Introduction

The CTHS, since its incorporation in 1906, has been devoted in their mission to assist and afford a means for the promotion of the interests of those engaged in the breeding of Thoroughbreds in Canada. The CTHS aims to ensure a viable future for its members by providing assistance and representation within the Thoroughbred Breeding Industry.

The publication of this statistical review is in keeping with our commitment to compile and disseminate industry information not only to members but our industry stakeholders as well.

We are pleased to provide the Annual Statistical Review for the 2024 calendar year. Included in this publication is a vast array of data that provides not only insight into the state of the breeding industry but highlights the many successes of our Canadian Breeders, Canadian Sires and Canadian-Bred's both nationally and internationally.

The CTHS remains committed to our Breeders and the Industry and wish everyone all the best for 2025.

Notes:

The source for all the statistics is The Jockey Club Information Systems Inc., unless otherwise indicated, and includes all 2024 racing stats from all available countries world-wide. All earnings are tabulated using the currency where earned (no conversions) other than foreign earnings and the Blood-Horse Sources which have been converted to USA dollars. Sires of 2024 Canadian Sale Yearlings, CTHS Sales Recap and Canadian Buyers at Major USA Sales in 2024 were compiled by the CTHS.

President's Report

This being my first full year as the CTHS National President I would like to start by thanking all the National Directors, National Staff and Provincial General Managers for all their hard work and dedication to both the CTHS and the Breeding Industry. I would also like to take a moment to remember those we lost within the industry in 2024 including Dairen Edwards, CTHS British Columbia President.

Our membership numbers in 2024 remained static from 2023 at 767 but have declined overall over the past several years. With declining new memberships and our aging demographic (42% over the age of 70) we believe this number may continue to decline unless there is change.

In 2023 we saw a slight increase in the mares bred to our Canadian Sires at 1,009 but the mares bred reported for 2024 was down by 15.5% to 853. Our 2022 foal crop numbers of 1080 indicated we may be slowly returning to our pre pandemic numbers but only 837 foals of 2023 have been registered to date.

The 2024 sales results across the country showed declines in numbers entered, sold and gross sales except for Alberta. Alberta posted an increase in # sold from 43 to 56 with an increase in Gross Sales of 15%. Ontario's average increased by 10.6% to \$26,297 and median by 26.6% to \$19,000. Manitoba's average increased 37.92% to \$15,818.

The CTHS and Breeders continue to face trying times across the country and some Provinces are worried about the viability of both their Breeding & Racing Industries. We must continue to move forward as a united front to develop a plan and work in the direction of leading this industry towards sustainability and growth.

The Provincial Presidents and CTHS National Committee Chairs will be giving you the highlights of what has transpired over the last 6 months with the CTHS. I am aware that all Directors have worked very hard and can attest to the fact that much has been undertaken.

Wishing all a very successful 2025 and know that I am looking forward to working with you.

Yours truly,

David Anderson

Contact Info: Phone: 416-675-3602 – Email: info@cthsont.com – Web: www.cthsont.com

Canadian Sales Stakes Series Eligibility:

Once all the Provincial Sales Stakes Eligibility has been met the following conditions apply:

1. **Out-of-Province Nominations** – Nomination to an out of Province Sales Stakes (not in the Province where the Yearling sold) will be the responsibility of the owners who will pay \$750 to nominate, \$750 to enter and \$1,000 to start. Note that in Ontario the difference between the listed nomination, entry and starting fee charged by WEG and the nomination, entry and starting fees charged per the above will be paid directly to the CTHS Ontario Division at the time of nomination. In addition, in the event that races are over subscribed, preference will be given to horses that passed through the Sale in the jurisdiction in which the Sales Stakes is being held. For example, CTHS Ontario Division Sales Graduates will have preference for the Sales Stakes races in Ontario.
2. **Implementation** – Canadian-Bred Yearlings passing through the CTHS Yearling Sales in 2018 and forward that meet the eligibility requirements above will be eligible to the Canadian Sales Stakes Series. The inclusion of Ontario commencing in 2018 does not affect the eligibility of Sales Graduates from previous years who will remain eligible for the Western Canadian Sales Stakes Series.
For clarity, Sales Graduates from previous years who are eligible for the Western Sales Stakes Series are not eligible for the Sales Stakes in Ontario.
3. **Sales Stakes Dates** – Where possible, the CTHS Provincial Offices will work collaboratively to attempt to schedule the Sales Stakes in each Province so that we can eventually create a Series that allows owners to participate in the Sales Stakes in multiple Provinces.

NOTE 1: Sales Stakes Offered & Sales Stakes eligibility is determined by the Provincial CTHS offices and is subject to change at their direction.

NOTE 2: Canadian Sales Stakes Series Eligibility is determined by an agreement between all Provincial CTHS Boards and is subject to change at their discretion.

President's Report

In 2024, the C.T.H.S. (Alberta Division) continued its Maiden and Open Mare Program to continue increasing the number of Alberta-bred foals and bringing out of production broodmares back into the breeding shed. Funding \$84,000 for the program came from HRA BIP. The program was as follows: Thoroughbred mares that have not foaled a foal in either 2023 and 2024 that produce a foal in 2025 will be eligible for funding of \$2,500 if the foal is sired by a Thoroughbred stallion standing in Alberta and \$1,500 if the foal is sired by an out of province Thoroughbred stallion. 32 applicants were accepted into the program.

2025 will continue the success of the Maiden and Open Mare Program as well as add 3 programs including the Mare purchase program, Foal in Alberta Program, and 2yo Development program with the increase of BIP funds to \$190,000.

The Breed Improvement Program continues to support the Alberta breeders. If you were an Owner and Breeder of a qualifying Alberta Bred you received a 51.47% bonus. Highlights of the 2024 Program are as follows:

- Owners shared in \$506,500 (or 29.75%) for AB Breds placing win, place and show in all races having a minimum \$9,000 purse and entered at or above a minimum \$6,250 claiming price. A further \$100,000 was available to fund purses of AB Bred restricted races with any funding not utilized being added to the Owners' bonus.
- Breeders received \$628,874 or a supplement of 21.72% AB Breds placing win, place and show in all races having a minimum \$9,000 purse and entered at or above a minimum \$6,250 claiming price.
- Total Breeding Support for owners, breeders and stallion owners totaled \$1,975,374.

2024 CTHS (Alberta) Thoroughbred Sale:

- The sales toppers were Hip #58, a colt by Sharp Azteca out of E Looe consigned by Esquirol Farms, and Hip #82, a colt by Big Brown out of Churlish Figure consigned by Cal Britton, Agent, each selling for \$33,000.
- A total of 79 yearlings were sold, achieving a gross of \$699,000, which represents an increase of over \$100,000 from the previous year. The average sale price was \$12,482.

The CTHS hosted the inaugural Sales Stakes Festival, which combined the Campus Derby with all four Sales Stakes, running on the same day at Century Downs. The event had a positive impact and promises to be a significant occasion moving forward.

The CTHS continued its collaboration with the Manitoba Jockey Club, HBPA of Alberta, Century Casinos, Horse Racing Alberta, HBPA of BC, and Hastings Park to expand the Western Canadian Triple Crown. Unfortunately, due to an EIA outbreak, the series was limited to the BC and Canadian Derby. The 2024 series introduced a bonus points system that paid out \$25,000 to the leading owners and trainers of horses in the series. Additionally, the \$100,000 will be offered again in 2025 to the owners of a horse that managed to win the Manitoba Derby, the Canadian Derby, and the BC Derby.

President's Report

Breeding Programs

In 2024, B.C. was not in a position to offer any breeder incentives due to lack of funding.

Yearling Sale

In 2024 there were 52 catalogued entries to the Yearling Sale, including 2 mares. After the withdrawals, 47 Yearlings entered the Ring. Of those Yearlings entering the Ring, 30 sold and 17 RNAs. The average sale price was \$14,900.00 down \$6,000.00.

In 2025 after canvassing the Breeder's multiple times it was determined that 10-15 foals would be available for a sale. The Board of Directors posted a notice on the website that due to the minimal number of potential entries a live sale would not be economically feasible, and attention would be put to seeing if a digital sale, even in conjunction with a nationwide sale in the fall, might be possible.

Following our posting, BCTOBA and HPBA (Gary Johson) Mike Heads and Jim Alendal are in the process (as at the date of this report) attempting to have a live albeit bare bones sale in the paddock at Hastings Racetrack. This would be a no commission sale and a one-time ship in payment of \$200.00 per horse along with volunteer handlers etc to try to pull off a sale with the few entries available. CTHSBC is supportive of this initiative and has offered to assist in anyway necessary in support of the breeders.

Racing

Continues to struggle in very tough times. Shortage of Government funding and shortage of horses.

Pool purse with a deficit of \$554,000.00 from 2024 to start the 2025 season.

Slot revenue and wagering revenue has been down in the last few months.

Live meet May3rd to Oct 19, 2025, ...45 race days

Opening Day was on May3rd, (Kentucky Derby Day) the spring weather was perfect, attracting a large crowd to watch 6 races with an average of 4.66 field size. The handle was \$316,512.

Handle for the first five days approximately \$400,000.00

Horse Population - It has been estimated that in 2025 there will be 250-265 starters at Hastings, down from 325-350 in 2024.

CTHSBC Board

In 2025, both Jamie Demetrick and Jim Alendal resigned as directors. Ralph Jesiak stepped down as acting president, a position he assumed after the passing of Dairen Edwards in 2024. We were fortunate to have Mary-Jean Bennett join CTHSBC. We currently have;

David Pihl (President)

Mary-Jean Bennett (Vice-President.)

Paul Caravetta

Ralph Jesiak

Pat Gormely

As a result of negotiating our support for the TRBC agreement, Mary-Jean Bennett was also appointed as a member of BCTOBA Board of Directors.

Government Funding

CTHSBC after reconsideration and negotiation voted to support and join the proposed TRBC. It consists of 2 trustees and 1 alternative from each of BCTOBA, HPBA and CTHSBC. The 2 trustees for CTHSBC are David Pihl -for a 1-year term ending December 31,2025, Mary-Jean Bennett for a 2-year term ending December 31st, 2026, and Paul Caravetta as the alternated trustee for a 3 year term ending December 31st, 2027. This new group was created as part of the Government insisting there be only one group representative of the three Industry participants working together as a pre-condition to consider providing any support to the thoroughbred sector of the Racing and Breeding industry in B.C.

The TRBC submitted a proposal to the Provincial Government requesting funding for three-years. The consultants for the HPBA and HRBC are still lobbying the government, however, although some feel very positive, they will be successful with the application no funding has been announced to date.

Any new information will be provided at the National AGM in early June.

In closing I wish to thank Bette-Jean Davidson (CTHSBC Gen Mngr) and the CTHSBC Board of Directors for their on-going support and effort to continue the sport of racing and breeding in B.C.

Dave Pihl

President's Report

The 2024 racing season presented unusual challenges in that all horses at Assiniboia Downs were placed under a 45-day precautionary quarantine. Until the quarantine was lifted all horses could not travel or come in contact with horses at ASD.

In 2024, the CTHS-MB Board introduced a new foal/mare two-year program with the goal of increasing the number foals produced. The program is funding jointly by CTHS-MB & The Manitoba Jockey Club.

The 2024 Breeder and Stallion program payouts:

- Manitoba & Saskatchewan breeders/owners received a point value of \$340.00. The payout for the incentive programs for 2024 was \$293,590 vs \$293,760 in 2023
- Purse Supplements in open races paid to owners totaled \$60,200 vs \$61,110 in 2023
- Stakes program paid owners \$313,600 vs \$314,400 in 2023
- Restricted races for MB/SASK/ND breeders numbered 34 for purses of \$299,550 vs 37 races in 2023

Once again, the top earner at Assiniboia Downs was a MB bred No Show No Call.

The 2024 Yearling sale show cased 28 yearlings for an average sale price of \$15,818. The date & location for 2025 Yearling sale is under review as we need to find a new location.

After the resignation of General Manager Jill Withers we recruited for a replacement. In August we hired Maddy Derksen for the position of General Manager.

President's Report

The Board completed it's first year and realized many of the goals set for 2024.

Office Move: We have settled into our new space five minutes from Woodbine.

Awards Night: Held in June at the Royal Woodbine Golf Club, the event was a sell out and enjoyed record sponsorship delivering a modest profit. Dorothy & Sean Fitzhenry were awarded Breeder of the Year. The Mint Julep Cup, awarded for lifetime achievement, was presented to Paul Buttigieg. A new award – Outstanding Farm Worker – went to Sean Smullen of Adena Springs. Top Stallion was Souper Speedy and, another new award, Top Broodmare went to Devine Aida (Moir).

Yearling Sale: “Four Day Festival” was our theme this year with sponsorship at an all-time high. It started on Sunday with our four Sales Stakes races. On Monday we enhanced our hospitality program with a free cocktail event to honour staff, consignors and owners. Tuesday night we introduced an invitation only “Kick Off” party to provide a networking opportunity for buyers and sellers and entertain our heavily recruited US buyers.

Gross	\$ 3,727,700	down 5.5%
Hips Sold	143	down 3%
Average	\$26,297	up 11%
Median	\$19,000	up 26%

We have been informed by Woodbine that the Sales Pavilion will be available for the 2025 Yearling Sale and, hopefully, for 2026. Despite this reprieve, we will continue to looking for an alternative venue.

Mixed Sale: We ran the Mixed Sale online from November 21 to November 26. Diving into the digital world was a great learning experience for sellers and buyers with benefits for all: Overall it was a positive initiative that we will continue.

- Wider reach with more buyers. Running the sale for five days increased the number of potential buyers and their geography. Contact information for each seller was included so buyers and sellers could connect. Buyers were welcome to visit the farms in person which has forged new relationships
- Convenient and lower costs for sellers with no shipping costs, travel or lodging expenses.
- The same detailed information was available (pedigrees, photos, videos, vet records, repository)
- Sellers could place reserves.
- There was better exposure for sellers by running for five days
- By approving every buyer, we had great control over credit applications and approvals resulting in lower post-sale accounts receivables.

We changed our fee structure which was well received:

Entry fee \$300 vs \$350 Commission 5% Minimum price \$1,000 No commission for RNA

Sales Credits: Just shy of \$170,000 in sales credits were redeemed for Yearling and Mixed sale purchases representing approximately 50% of the credits available. We are working with Ontario Racing to determine the best use of these funds going forward. We are hoping to add 4 new Maiden races worth \$75k each for CTHS ONT grads only.

Website: cthsonline.com was revamped to match the National and Division sites. An interactive, searchable catalogue was a new initiative for the Yearling Sale.

OR Mare Purchase and Recruitment Program: The \$500,000 allocated was exhausted. The program provides Ontario residents with 50% of the purchase price to a maximum of C\$25,000 per in-foal mare purchased either online or in person at a recognized public auction outside of Ontario, with progeny of 2024 to foal in the province. These programs have attracted over 300 new pregnant mares to Ontario since its inception 4 years ago.

Wagering: Due to a decrease in home market wagering the Thoroughbred Improvement Program (TIP) breeders fund faced a \$600,000 shortfall in 2024. HMA wagering was down over 10% in 2024. Much of this can be accounted to poor management decisions at Woodbine.

The weather postponement of the King's plate to the following Friday resulted in wagering of \$11.6-million vs \$ \$18.1-million on the card in 2023, a 56% reduction. This severely impacts the breeders awards which are tied to wagering.

Legal: We continue to review the two outstanding lawsuits against Ontario Racing and OLG with the goal of resolving these issues as soon as possible.

Long-Term Funding: We are confident that the renewal of the Long-Term Funding Agreement with OLG will have significant funding increases for breeders amongst many other increases and support across the board. The current ask to government is an increase of \$60mm to the LTFA of which \$40mm will go to the HIP programs. This would be a massive shot in the arm to breeders and owners.

President's Report

2024 has been profitable for our Sask Breeders, trainers, owners & workers at Assiniboia Downs, thus in part to the amalgamation of the Man/Sask Programs.

Many of our sask trainers had to pack up their equipment and racing supplies, as a result of the closure of our only thoroughbred race track Marquis Downs, so they had to either end their careers or move to adjoining provinces. In Manitoba this year there were over 10 Sask trainers that competed at Assiniboia Downs, thus adding to their list of eligible trainers to train horses for owners. Our CTHS wish to congratulate Sask trainer, Lee Delorande, for winning Assiniboia Dows Top Trainer Award. Special Mention to Sask trainer William Tourangeau who after only saddling 31 horses in the paddock won 12 times, 8 seconds and 7 3rds, only missing the tote board 4 times! Well done fellas!

This fall our Sask CTHS had organized a yearling & mixed sale on Oct 27th, but due to lack of entries we had to cancel. Also that same weekend we had booked a facility to host our Awards Banquet to honor Breeder's Awards for this year 2024 and also winners from 2023, but unfortunately due to lack of interest we had to postpone the night, but will try later to plan an evening enabling the winners to receive their awards

The Sask Breds that raced at Assiniboia Downs this past race season and excelled in their divisions are as listed.

GREENLAW FARMS— breeder of 2024 Top Sask 2 yr old colt/gelding PRINCEOFTHETRAIRIE, 2024 top Sask Older mare CATCHTHE DREAM and Sask's Top Breeder Award

COLIN GANTER— breeder of 2024 top SASK older gelding/colt, Sask Horse of the year AL REICHERT, as well as owner of Top Broodmare of 2024 AMALGAMATION

FOX TOWER FARM— owner of Sask 2024 Top Stallion EDISON

Our Sask CTHS wish to congratulate the owners & horses for winning these 2024 AWARDS!

We are pleased to announce a new stallion purchased and brought into Sask by Ryan Preece. An addition to new bloodlines in Sask is always exciting. ABSOLUTELY STYLISH by Uncle Mo out of Circumstance by Vindication and will be standing at Loon Lake for a private fee.

Awaiting the arrival of foals that will be born this spring, many were nominated into the Mb/Sk Incentive Program, a program which will benefit the owners and increase our foaling numbers. Many Sask breds were nominated into this program, and we are happy to see owners recognizing the benefits of breeding their mares. A Reminder only persons that are eligible for programs such as this and others have to be CTHS members, so please renew your CTHS Membership every year.

Rose Backlund President
