Introduction

The CTHS, since its incorporation in 1906, has been devoted in their mission to assist and afford a means for the promotion of the interests of those engaged in the breeding of Thoroughbreds in Canada. The CTHS aims to ensure a viable future for its members by providing assistance and representation within the Thoroughbred Breeding Industry.

The publication of this statistical review is in keeping with our commitment to compile and disseminate industry information not only to members but our industry stakeholders as well.

We are pleased to provide the Annual Statistical Review for the 2025 calendar year. Included in this publication is a vast array of data that provides not only insight into the state of the breeding industry but highlights the many successes of our Canadian Breeders, Canadian Sires and Canadian-Bred's both nationally and internationally.

The CTHS remains committed to our Breeders and the Industry and wish everyone all the best for 2026.

Notes:

The source for all the statistics is The Jockey Club Information Systems Inc., unless otherwise indicated, and include all 2025 racing stats from all available countries world-wide. All earnings are tabulated using the currency where earned (no conversions) other than foreign earnings and the Blood-Horse Sources which have been converted to USA dollars. Sires of 2025 Canadian Sale Yearlings, CTHS Sales Recap and Canadian Buyers at Major USA Sales in 2025 were compiled by the CTHS.

President's Report

2025 was a year of collaboration, unity, advancement and growth.

It began in early March when the U.S. enacted a 25% blanket tariff on all Canadian goods entering the country. The CTHS decided it would champion this effort to assist our members. Our directors tirelessly lobbied both within Canada and the US, we organized a country wide industry meeting with all our partners to discuss the tariff issue and formulated a unified industry position, and Provinces rallied their members to make submissions to the government for no counter tariffs. It was an exhilarating moment for the CTHS when it was announced that pure-bred breeding and racing animals will continue their duty-free status under the revised US Tariff orders and no counter tariffs by Canada.

We met with our Agriculture Animal Registration Officer in the Ministry of Agriculture and Agri-Food Canada regarding our powers under the Animal Pedigree Act (APA) as it pertains to issues we have with some racetracks & program administrators not requiring Canadian-Bred Certificates of Registration to race or receive incentives if born in Canada. The APA agreed to try to assist us by drafting and sending a letter to those in non-compliance.

At our June meeting, graciously hosted by Alberta, the Provincial Divisions were unified in making the financial health of the National Office a priority. With that it was unanimously agreed that, due to the decline of both memberships and registrations, more funding was required by the National Office and increased the portion of the membership fees portion allocated to us. In addition, discussions commenced on endeavors that would be beneficial to both our members, and the National Office which included the development of an Interactive National Stallion Directory and a National Digital Sales Platform. Both these projects were a success. The inaugural CTHS National Digital Mixed Sale was held on our new branded digital sales platform with 101 horses entered from across the country, 53 sold for gross sales of \$179,750. The new Interactive Stallion Directory launched successfully in December with 63 listings and counting.

I have open up some dialogue with The Jockey Club to lay the groundwork to commence discussion on our collaboration. This in is order to find a way to reduce fees for our Canadian breeders by the CTHS providing more registration services. This will allow us to comply with the APA and reduce costs and labour for TJC as a service provider.

The Governance Committee meticulously reviewed the CTHS By-Laws and presented amendments that were approved by the National Board. The members subsequently approved these amendments by majority balloted votes. They were then submitted to the APA and approved this past January. The revised By-Laws are posted on the National website.

2025's country wide gross sales were \$5,113,800 with 475 catalogued, 285 sold and an average of \$17,945. The Alberta and Manitoba sales both had increased entries and gross sales. Alberta had the highest overall increase this year with gross sales up by 47% and average up by 12.5%.

I want to acknowledge the catastrophic events that have unfolded for the Thoroughbred breeding and racing industry in BC with the unexpected and abrupt closure of Hasting Racecourse. Having worked closely with the CTHS Directors out west and knowing their drive and skill I have faith that the industry will come up with a solution to assist the BC breeders.

I would like to congratulate all our breeders across the country for their accomplishments in 2025 and wish all a successful 2026.

Yours truly,

David Anderson

2026 CANADIAN SALES STAKES SERIES

Commencing with the Sale year 2018, all Canadian-Bred Yearling Graduates of CTHS Provincial Sales, that have met the eligibility requirements within their respective Provinces, will now be eligible to run in Sales Stakes offered across the country.

Provincial Sales Stakes Eligibility, Sale Dates & Sales Stakes Races Offered:

Yearlings must meet Sales Stakes eligibility requirements in the Province in which they ran through a CTHS sanctioned Yearling Sale. In addition, if required, the Yearling must continue to meet eligibility requirements in the Province in which they sold. The current eligibility requirements by Province are as follows:

ALBERTA: A Yearling is eligible for the Sales Stakes Series that passes through the Alberta Division Sale where the full commission is paid to the CTHS and a Sales Stakes in-fee and out-fee have been paid. The Canadian Sales Stakes Series is only open to Canadian-Breds.

Sale Date – September 18th, 2026

2026 Sales Stakes –	October 3 rd – Three & Four-Year-Old Fillies – 7 Furlongs	\$50,000

Contact Info: Phone: 416-675-3602 – Email: info@cthsont.com – Web: www.cthsont.com

Canadian Sales Stakes Series Eligibility:

Once all the Provincial Sales Stakes Eligibility has been met the following conditions apply:

1. **Out-of-Province Nominations** – Nomination to an out of Province Sales Stakes (not in the Province where the Yearling sold) will be the responsibility of the owners who will pay \$750 to nominate, \$750 to enter and \$1,000 to start. Note that in Ontario the difference between the listed nomination, entry and starting fee charged by WEG and the nomination, entry and starting fees charged per the above will be paid directly to the CTHS Ontario Division at the time of nomination. In addition, in the event that races are over subscribed, preference will be given to horses that passed through the Sale in the jurisdiction in which the Sales Stakes is being held. For example, CTHS Ontario Division Sales Graduates will have preference for the Sales Stakes races in Ontario.
2. **Implementation** – Canadian-Bred Yearlings passing through the CTHS Yearling Sales in 2018 and forward that meet the eligibility requirements above will be eligible to the Canadian Sales Stakes Series. The inclusion of Ontario commencing in 2018 does not affect the eligibility of Sales Graduates from previous years who will remain eligible for the Western Canadian Sales Stakes Series.
For clarity, Sales Graduates from previous years who are eligible for the Western Sales Stakes Series are not eligible for the Sales Stakes in Ontario.
3. **Sales Stakes Dates** – Where possible, the CTHS Provincial Offices will work collaboratively to attempt to schedule the Sales Stakes in each Province so that we can eventually create a Series that allows owners to participate in the Sales Stakes in multiple Provinces.

NOTE 1: Sales Stakes Offered & Sales Stakes eligibility is determined by the Provincial CTHS offices and is subject to change at their direction.

NOTE 2: Canadian Sales Stakes Series Eligibility is determined by an agreement between all Provincial CTHS Boards and is subject to change at their discretion.

President's Report

In 2025, the C.T.H.S. (Alberta Division) continued its Maiden and Open Mare Program to increase the number of Alberta-bred foals and encourage broodmares back into production. Funding was supported through the Horse Racing Alberta Thoroughbred Breed Improvement Program. Mares that had not foaled in the previous two years and produced a foal in 2025 were eligible for \$2,500 if bred to an Alberta-standing stallion and \$1,500 if bred to an out-of-province stallion, with \$52,500 paid out under the program.

The C.T.H.S. also continued the Mare Purchase Program, Foal in Alberta Program, and the Two-Year-Old Development Program, which provides a \$1,500 incentive per eligible Alberta-bred two-year-old. Total dedicated breeding initiative funding was \$190,000, of which \$149,000 was paid out, with the remaining balance added to the Breeders' Bonus pool. All programs will continue into 2026.

Through the Breed Improvement Program, a total of \$762,495 was distributed through the 2025 Breeders' Bonus. Of that amount, \$732,495 was awarded to breeders of Alberta-foaled horses finishing first, second, or third in sanctioned Alberta races with five or more starters carrying a minimum purse of \$9,000 and entered at or above a \$6,250 claiming price, representing a 26% bonus on eligible earnings.

Total breeding support for stallion owners was \$100,000, representing a 3.7% payout. Stallion bonuses are paid proportionately to stallion owners whose Alberta-standing stallions had eligible Alberta Thoroughbred progeny earning \$10,000 or greater during the calendar year. Stallions must have stood in Alberta for the full year of conception to qualify.

New in 2025, the North American Bonus Program made \$30,000 available for breeders of Alberta-foaled horses placing in eligible Allowance races over \$40,000 and Stakes races over \$50,000 outside Alberta, paying a 20% bonus on qualifying earnings.

In 2025, CTHS Alberta hosted Night of Champions, the Backstretch Casino Charity Night, Clockers' Corner, Fall Classics, the Sales Stakes Festival, Campus Derby, and the CTHS National AGM, welcoming more than 700 VIP guests in addition to many casual attendees reached through direct marketing initiatives.

The 2025 Alberta Yearling Sale, held September 19 at the Red Deer Agri-Centre, achieved gross sales of \$1,024,600, representing a 47% increase over 2024 and a 72% increase over 2023. The average sale price was \$14,036, up 12%, with a median of \$10,000, reflecting growing buyer confidence and sustained industry investment.

Alongside CTHS National and other provincial organizations, CTHS Alberta helped develop a branded digital sales platform in partnership with Live Auction Group, allowing participation in a cross-Canada Digital Sale. The digital sale grossed \$179,750, averaged \$3,332, with a median of \$2,750 and 53 horses sold. Alberta had 13 entries and sold three horses.

Looking ahead to 2026, CTHS Alberta remains focused on increasing the provincial foal crop, enhancing the race-day experience through industry events, retaining and growing our owner and

breeder base, strengthening Alberta-bred visibility, and supporting long-term sustainability across Canada. The measurable progress achieved in 2025 provides a solid foundation for continued momentum in 2026.

President's Report

Racing at Hastings Park Racetrack in 2025

The live racing meet at Hastings for 2025 was 37 days. Commencing on May 3 and ending on October 18. The live dates had initially been set for 45 days, but shortage of funds resulted in 8 days being cancelled as the meet progressed.

Throughout the 2025 racing season (and for some three years earlier) consultants for TOBA and HBPA jointly met with NDP Gov't representatives in an effort to spark some influx of gov't funding into the industry. During those three or more years having the consultants for the HBPA and HRBC lobbied the BC provincial government for support and received positive feedback. The TRBC was created at the instigation of TOBA and HBPA to put forward to Government a formal industry proposal. The Provincial Government had requested the proposal.

Late in November 2025 the BC government made a big announcement. The NDP government declared the BC horse racing industry was not economically viable and, therefore, effective January 31, 2026, it would stop sharing slot-machine revenue with Hastings Racecourse and Elements Casino that amounted to approximated \$8 to \$10 million annually.

A week later the track operator, Great Canadian Gaming Corp. made an announcement that live racing would cease at Hastings since it was no longer viable to have it.

Furthermore, a week later the City of Vancouver and the White Caps announced their Memorandum of Understanding for a soccer stadium to be built at Hastings.

This decision by the NDP Government ended a racing legacy that had existed for approximately 133 years.

Breeders' Incentives during 2025

As in 2024 due to lack of funding, CTHSBC. was not able to offer any incentives for breeding programs in 2025.

2025 Yearling Sale

The CTHS BC Board of Directors agreed that a 2025 yearling sale would not be profitable and decided against holding one. After the CTHS Board's decision, TOBA and HBPA through TRBC decided they would hold a 'bare bones' yearling sale at the Racetrack. CTHSBC was requested to assist with the sale as we had the experience. It was a difficult decision for us as the TRBC decided there would be no commissions or fees. This resulted in consignors setting huge reserves without any financial consequences, allowing free entry into the sales stakes.

Seven consignors consigned a total of 15 horses consisting of 13 yearlings, 1 three-year-old and 1 weanling.

13 horses went through the ring. 5 sold and 8 RNA. The sale gross was \$49,500 with an average of \$9,900 and a median of \$8,500.

Racing at Hastings Park Racetrack in 2026

Our industry partners have expressed that they are still trying to do all things necessary to be in a position to have approval for a minimum 10-day meet in late September ending in November at Hastings.

The organizers are hoping to be able to attract horses from other tracks after the meet end at other tracks.

HRBC are attempting to do a similar submission for the track in Osoyoos, B.C.

Insofar as at this time there is no scheduled racing in British Columbia for 2026, CTHSBC with the co-operation of Woodbine Entertainment Group is attempting to provide a temporary made in B.C. solution whereby a portion of gambling revenues being collected and currently being held in trust by WEG would be released to HRBC and CTHSBC to be used for the benefit of owners and breeders of B.C. horses that compete in racetracks operated in Alberta, Manitoba and Ontario. As of this date there has been progress, but no signed MOU for such temporary solution has been achieved.

CTHS BC Board of Directors

The board consists of five members:

Dave Pihl, President

M-J Bennett, Vice President

Paul Caravetta

Pat Gormley

Ralph Jesiak.

We have one member who has expressed interested in becoming a director in these uncertain times. This year being an election year we hope that there will also be other interest too.

Dave Pihl, President

President's Report

In 2025, MB/SK CTHS focused on a number of initiatives in support of a new foal program and the Yearling Sale.

The first 3 years (2023, 2024, 2025) of the foal program focused on encouraging breeders to increase their foal production. The 2026 foal program is based on the Marc's accomplishments, produce and family. Their programs are co-funded by the Manitoba Jockey Club.

The 2025 Yearling Sale was held in our new pavilion on Assiniboia Downs backstretch. The CTHS-MB purchased and erected a cover-all building, with Assiniboia Downs renovating the Sales Barns. The 2025 sale showcased 42 yearlings, with 21 selling for an average of \$10,407. A Bay gelding (Speculating Hidden Grace) co-signed by Ziprick Thoroughbreds, sold for \$36,000 to Barry Arnson.

Looking forward, the 2026 sale will showcase the 2nd crop of yearlings produced in our new program. The sale stake purse increased to \$50,000 and continued promotional venues.

Existing initiative programs paid out \$616,225 (\$249,560 point value; \$44,600 purse supplements; \$251,105 stakes; \$63,000 new foal; \$8,000 shipping) to MB/SK breeders/owners.

The current 5-year contract expires in 2026, the CTHS-MB supports a continued shift away from short-term agreements given the length of the breeding cycle.

President's Report

Awards Night: Held in June at the Royal Woodbine Golf Club, the event was a sell out and it was a wonderful celebratory evening. Chiefswood Stable was awarded Breeder of the Year. The Mint Julep Cup, awarded for lifetime achievement, was presented to Robert Krembil (Chiefswood). Outstanding Farm Worker went to Ian Dick of Buttigieg Training Center. Top Stallion was Souper Speedy and Top Broodmare went to Platinum Steel (Platinum Steel).

Yearling Sale: We continued with our "Four Day Festival" theme which went over very well again. We started with the Sales Stakes on Sunday (four races). On Monday a Mix and Mingle cocktail party took place in our Festival Tent for consignors, grooms and sale workers. Tuesday night was the Kick-Off party which provided a great networking opportunity for buyers and sellers. The Sale was held on Wednesday, August 28:

Gross	\$ 3,638,000	down 2.4%
Hips Sold	144	down 7%
Average	\$27,353	up 4%
Median	\$25,000	down 21%
Top Price	\$400,000	up 60%

Heavy recruitment efforts were undertaken. We have a contract with Woodbine for the Sales Pavilion for 2026 and we continue looking for an alternative venue.

New Maiden Races: In 2024, only 50% of the available \$170,000 sales credits were redeemed. In consultation with Ontario Racing TIP Program, the sales credit program was retired and the funds were put toward four new races for auction maidens. The move was extremely well received by all.

July	\$75,000	Two-year-old fillies	5F	Tapeta
July	\$75,000	Two-year-old colts & geldings	5F	Tapeta
Fall	\$75,000	Two-year-old fillies	7.5F	Inner turf
Fall	\$75,000	Two-year-old colts & geldings	7.5F	Inner turf

Timing pushed the Fall races into November and, as a result, the filly race did not fill.

Long Term Funding Agreement: The provincial government was asked to contribute an additional \$60-million above the current \$118-million. Extensive lobbying efforts were undertaken by our breeders, owners and the Board. There will be additional funding, however, the amount has yet to be confirmed.

Mare Purchase and Recruitment Program: The \$400,000 allocated was exhausted. The program provides Ontario residents with 50% of the purchase price to a maximum of C\$25,000 per in-foal mare purchased either online or in person at a recognized public auction outside of Ontario, with progeny of 2025 to foal in the province. If confirmed, the additional long term funding would increase the value of this program.

Legal: We have resolved the two outstanding lawsuits against Ontario Racing and OLG. We defended a small claims court challenge regarding the wrong horse sold at our 2021 Mixed Sale. Thanks to our language in the Acknowledge of Sale and Conditions of Sale regarding liability, we were removed from the claim.

President's Report

Greeting C.T.H.S. Members, just a short note from our Sask C.T.H.S.

Being there has been no racing in our province for the last several years due to the closure of our only track, Marquis Downs, at Saskatoon, it is getting more difficult to keep our Horse Breeding in operation. The average age of our breeders is 60 years plus, and they have continually reduced their herds and stopped purchasing new mares, many if they stay in the racing business, they opt to claim a horse that already has been running and not having to spend years developing one of their homebreds.

We have had two new members join our Board and welcome both Ryan Preece and his father Grant from Loon Lake, located West of Meadow Lake and nearby where our longtime breeder Gordon Alger lives. Also Brett Doell, who has rejoined the Board.

Ryan and Grant's South Side Ranch stand their newly purchased stallion, Absolutely Stylish, by Uncle Moe out of Circumstance by Vindication, and will have their first foals this Spring, we thank them for committing to our Board and wish them luck on their new venture!

Upon hearing the news of the closure of Hasting Race Track in B.C. we know how difficult it is to continue without a racing venue. All the time and effort we had done to try to maintain our track, usually fell on deaf ears from the gov't and city officials, the loss of the track was hard to take, but the loss of hundreds of jobs from people employed at our Track to all the spin-offs from it (the farriers, vets, farmers, jockeys, riders, trainers, feed stores, the list was endless!

We support B.C. C.T.H.S. members and wish them all the best in their battle for the survival of their industry. It is a sad time for us, the Breeders, who love and live for the baby foals every year at foaling time and then get to develop them into great racehorses like we had planned them to be!

Please accept this President Report from our Sask CTHS.
