Mass Intentions	<u>Be Honest With God</u> As Christian stewards, we are called to a high and holy standard — living as Christ’s disciples every day and with every person the Lord places in our path. But we can move towards this goal in “baby steps.” Jesus demonstrates this comforting truth through the parable He tells in today’s Gospel from Matthew. It is the story of two sons whose father instructs them to go out and work in his vineyard that day. While the second son agrees to his father’s request, he does not follow through — he fails to obey the father’s will. The first son tells his father, “no.” At least he is honest! And in the end, he reconsiders and obeys his father. The first son’s honest, less-than-perfect response is consoling to us Christian stewards. Haven’t we all felt this way at times when God’s will for us seems to be just too hard? We can be honest with God at these times. He knows our thoughts already, after all. But when we stay engaged in a real relationship with Him, even if it’s just to say, “I don’t think I can, Lord,” He will supply us with just the grace we need to change our minds and do what He is asking us to do. We can even take a step backward from time to time because our Father is merciful and kind. What matters is that we keep baby-stepping along, assured of the grace we need to more closely imitate the actions and attitudes of Christ. This is the beauty of the stewardship way of life. -copyright: Catholic Stewardship Consultants, www.CatholicStewardcraft

Thank you!

From the Desk of Father Justin

Once again, I just wish to take a little time to write and thank everyone for their efforts for last weekend's Biergarten event. As usual, I very much enjoyed it: it's a good occasion to come together as a parish community, and I like the fact that it's not tied to any particular holiday or major occasion for people to head out of town. After all, most of us tend to have somewhere to be throughout the year. Certainly, we all have Christmas and Easter traditions, and we tend to make plans for things like Memorial Day weekend. Even for folks who aren't particularly patriotic, the 4th of July and Thanksgiving are tricky times to plan a church event. When it comes to a late September event, we tend to compete with events of a similar nature.

Sure, the rain was certainly a bummer: I loved our outdoor Biergarten the last two years, and that was very obviously denied to us this year. Most especially was the loss of our bouncy houses for the kids: those things need to be pegged down in the ground, so we were unable to transfer them to the gym. Nevertheless, I certainly believe that we made the best of the situation. The kids had plenty of room to dance to the music (not to mention the gym for games and a space to run around), and the adults had plenty of space to gather and chat. If anything, I felt sorriest for the Sheepshead people: I thought Sheepshead was a great idea when we had plenty of space to work with, and I for one would have had trouble concentrating on the game with all the noise and music playing around us. To the players who were still at it later in the evening, my hat goes off to you, and I hope you had a solid round of cards! Hopefully, we can improve things next year when the weather is a bit more cooperative (God willing, of course).

Thank you to everyone who made it happen: I'm glad that it functions as a collaborative event between the parish and the school.

Finally, on the note of parish events, our next big one will be our Golf Outing on October 11th. If you're available for the golf portion of the day, they'll be delighted to have you. For those of you, like me, who are unable to make the time... or can't golf to save your life... you can always attend the final part of the day for the auction and some fellowship. If you can make that work, at least, I'll be sure to see you there!

In the meantime, I wish you all a sincere end of the month of September.

Peace,
Father Justin

Thank you to everyone who helped make our Biergarten event such a wonderful success! Despite the rainy weather, the Parish Hall was transformed into a festive German beer hall, and there was certainly no shortage of community, laughter, and good cheer!

A very special **THANK YOU** to our Biergarten Committee and all of the volunteers who worked so hard behind the scenes and throughout the event to make it happen.

Special thanks to Stephanie Monson, Sara Quates, Rachel Blackwood, Jen Mendoza, Bryanna Van Vreede, Paul Petrides, Janel Holmes, and Alex Hersey!

Come Holy Spirit

(VIDEO SERIES)

"The gift of the Holy Spirit is not merely something reserved for Confirmation. The Spirit desires a relationship with us that will take us on the greatest adventure imaginable: a journey to the very heart of God. The Holy Spirit desires to be present to us in a manner that brings light out of darkness, freedom out of bondage, order out of chaos, and life out of death." — Fr. Dave Pivonka

Come join us for the follow-up to Fr. Dave Pivonka's Holy Spirit series offered last Fall. Each week we watch a video followed by a discussion about the Holy Spirit and the life-giving role the Spirit plays in the life of the world and within each of us. St. Vincent de Paul Awareness Month

SVDP Supports St. Catherine's

This is the fifth in a series of bulletin articles highlighting the work of the St. Joe's St. Vincent de Paul Conference (SVDP), so you the parishioners of St. Joseph can see the impact your support and involvement make possible

Your generosity directly enables our Society of St. Vincent de Paul (SVDP) Conference to provide vital assistance to St. Catherine's SVDP Conference, located at 51st and Center in Milwaukee.

St. Catherine's serves a vast, deeply impoverished area stretching from 20th to 60th Street, and from North Avenue to Silver Spring. In this neighborhood, the need for assistance is profound, and your support brings hope exactly where it is needed most.

Each month, volunteers from St. Catherine's Conference make personal home visits to local families. Many of our neighbors lack basic necessities, such as beds for their children or essential household appliances. Through compassionate, face-to-face conversations, volunteers identify urgent needs and provide vouchers for the SVDP thrift store to help fill those gaps. The conferences support helps struggling families get back on their feet, and on a path to stability.

Because of your steadfast support, our conference provides St. Catherine's with critical financial aid alongside tangible donations from our seasonal drives: our Spring Collection, Back-to-School Collection, and Thanksgiving Brown Bag Collection. Together, we live out our mission of spreading Jesus' Love by serving those in need.

We are deeply grateful for your faithful support of the work of St. Vincent de Paul!

Feast Day of St. Vincent de Paul

Today (Sept. 27) is the feast day of St. Vincent de Paul, who is known as the Apostle of Charity and Father of the Poor. As a priest in France in the 1600s, he gathered and organized resources to build hospitals, feed the poor and ransom galley slaves. He is the inspiration and namesake of the Society of St. Vincent de Paul. The society tries to emulate its patron through service to the poor.

Collection to Support St Joe's SVDP Conference is this weekend

This weekend is a collection for St. Vincent de Paul. Your generous gift directly empowers us to bring comfort and essential support to our neighbors in need. We are deeply grateful for your support.

How to Give:

- **By Mail:** Send your contribution to the Parish Office, made out to St. Vincent de Paul.

LOCKER PROJECT UPDATE

Have you had the opportunity to see the tremendous update that has taken place in the halls of St. Joseph School? Building and Grounds took on the project of refreshing the school lockers. The project was led by committee member Steve Eisner, who coordinated the effort over the summer. A total of 268 lockers had doors removed, hinges repaired, interiors and exteriors cleaned, and new flooring installed. The doors were then painted and rehung. Additionally, the transoms above the lockers were emptied and cleaned to allow more light in to brighten the hallways. The project will be completed next summer when the remaining 78 lockers will be repaired and painted along with the blue lockers in the primary level hallway.

Special thanks go to:

- Steve Eisner who spent close to 150 hours on the project over the summer
- Rita Esselman from B&G who installed new flooring in the bases of the lockers
- Faculty and staff who helped clear and clean the transoms
- Mark Matuszak who secured the donation of the paint and primer from Sherwin Williams
- The many volunteers from the school and parish who helped with the project

Thanks to all who contributed their time and effort to help with this refresh!
