

We have been waiting so long to be able to get together! This summer will be a summer to remember as 2021 Camp will be “Keepin it 100” in Woodland Park, Colorado! Middle School Camp and Teen Camp will be held simultaneously this year. Campers get to experience the power of an authentic outdoor adventure in one of the most spectacular places in America—the Rockies. Every day is packed with an incredible program of worship, in-depth Bible studies, campfires, fellowship, fun, and impactful lessons.

COVID PRECAUTIONS

We have considered carefully how to create a safe and fun environment for everyone involved with camp considering the pandemic.

- Camp staff will need to quarantine prior to coming (48 hours of no symptoms) and must have proof of vaccination or have completed a negative PCR COVID test within 72 hours of arrival
- Campers must provide a negative COVID test take within 72 hours before check-in, have a doctor’s note, or have proof of vaccination
- Contactless, 4-station check-in process; parents will stay in the car the entire time and will include:
 - Screening Station
 - Registration Station
 - Medical Station
 - Unloading
- Less than 6 campers per cabin and cabins will stay together during camp.
- Everyone is required to bring at least 2 masks and masks must be worn in dining areas, during games, and during worship times. Masks will not be required in cabin or with cabin mates.
- Social distancing indoors (in meal line, eat by cabin distanced from other cabins)
- Daily rigorous contact surface cleaning in bathrooms, meeting rooms, and dining room
- Hand sanitizing stations situated throughout the camp
- Daily temperature checks
- Anyone exhibiting any known common sign of COVID while at camp will immediately be quarantined to the Medical Cabin and sent home; contact tracing will commence: their cabin-mates will be given an on-site Rapid Test and monitored, as determined by the medical staff; parents will be contacted immediately

Counselors

Camp couldn't exist without a team of dedicated Christians who sacrifice a week of time and energy to be with our young campers. Serving as a counselor isn't easy as it involves a high level of responsibility, a demanding schedule and can be emotionally taxing. However, it is very rewarding knowing you are helping today's youth grow into tomorrow's faithful men and women. There is no cost for camp counselors.
