

For this weekend in particular, it's an interesting mix of work and pleasure for us as a parish. Naturally, we had our biggest event for this time of the year: our Biergarten. It's always a lovely event and I hope this year's lives up to the reputation of those of the recent past. One reason I like the Biergarten so much is that like many of our events, there really is something for everyone. Frankly, if the event was nothing but beer and German music, the night would be over rather quickly for most of us – myself included. Of course, that's a far cry from the reality of the event, between the children's games, food, and other mini events of the evening. I hear the meat raffle is quite a popular draw!

If you're reading this on Sunday or later, I hope you were able to make it and that you had an enjoyable time. Tell your friends for next year!

As for the business, we're one week into a two-week survey for the parish and the school. If you're a parish member and a school family, you get to do both. I cannot stress enough the significance of this process. Our strategic plan for the school is invaluable, and we're at the very beginning of a process that has done wonders for other parish schools. The end goal is to develop a meaningful and productive 3–5-year plan, where Saint Joseph Catholic School can be at its very best... now and well into the future. As with most things of this nature, we start with solid information gathering. That's what the survey is for, and all of you have a stake in the game. I strongly encourage you to take the time and fill it out to the best of your ability. Thank you for your consideration in that regard.

Finally, let's not forget the overall mission of the Church. While we strive to improve our school and host events such as the Biergarten, the real heart and focus of the parish is our call to faith. Mass, confession, religious ed, devotions, small-group discipleship, Bible study, and more is the real soul and drive of who we are as Catholics. That must remain true, beyond any entertainment, short-term goal, or fund-raiser. May we nurture and develop Faith on Center, as one community of faith.

May God bless all of you, always.

Peace,
Father Justin

St. Joseph Catholic School Strategic Planning

What?

We are creating a 3-5 year strategic plan for the future of our school.

When?

This will take place during the 2026-2027 school year.

Who?

We partnered with Marquette University to bring on a facilitator of the process, as well as a Steering Committee of nine school and parish stakeholders chosen by Father Justin and Bree Van Vreede.

Why?

Focus on a vision and future for the school to increase enrollment.

Your Involvement?

We will be surveying parishioners, parents, staff, and students. We will be holding focus groups for various stakeholders to gain insight on perceptions of the school.

PARISH & SCHOOL FAMILIES SURVEY

The QR Code will link to a survey that can be completed by both parishioners and school families.

Surveys are anonymous and need to be completed by **September 25th.**

MEN'S PARISH FAITH GROUP LAUNCHED FOR FALL

Video-based *faith exploration and discovery* meetings for men, confirmation age and up, have begun at Saint Joe-Tosa, weekly, on Thursdays.

Each 90-minute meeting features a video Saint biography, a video explanation of current Sunday Mass readings, and a new *Knights of Columbus* video series in its long-standing "Into the Breach" catalogue.

This Fall's episodes focus on Catholic male roles in work and family life, including stress and frustration management, Christian conflict resolution, finding joy and peace in things both vitally important, and not important at all, and discovering God's intention and purpose for you in daily happenings.

Mark your calendar-- **every Thursday until Advent, in the Saint Joseph Room, at 6:30-8:00, both am AND pm.** Morning program repeats; light refreshments are provided. These are fellow-parishioner attendees in the first week: Jim Canes, Patrick Ciriacks, John Fahey, Duane Filtz, Mark Frederick, Tyrrell Hughes, Tom Kirchen, Dennis Matthews, David Niles, Larry Polacek, Rick Rehlinger, John Riley, Tom Schmitt, Rick Schoos, Jim Schwai and Andy Smith. Just show up. No registration needed.

NOTE: School fathers and guardians are ESPECIALLY welcome and invited!

Come Holy Spirit (VIDEO SERIES)

"The gift of the Holy Spirit is not merely something reserved for Confirmation. The Spirit desires a relationship with us that will take us on the greatest adventure imaginable: a journey to the very heart of God. The Holy Spirit desires to be present to us in a manner that brings light out of darkness, freedom out of bondage, order out of chaos, and life out of death." — Fr. Dave Pivonka

Come join us for the follow-up to Fr. Dave Pivonka's Holy Spirit series offered last Fall. Each week we watch a video followed by a discussion about the Holy Spirit and the life-giving role the Spirit plays in the life of the world and within each of us. You don't need to have attended the Fall series to participate in this program.

SVDP Meal Program

This is the fourth in a series of bulletin articles highlighting the work of the St. Joe's St. Vincent de Paul Conference (SVDP), so you the parishioners of St. Joseph can see the impact your support and involvement make possible.

The Milwaukee County St. Vincent de Paul (SVDP) Council—of which our St. Joe's conference is a part—operates two meal sites: one at 10th and Madison on the south side of Milwaukee and the other at 2nd and Center on the north side. Each day, both sites provide hot, nutritious meals for neighbors who struggle to consistently meet their basic needs.

Our St. Joe's conference supports this vital ministry by volunteering at the south side site and by providing financial support to both locations. In addition to meals, the south side site also offers shower facilities, where homeless guests can enjoy the dignity of a warm shower, receive clean undergarments and personal care items, and—during the cold winter months—be equipped with coats, hats, and gloves.

When our Vincentians volunteer at the meal site, we strive to offer not only food but also kindness, joy, and human connection. Often, we find that those we serve are the ones who lift us. We think of the gentleman who sings his thanks as he walks through the line, or the bright smile of a child who receives a cookie for dessert.

Witnessing both the struggles and the gratitude of our guests is a humbling reminder of the blessings in our own lives. Each visit deepens our call to serve Christ in those who need us most.

For 42 years the St. Vincent de Paul Meal Program has provided hot meals to children and adults in our community. In the last year over 60,000 meals have been served.

Collection to Support St Joe's SVDP Conference is next weekend!

As part of SVDP Awareness Month, at the end of each Mass next weekend (9/26 & 27), members of the St. Joseph's Conference will be at the church entrances to provide information on the organization and to accept monetary donations to fund the many ministries that we provide. To donate electronically use this QR code:

Your support is critical to us being able to go out into the community and bring some comfort to our neighbors in need. We are very grateful for the support that you provide us.

Thank you for your continued support of SVDP!
